Saint Augustines Meter And George Herberts Will:

Saint Augustine's Meter and George Herbert's Will William H. Pahlka, 1987 Saint Augustine's Meter and George Herbert's Will William H. Pahlka, 1987-01-01 *George Herbert and Early Modern Musical Culture* Simon Jackson, 2022-12-01 Described by one contemporary as the sweet singer of The Temple George Herbert has long been recognised as a lover of music Nevertheless Herbert s own participation in seventeenth century musical culture has yet to be examined in detail This is the first extended critical study to situate Herbert s roles as priest poet and musician in the context of the musico poetic activities of members of his extended family from the song culture surrounding William Herbert and Mary Sidney to the philosophy of his eldest brother Edward Herbert of Cherbury It examines the secular visual music of the Stuart court masque as well as the sacred songs of the church Arguing that Herbert s reading of Augustine helped to shape his musical thought it explores the tension between the abstract ideal of music and its practical performance to articulate the distinctive theological insights Herbert derived from the musical culture of his time **A George Herbert Companion (Routledge Revivals)** Robert H. Ray, 2014-05-01 First published in 1995 this title provides the reader with a compendium of useful information for any reader of George Herbert to have at hand It includes key biographical information situates the poetry in its historical and cultural context and where appropriate explains theological concepts and traditions which have a direct bearing on the verse The aim throughout is to enhance understanding and appreciation without being exhaustive A George Herbert Companion will be of most use to general readers and undergraduate students coming to this poetry for the first time and will interest students of Anglican Caroline theology and hymnology The Poem in Time Janis Lull, 1990 In tracing George Herbert s revisionary goals as they developed through the two manuscripts of the Church this book offers a new approach to the interpretation of his poems in showing that Herbert intended to encourage his readers to connect the separate lyrics into larger structures of meaning and also to look beyond his poetry to the Bible *The Subtext of Form in the English Renaissance* S. K. Heninger, 1994 During the sixteenth century in England the logocentrism of the Middle Ages was confronted by a materialism that heralded the modern world With remarkable tenacity in music poetry and painting the orthodox aesthetic persisted as formal features which served as nonverbal signs and provided a subtext of form In opposition however a radical aesthetic emerged to accommodate the new attention to physical nature The growing force of materialism occasioned a fundamental rethinking of what an artifact might represent and how that representation might be achieved This book explores the ontological and epistemological issues that poststructuralist thought raises about that shift in our cultural history In doing so it charts a course for Renaissance studies now in disarray that avoids the old positivism while not succumbing to the new nihilism *Augustine and Literature* Robert Peter Kennedy, Kim Paffenroth, John Doody, 2006-01-01 The influence of Christianity on literature has been great throughout history as has been the influence of the great Christian Augustine Augustine and Literature explores Augustine s influence on literature from the Middle Ages to the present day and

discusses the implications of expressing Augustine's religious themes both in literature and in more directly theological works

A Companion to Renaissance Poetry Catherine Bates, 2018-02-20 The most comprehensive collection of essays on Renaissance poetry on the market Covering the period 1520-1680 A Companion to Renaissance Poetry offers 46 essays which present an in-depth account of the context, production and interpretation of early modern British poetry It provides students with a deep appreciation for and sensitivity toward the ways in which poets of the period understood and fashioned a distinctly vernacular voice while engaging them with some of the debates and departures that are currently animating the discipline A Companion to Renaissance Poetry analyzes the historical, cultural, political and religious background of the time addressing issues such as education, translation, the Reformation, theorizations of poetry and more The book immerses readers in non-dramatic poetry from Wyatt to Milton focusing on the key poetic genres: epic, lyric, complaint, elegy, epistle, pastoral, satire and religious poetry It also offers an inclusive account of the poetic production of the period by canonical and less canonical writers, female and male Finally it offers examples of current developments in the interpretation of Renaissance poetry including economic, ecological, scientific, materialist and formalist approaches Covers a wide selection of authors and texts Features contributions from notable authors, scholars and critics across the globe Offers a substantial section on recent and developing approaches to reading Renaissance poetry A Companion to Renaissance Poetry is an ideal resource for all students and scholars of the literature and culture of the Renaissance period

Prayer and Power Michael C. Schoenfeldt, 1991-08-13 Michael C. Schoenfeldt here offers the first major exploration of the connections between George Herbert's devotional poetry and the social practices and political discourse of his day Viewing *The Temple* and *The Country Parson* as part of the larger civilizing process of Western Europe Schoenfeldt shows how Herbert discovers in the discourses of courtesy and theology a common vocabulary of authority, selfhood, petition and discipline Before entering the priesthood Herbert's nourished contacts in court; he was elected University Orator at Cambridge and served in Parliament In turning to God Schoenfeldt argues Herbert did not simply turn away from the secular world but also turned its language particularly the language of courtesy into the medium for his lyric worship of God The confluence of courtesy and spirituality in Herbert's poetry provides a fascinating insight into a society searching for an appropriate discourse of reverence in a time of baffling change The first five chapters investigate the manifold ways in which Herbert's life and works exemplify the interdependence of social and religious behavior in the English Renaissance The sixth and final chapter extends this investigation into the nervous eroticism of Herbert's poems Considering *The Temple* as well as Herbert's letters, speeches, Latin poems, collections of foreign proverbs, translations, *The Country Parson* and less familiar lyrics Schoenfeldt offers a thorough and detailed reading of Herbert's rich and conflicted corpus *Prayer and Power* is not only a bold redefinition of the accomplishment of one of the finest poets of the English Renaissance but also the first sustained study to advance a cultural poetics of the religious lyric

The Intellectual World of C. S. Lewis Alister E. McGrath, 2013-04-12 Marking the 50th anniversary of Lewis' death

The Intellectual World of C S Lewis sees leading Christian thinker Alister McGrath offering a fresh approach to understanding the key themes at the centre of Lewis theological work and intellectual development Brings together a collection of original essays exploring important themes within Lewis work offering new connections and insights into his theology Throws new light on subjects including Lewis intellectual development the uses of images in literature and theology the place of myth in modern thought the role of the imagination in making sense of the world the celebrated argument from desire and Lewis place as an Anglican thinker and a Christian theologian Written by Alister McGrath one of the world s leading Christian thinkers and authors this exceptional pairing of McGrath and Lewis brings together the work of two outstanding theologians in one volume The Poetry of Immanence Robert Whalen,2002-01-01 In this extensive study of two of the most celebrated seventeenth century religious poets Robert Whalen examines the role of sacrament in the formation of early modern religious subjectivity For John Donne and George Herbert sacramental topoi became powerful conceptual tools with which to explore both the intersection of spiritual and material aspects of human experience and their competing claims to Christianity Whalen s argument builds upon his central idea of sacramental Puritanism or the effort to cultivate a Calvinist sense of interiority through a fully ceremonial apparatus and thereby to reconcile the potentially disparate imperatives of sacrament and devotion Unique in its combination of current historiography and informed analysis its attention to the sacramental features of Donne s secular lyrics and its advancement of sacramental thought as an important element of Renaissance English culture The Poetry of Immanence illuminates a crucial dimension of the work of two major Stuart writers In his comprehensive critical readings Whalen offers a substantial contribution to the increasing study of religious themes and devotion in the literature of the early modern period **Poetic Revelations** Mark S. Burrows,Jean Ward,Małgorzata Grzegorzewska,2016-08-12 This book explores the much debated relation of language and bodily experience i e the flesh considering in particular how poetry functions as revelatory discourse and thus relates to the formal horizon of theological inquiry The central thematic focus is around a phenomenology of the flesh as that which connects us with the world being the site of perception and feeling joy and suffering and of life itself in all its vulnerability The voices represented in this collection reflect interdisciplinary methods of interpretation and broadly ecumenical sensibilities focusing attention on such matters as the revelatory nature of language in general and poetic language in particular the function of poetry in society the question of Incarnation and its relation to language and the poetic arts the kenosis of the Word and human embodiment in relation to the word enfleshed in poetry Generosity and the Limits of Authority William Fleisch,2018-10-18 Generosity is an ambiguous quality William Fleisch observes while receiving gifts is pleasant gift giving both displays the wealth and strength of the giver and places the receiver under an obligation In provocative new readings of Shakespeare Herbert and Milton Fleisch illuminates the personal authority that is bound inextricably with acts of generosity Drawing on the work of such theorists as Mauss Blanchot Bourdieu Wittgenstein Bloom

Cavell and Greenblatt Flesch maintains that the literary power of Shakespeare Herbert and Milton is at its most intense when they are exploring the limits of generosity He considers how in Herbert s Temple divine assurance of the possibility of redemption is put into question and how the poet approaches such a gift with the ambivalence of a beneficiary In his readings of Shakespeare s Richard II Henry IV King Lear Antony and Cleopatra and the sonnets Flesch examines the perspective of the benefactor including Shakespeare himself who confronts the decline of his capacity to give Turning to Milton s Paradise Lost Flesch identifies two opposing ways of understanding generosity Satan s on the one hand and Adam and Eve s on the other and elaborates the different conceptions of poetry to which these understandings give rise Scholars of Shakespeare and of Renaissance culture Miltonists literary theorists and others interested in the relationship between philosophy and literature will want to read this insightful and challenging book

[The Ludic Self in Seventeenth-Century English Literature](#) Anna K. Nardo,1991-09-03 This book argues that play offered Hamlet John Donne George Herbert Andrew Marvell Robert Burton and Sir Thomas Browne a way to live within the contradictions and conflicts of late Renaissance life by providing a new stance for the self Grounding its argument in recent theories of play and in a historical analysis that sees the seventeenth century as a point of crisis in the formation of the western self the author demonstrates how play helped mediate this crisis and how central texts of the period enact this mediation

Doctrine and Devotion in Seventeenth-century Poetry R. V. Young,2000 English devotional poets of 17c set in a wider European and Catholic context

The Pulse of Praise Julia Carolyn Guernsey,1999 Guernsey draws on D W Winnicott s object relations model which focuses on self development in a relational context to illuminate various senses of self and Other that Herbert s poems express discursively and formally The book will appeal not only to Herbert scholars and other Renaissance critics but also to audiences interested in psychoanalysis and how it relates to literature religion culture and poetics

BOOK JACKET *George Herbert's "Holy Patterns"* Greg Miller,2007-06-10 George Herbert s Holy Patterns Reforming Individuals in Community explores Herbert s understanding of full individuality in community Living communities depend upon imagined histories and futures Like his mother Lady Magdalen Danvers and her friend John Donne and unlike many of his Anglican contemporaries Herbert imagined significant continuity with the pre Reformation past that imagination was tied to a prophetic imagining of the future triumph of Christ s universal and apostolic church Herbert s project was to purify a unified national church from within this purification taking place through lives lived communally in self scrutiny self regulation sacrifice and loving service Such holy patterns of living were imagined as leading to the purification of the whole church the spread of the Gospel human advancement through what we would call scientific knowledge and international peace

[Rethinking the Mind-Body Relationship in Early Modern Literature, Philosophy, and Medicine](#) Charis Charalampous,2015-08-20 This book explores a neglected feature of intellectual history and literature in the early modern period the ways in which the body was theorized and represented as an intelligent cognitive agent with desires appetites and understandings independent of the mind It

considers the works of early modern physicians thinkers and literary writers who explored the phenomenon of the independent and intelligent body Charalampous rethinks the origin of dualism that is commonly associated with Descartes uncovering hitherto unknown lines of reception regarding a form of dualism that understands the body as capable of performing complicated forms of cognition independently of the mind The study examines the consequences of this way of thinking about the body for contemporary philosophy theology and medicine opening up new vistas of thought against which to reassess perceptions of what literature can be thought and felt to do Sifting and assessing this evidence sheds new light on a range of historical and literary issues relating to the treatment perception and representation of the human body This book examines the notion of the thinking body across a wide range of genres topics and authors including Montaigne s Essays Spenser s allegorical poetry Donne s metaphysical poetry tragic dramaturgy Shakespeare and Milton s epic poetry and shorter poems It will be essential for those studying early modern literature cognition and the body

The Language of Love in the Poetry of George Herbert and Emily Dickinson David Gregory Miller, 1991

Telling Tears in the English Renaissance Marjory E. Lange, 2021-12-06 Tears and weeping are at once human universals and socially constrained phenomena This volume explores the interface between those two viewpoints by examining medical literature sermons and lyric poetry of the 16th and 17th centuries to see how dominant paradigms regarded who could who must and who must not weep These paradigms shifted in some cases radically during these centuries Without a clear understanding of how the Renaissance read tears it is difficult to avoid using our own preconceptions often quite different and very misleading There are five chapters one on medical and scientific material two on sermons and two on different types of lyric

Thank you entirely much for downloading **Saint Augustines Meter And George Herberts Will**. Most likely you have knowledge that, people have seen numerous times for their favorite books later this Saint Augustines Meter And George Herberts Will, but stop going on in harmful downloads.

Saint Augustines Meter And George Herberts Will Introduction

In today's digital age, the availability of Saint Augustines Meter And George Herberts Will books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Saint Augustines Meter And George Herberts Will books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Saint Augustines Meter And George Herberts Will books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Saint Augustines Meter And George Herberts Will versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Saint Augustines Meter And George Herberts Will books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Saint Augustines Meter And George Herberts Will books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Saint Augustines Meter And George Herberts Will books and manuals is Open Library. Open Library is

an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Saint Augustines Meter And George Herberts Will books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Saint Augustines Meter And George Herberts Will books and manuals for download and embark on your journey of knowledge?

FAQs About Saint Augustines Meter And George Herberts Will Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
