Anselm Keussen, Gabriele Breucha, 2022-04-19 Sathya Sai Baba True Divine Parents for Humanity Dears Readers cordial greetings Still you might ask Sathya Sai Baba who is that If you haven't switched on your mobile to research him in the first place Since Sai Baba has left his mortal coils in 2011 there seems to be less public discussion on his life and his spiritual and worldly legacy What remains are the amazing social institutions large ashrams schools colleges a university world standard maximum care hospitals huge water providing projects and countless selfless service organisations all over India and the world which Sai Baba has founded in such a solid way that they are all operating successfully even today about ten years later And there are almost endless amounts of books and media on Sathya Sai Baba and about the impossible divine feats of his life A Matter of Balance But there are also other reports mainly in the internet that decry Sai Baba's work actions and intentions in very low ways Therefore this book has now been written for spiritually interested people who prefer to hear all sides out who truly had contact from close quarters with this Avatar of Humanity rather than jumping to spectacular if below the belt conclusions often long distance without ever seeing Sai Baba in person It is in order to help setting a hopefully more impartial if thoroughly personal perspective on these True Divine Parents of Humanity as we have experienced Sathya Sai Baba that we have written this book It intends to integrate the various narrations on Sathya Sai Baba with our own exchange with him in such a way that you Dear Readers will hopefully be able to gain a somewhat better balanced imagination of this super human being that often was simply called Sai **My Sai and I**

Dr. Kavita S. Bhatt, 2025-09-09 My God and Guru Sri Sathya Sai Baba rightly says that the Lord who is the author of the Divine Drama of Time with its three acts the past the present and the future the one and the only one who knows the entire drama The spectators and actors have to go through all the three acts to know the gist or the end of the divine drama The gist being the search for our Real Self or Self Realization which is our ultimate destination We all have our own personal notions about Self Realization according to our understanding and imagination because of which there is a lot of confusion The book My Sai and I dissolves this confusion and guides the reader step by step on the inward journey from I to Him This book also discusses secrets like Cycle of birth and death Wheel of Life Involution and Evolution Karmas Time Space and Causation Scientific explanation about the Creation The role of Ego annihilation of Ego etc which will add to the readers understanding and bring a drastic change in attitude towards life and living The experiences that the author has on the inward path clearly shows that a very different and

beautiful world exists on different planes of existence and all of us have an excess to it provided we follow a disciplined life and meditate regularly The reader will gain a lot of inspiration a lot of understanding about own inner self which will make things easy for the reader on his her inward journey      ENCOUNTERS with GOD William K. a fascinating and comprehensive picture of womanhood through the ages and concludes that the time for equality and greater respect for feminine energy is finally arriving **Your Unique Consciousness** Dr. Anthony J. Emmett, 2023-03-20 The story of consciousness describes the mystery we are where we come from before birth and where we go after death and the thinking both in our body mind and subconscious and beyond it It is the dimensions of rational awareness of mind and heart we use for our ego and creative life on earth and in other dimensions around us Imagine that you have an all pervading higher intelligence within in your many layered consciousness How we employ it for this dynamic life with love and the ways it works make you the self you are Consciousness is an energy which comes into the brain of the embryo to activate the mind for this life it functions at many levels The level we call the heart is an influence emotionally with love and loving Consciousness radiates and the way it relates in us and beyond is the story of our lives We can use this to great effect with certain techniques We are alive in several levels of consciousness *Let's Thank God* Phyllis Krystal, 2003-12-12 This Small Book Contains Selections Of Sathya Sai Baba S Sayings On The Many Subjects That His Teachings Cover Many People Enjoy These Little Gems His Sayings And Even Quote Them Frequently But Find It Very Difficult To Apply Them In Their Daily Life The Interpretations By Well Known Psychotherapist And Long Time Baba S Devotee Phyllis Krystal Show With Examples How His Teachings Can Be Put Into Practice In Daily Life **The Hagiographer and the Avatar** Antonio Rigopoulos, 2021-04-01 In this biographical study Antonio Rigopoulos explores the fundamental role of a hagiographer within a charismatic religious movement in this case the postsectarian cosmopolitan community of the Indian guru Sathya Sai Baba The guru s hagiographer Narayan Kasturi was already a distinguished litterateur by the time he first met Sathya Sai Baba in 1948 The two lived together at the guru s hermitage more or less continuously from 1954 up until Kasturi s death in 1987 Despite Kasturi s influential hagiography Sathyam Sivam Sundaram little scholarly attention has been paid to the hagiographer himself and his importance to the movement In detailing Kasturi s relationship to Sathya Sai Baba Rigopoulos emphasizes that the hagiographer s work was not subordinate to the guru s definition of himself Rather his discourses with the holy man had a reciprocal and reinforcing influence resulting in the construction of a unified canon Furthermore Kasturi s ability to perform a variety of functions as a hagiographer successfully mediated the relationship between the guru and his followers Drawing on years of research on the movement as well as interviews with Kasturi himself this book deepens our understanding of this important pan Indian figure and his charismatic religious movement *Introducing Hinduism* Hillary P. Rodrigues, 2025-04-30 Introducing Hinduism is an invaluable resource for those seeking an authoritative and comprehensive academic overview of the key tenets and diverse practices of Hinduism past and present This third edition includes substantial treatments of Tantra South India politics and gender as well as expanded discussions of Western configurations of Hinduism as in postural yoga and neo nondual spirituality and Hinduism in popular culture Its lively presentation features updated case studies photographs and scenarios that invite the reader into the lived world of Hinduism
