Sailor To Statesman:

Sailor to Statesman Miriam Hood, Dick Hood, 1989-12-01 Sailors, Statesmen and the Implementation of Naval Strategy Agustin Guimerá, Richard Harding, Agustín Guimerá Ravina, 2024 Explores the varied relationship between political leaders and naval experts from the 16th to 21st centuries The shaping of national defence strategies is particularly difficult in the case of navies Few political leaders have naval experience in contrast to the case of armies where political leaders and army commanders have often shared similar social and professional backgrounds Bringing together historical examples from Britain the United States Spain and France the book provides insights into this key relationship The authors highlight factors which have made for successful relationships between political leaders and naval experts showing how changing circumstances have affected the dialogue and underlines the importance of good exchange of knowledge expertise and understanding for successful policy making and strategic outcomes Sea power continues to be crucial in the present world s increasingly unstable geopolitical situation the mutual exchange of expertise between naval experts and political leaders is as important as ever and the risk of political sea blindness remains high This book s historical examples provide good guidance on how to manage the relationship between political leaders and naval experts well *The Sailors' Magazine and Seamen's Friend* , 1883 Statesmen And Soldiers Of The Civil War; A Study Of The Conduct Of War Major-General Sir Frederick Maurice, 2015-11-06 Major General Maurice although a British officer was fascinated by the American Civil War and wrote a number of important works on the conflict even editing and publishing for the first time the famous memoirs of General Robert E Lee s aide de camp Colonel Marshall In this volume he analyses the relationship between the statesmen and their generals in both the Confederacy and the Union there was much friction between the generals in the field and their political masters The author takes two relationships one successful and the other disastrous from both sides of the firing line to scrutinize On the Confederate side the frictions and breaches of Jefferson Davis and General J E Johnston are contrasted with the former s affinity and dependence on General Robert E Lee In the Union ranks the frustrations and goading of Lincoln and General McClellan are balanced by the support and trust of the President s dealings with General U S Grant In closing his work General Maurice also touches on his opinions for the conduct of successful relations between politicians and the military and illustrates them with examples from the more recent First World War The National Review , 1922 **The Saturday Review of Politics, Literature, Science and Art** , 1912 *Journal of Electricity, Power, and Gas* , 1913 A History of Literature in America Barrett Wendell, Chester Noyes Greenough, 1909 **A Literary History of America** Barrett Wendell, 1911 The Naked Heart: The Bourgeois Experience Victoria to Freud Peter Gay, 1996-10-17 In *The Naked Heart* Peter Gay explores the bourgeoisie s turn inward At the very time that industrialists inventors statesmen and natural scientists were conquering new objective worlds Gay writes the secret life of the self had grown into a favorite and wholly serious indoor sport Following the middle class s preoccupation with inwardness through its varied cultural expressions such

as fiction art history and autobiography Gay turns also to the letters and confessional diaries of both obscure and prominent men and women These revealing documents help to round out a sparkling portrait of an age *The Naked Heart* Peter Gay,1996 In investigating the inner life of the whole Victorian bourgeoisie that vast class in Emile Zola s words reaching from the common people to the aristocracy Gay turns also to the letters and confessional diaries of both obscure and prominent men and women Jacket **Devon, Its Moorlands, Streams and Coasts** Rosalind Northcote,2022-08-01 Rosalind Northcote s *Devon Its Moorlands Streams and Coasts* is a quintessential tale capturing the spirit and essence of Devon intricately woven with the natural history topography and the cultural tapestry of its locale Northcote s prose dazzles with descriptive vitality steeping the reader in the multi faceted beauty of Devon s landscapes Her writing both erudite and evocative marries the observational rigor of a naturalist with the lyrical poise of a poet The work standing in a proud literary tradition that venerates the English countryside invites comparisons to both historic and contemporary nature writing situating itself within a broader discourse on place and identity Rosalind Northcote brings to this work a profound intimacy with her subject matter a testament to a life steeped in the English countryside and its literary representations Northcote s scholarly background is evident in her meticulous attention to detail and historical context and her passion for the natural world is palpable on every page *Devon Its Moorlands Streams and Coasts* reflects not only an author s expertise but also her love for this corner of the earth which may well have been her own muse This book comes highly recommended for readers who cherish literary journeys into the heart of a landscape It offers an immersive experience akin to walking through Devon s very moorlands and coasts allowing one to see feel and understand the region like never before Scholars of English literature enthusiasts of natural history and lovers of the Devon countryside alike will find Northcote s work a valuable and enjoyable addition to their libraries *Devon Its Moorlands Streams and Coasts* is truly a classic of world literature that thrives in its new life through DigiCat Publishing s careful reproduction **A Literary History of America** Barrett Wendell,1905 *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1913 **New Dominion Monthly** ,1877 Korea Review ,1921 *Frank Leslie's Popular Monthly* Frank Leslie,1895 Transactions of the Devonshire Association for the Advancement of Science, Literature and Art Devonshire Association for the Advancement of Science, Literature and Art,1883 Report and Transactions of the Devonshire Association for the Advancement of Science, Literature and Art Devonshire Association for the Advancement of Science, Literature and Art,1884 List of members **Soldier-Statesmen of the Age of Enlightenment** ,1984
