Sailing Away From The Night:

Sail Away Celia Imrie, 2018-02-22 _____ Anything written by Celia Imrie is guaranteed to put a smile on our faces and her latest book is no exception *Good Housekeeping* A dashing roller coaster She is extraordinary Joanna Lumley A very witty woman Hugely entertaining Julian Fellowes _____ The deliciously witty irresistible new novel from the top ten Sunday Times bestselling author of *Not Quite Nice* follows the exploits of two women on an Atlantic cruise ship The phone hasn't rung for months Suzy Marshall is discovering that work can be sluggish for an actress over sixty even for the former star of a 1980s TV series So when she is offered the plum role of Lady Bracknell in *The Importance of Being Earnest* in Zurich it seems like a godsend Until that is the play is abruptly cancelled in suspicious circumstances and Suzy is forced to take a job on a cruise ship to get home Meanwhile Amanda Herbert finds herself homeless in rainy Clapham Her flat purchase has fallen through and her children are absorbed in their own dramas Then she spots an advertisement for an Atlantic cruise and realises a few weeks on board would tide her over and save her money until the crisis is solved As the two women set sail on a new adventure neither can possibly predict the strange characters and dodgy dealings they will encounter nor the unexpected rewards they will reap Vividly evoking the old world glamour of a cruise ship and the complex politics of its staff quarters *Sail Away* is at once a hilarious romp and a thrilling tale of intrigue from the acclaimed pen of Celia Imrie

Stories from the Arabian Nights Amy Steedman, 2018-01-30 In a certain town in Persia there lived once upon a time two brothers Their names were Cassim and Ali Baba and when their father died all he had was divided between them so they both started life with the same fortune But before very long Cassim married a rich wife and Ali Baba married a poor one so while Cassim lived like a lord and did nothing Ali Baba had to work hard for his living Every day he went to cut wood in the forest loaded his three horses with it and then brought it back to sell in the town *Neale's Monthly*, 1914 [The Traditional Tunes of the Child Ballads, Volume 4](#) Bertrand Harris Bronson, 2015-03-08 With this volume incorporating Ballads 244-305 Bertrand Harris Bronson completes his epic task of providing the musical counterpart to Francis James Child's collection of English and Scottish ballads As in the previous volumes the texts are linked with their proper traditional tunes systematically ordered and grouped to show melodic kinship and characteristic variations developed during the course of oral transmission Originally published in 1972 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Sedia,2012-06-07 The Victorian era is significant for the rise of the middle classes and marked changes in social relationships both in the home and in wider society with the proliferation of domestic help and the development of increasingly rigid gender roles These are romances that chafe against the restrictions of the period with heroes and heroines who defy social convention igniting firestorms of gossip The aristocrats impostors social climbers domestic workers and undercover agents of these stories exist in an authentically lush world depicted here with telling attention to detail While most of the stories are strongly realistic some incorporate elements of fantasy
