*Temple to the Wind* Christopher L. Pastore,2023-12-21 In 1903 racing for the America s Cup was no longer a gentleman s game it had become a race entangled with political tension and awesome dangerous stakes In this pivotal year the two great rivals Britain and America raced head to head with Britain determined to win with their privately funded Shamrock III and America s bravado backed up by Reliance Reliance was a yacht like no other a work of beauty carrying more sail than any single masted boat before Some believed that the boat towering 190 feet above the water was simply too dangerous but the race called for such staggering risk Pastore brings life to this strikingly astounding vessel from conception to construction to the hair raising trials at sea It is simply one of the most exciting sea tales ever told      *Golden Lily - 10 Years On* Lijia Xu,2025-09-02 Golden Lily is the fascinating autobiography from Asia s first ever dinghy sailing gold medallist It tells of her learning to sail and becoming a full time athlete at just 10 years old At that age Lijia Xu was taken away from her parents and enrolled in the gruelling Chinese training regime a programme meticulously prescribed across all sporting disciplines to catapult the nation s talented youngsters to international champions It is a rare insight into a shocking world of relentless

physical training and unquestioning mental compliance Lijia's honest and heart-felt account takes you on her journey from physical disabilities and debilitating injuries to learning to think for herself eventually going on to achieve her dream of becoming an Olympic gold medallist. Now ten years since its first publication Lily has updated the story. She tells of her third and final Olympic campaign at Rio 2016 and then training to be a sports journalist and covering Tokyo 2020 and Paris 2024 as a reporter. Lijia opens up about her secret relationship with her English coach and their subsequent marriage as well as talking about her post-Olympic sailing including IMOCA 60s, M32s, J80s and Waszps. This is an inspirational story of a young woman's will to succeed despite all that her background threw at her. *My Life in a Blue Suit* Jim Saltonstall, 2022-03-03. At five out of the last six Olympic Games, team GBR has been the top nation in sailing, a result of strong leadership from the Royal Yachting Association and very talented sailors and coaches. But Barry Pickthall, formerly the Yachting Correspondent of The Times, observes: 'If one man deserves recognition for Britain's remarkable success within the sailing Olympic arena, it is Jim Saltonstall, the coach who has cajoled, encouraged and inspired so many youngsters towards world stardom over the past 3 decades. This is the story of Jim Saltonstall and his contribution to the success of British sailing. It starts in his home county of Yorkshire and the seaside town of Bridlington, where he learnt to sail. It goes through his experiences in the Royal Navy, which he joined aged 15, with tours all around the world, but particularly sailing with the Royal Navy team and becoming the Royal Navy Sailing Coach. This led to his appointment as the first RYA National Yacht Racing Coach, the development of the GBR Race Training Scheme and, in due course, great success at youth, world and Olympic levels. The 31 Olympic medals won by the 19 sailors who give glowing praise to Jim in the Foreword, confirms his contribution to this success. Jim retired from his Team GBR role in 2000 after the Sydney Olympics, but it is a testimony to him that two of the gold medallists from Tokyo 2020, which took place in 2021, in elite sports, a lifetime since Jim retired, credit him in their success, saying he was a huge inspiration and they couldn't help but be motivated by him. On top of twice winning the Yachting Journalists Association Yachtsman of the Year Award (1984 and 1995), Jim was awarded the Lifetime Achievement Award at the 2022 British Yachting Awards. The story is told as modestly as a Yorkshireman can and is interspersed with tales of cars, car journeys and one or two parties. Jim also takes time out of the story to give his thoughts on all aspects of youth training, competing internationally and coaching. Anyone involved in race training will benefit from the wisdom he provides in these pieces. *Low-Speed Wind Tunnel Testing* Jewel B. Barlow, William H. Rae, Alan Pope, 1999-02-22.
