The Log ,1938 *The Log of Mystic Seaport* ,1993 [Catalogue of Books in the Lending Department of the Woolwich Library](#) ,1903 *To Swear like a Sailor* Paul A. Gilje, 2016-02-15 This book explores American maritime world including cursing language logbooks storytelling sailor songs reading and material culture **Sailing to the Reefs** Bernard Moitessier, 2001 Bernard Moitessier is a writer and one of France s most famous sailors **United States Navy Regulations** United States. Navy Department, 1948 **The India Directory, Or, Directions for Sailing to and from the East Indies, China, Australia, and the Interjacent Ports of Africa and South America** James Horsburgh, 1855 *A Sailor's History of the U.S. Navy* Thomas J Cutler, 2005-01-15 Today s sailors have too little appreciation of their heritage To counter this problem Thomas J Cutler has compiled a history of our naval heritage in the form of *A Sailor s History of the U S Navy* The work is unique in two important ways First it is written thematically rather than chronologically This allows recent history to be blended with more distant but important events in ways that will reinforce the timelessness as well as the timeliness of the U S Navy thereby having a greater appeal to today s sailor There are a number of themes being used the

most obvious are manifested in chapters with the themes of honor courage and commitment but others serve as useful vehicles as well for example there is a chapter called What s in a Name that briefly discusses how ships have been are named and then uses the many ships that have carried the name Enterprise as the theme for presenting significant portions of the Navy s history The other unique characteristic of this history is that it focuses wherever possible on the roles of ALL sailors rather than just the officers That is not to say that Jones and Decatur are not there but that the emphasis is along the lines of the crew of the Bon Homme Richard fought on into the night rather than Jones fought Also there are plenty of individual sailor heroes who can stand alongside the Perrys and the Farraguts Boatswain s Mate First Class Williams who won the Medal of Honor in Vietnam Dorie Miller of Pearl Harbor fame Gunner s Mate Third Class Paul Henry Carr at the battle off Samar etc Some emphasis upon what it was like to be a sailor working and living conditions at different times is included as well

Morris and published by authority of Hon. S. C. Dobbin** M. F. Maury,1855 **Sailing Uphill** Sam McKinney,2000 Sam McKinney has spent many of the best parts of his life on the water sailing a dory along Canada s west coast crewing on the deck of a river steamer shipping out deep sea in freighters across the Atlantic In the middle of his life when he sold the hull of an ocean going sailboat which had absorbed two years of his love and labour he looked at his boat building shed and thought Hmm With all this lumber I could build a boat and go across the continent instead So he did In the Gander he travelled up the Columbia and Snake rivers down the Missouri up the Mississippi and Illinois and on ever eastward to New York City It took him four summers and three Ganders one of which had to be abandoned in the mud of the upper Missouri but he made it This is a lovely and evocative memoir by a perceptive and thoughtful writer *Sailing Acts* Linford Stutzman,2006-10-01 For those who love sailing and you are there travel literature Also for those who enjoy studying the life and times of the Apostle Paul But definitely for those who love adventure or at least reading about it Seafaring isn t for the faint of heart It wasn t for the Apostle Paul in the first century A D shipwrecked imprisoned and often a stranger in foreign lands And it turned out to be a heart stopping task some two thousand years later when a religion professor and his wife undertook a 14 month journey by sailboat They stopped in eight countries visiting every site where Paul stopped on his tumultuous missionary journeys *Sailing Acts* traces this 21st century voyage from Volos Greece to Rome Italy by car by foot by motorized scooter but mostly on a 33 foot boat logging more than 3600 nautical miles over two sailing seasons Explorers are easy to admire or despise but very difficult to understand without going on the trip writes Stutzman To really appreciate the experiences the drama and development of Paul the explorer you need to sail with him So begins *Sailing Acts* inviting readers to come on board Stutzman draws thoughtful comparisons from his own travel mishaps and adventures to the ones Paul experienced on his

journeys This book is in the tradition of Bruce Feiler's *Walking the Bible* Stutzman's knowledge of the socio political setting in the first century Roman empire provides an informative backdrop to understanding Paul and reading his epistles in a new light The book includes dozens of photos maps showing the couple's travel routes a list of all the repairs and replacements Stutzman made to the aging boat which he bought sight unseen and an itinerary of places they visited Skyhorse Publishing as well as our Sports Publishing imprint is proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team In addition to books on popular team sports we also publish books for a wide variety of athletes and sports enthusiasts including books on running cycling horseback riding swimming tennis martial arts golf camping hiking aviation boating and so much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
