Star Trek Duncan Barrett,Michèle Barrett,2016-08-05 In a world shrunk by modern transport and communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human This book charts the developing Star Trek story from the 1960s through to the present day Although the core values and progressive politics of the series earliest episodes have remained at the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition of Star Trek The Human Frontier published to coincide with Star Trek s golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don t know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable cultural phenomenon

The Book of Action Jeramy Patrick,Justin Helms,2006-04 Momentum is gained only through action Designed specifically with the motto Less reading more action I wrote The Book of Action to give you the tools that you need to help you achieve the goals that you set in your life I m not going to promise you that it will be easy I am not going to tell you that this is a cure all book that will fix everything that is going wrong in your life But what I will promise you is that this book will give you the tools you can use to help you achieve the results and the goals that you

have set for yourself The Book of Action is not just meant for the beginner I didn't design it to be specific for one group of individuals more than another group This book is designed to be equally valuable to everyone that invests their time into it From the store clerk looking to make it big to the CEO of a billion dollar corporation who just needs something to help accent the already extensive set of tools in his possession This book will help you no matter where you are on your journey Not only did I write The Book of Action so that I could share my thoughts and experiences with you but I've also provided you with all the tools that you need to succeed on my website www.dreamgoals.net Not only do you get the book but you get access to the website as well which can provide you with motivation and information anywhere you have access to the internet I enjoy helping people and I love making the most out of life I wrote this book to help others like me those that enjoy making the most out of life and who want to achieve the goals that they set for themselves It CAN be done I won't tell you that it's easy Sometimes it's hard But with The Book of Action you have an additional tool to help you break through that wall that is keeping you from achieving your dreams Remember you can only gain momentum through action and what a better place to start than The Book of Action
