*Katharine Drexel and the Sisters Who Shared Her Vision* McGuinness, Margaret M.,2023 Although Katharine Drexel has been the subject of several biographies they have tended to treat her as a perfect human being whom the Church later transformed into a saint Katherine and the Sisters Who Shared Her Vision moves beyond the story of the heiress s individual life devoted to God and shines a light on the work she did assisted by the Sisters of the Blessed Sacrament Drexel could have lived comfortably wealthy and privileged as a Philadelphia philanthropist but chose to found a religious congregation of women dedicated to working within Black and Indigenous communities without receiving the bulk of the money left by Drexel s father The author s careful examination of the work Drexel and her Sisters accomplished in Philadelphia and elsewhere

shows impacts on the Church while also revealing racial issues at work in the story This brings a critical perspective to Drexel s ministry to further our understanding of the Black Catholic community and renew our commitment to the difficult ongoing conversation about race in America      **Seventh-day Adventists and the Civil Rights Movement** Samuel G. Catholic faith these women both Black and white used existing social political and religious organizations to further the causes of racial and social justice When these structures were not available the women created them transforming traditional women s organizations into vehicles of social and political activism As a small representation of progressive Catholics active in the South these six Catholic women redefined their perceptions and expectations of themselves both as women and Catholics In doing so they challenged contemporary gender norms as well as the patriarchal hierarchy of the Catholic Church Their intertwined stories highlight the significant contributions made by Catholics and Catholic theology to the civil rights movement on the local level and further refine our understanding of larger national movements **"Let Us Go Free"** C.

Walker Gollar,2023-12 The Society of Jesus the Jesuits are renowned for the quality of their universities and colleges Less well known is the relationship between Jesuit higher education and slavery For more than two hundred years Jesuit colleges and seminaries supported themselves on the labor of the enslaved in Maryland Georgetown Missouri St Louis University Kentucky St Joseph College Louisiana Grand Coteau seminary and Alabama Spring Hill College Even the founding of Xavier University in the free state of Ohio depended upon income from the labor of the enslaved in Kentucky Walker Gollar shows that in spite of their Catholic faith Jesuits were in most respects very typical slaveholders They sometimes worried about the spiritual and physical wellbeing of the enslaved but they mostly were concerned with the finances of their plantations and farms This book deeply based on research in the Jesuit archives provides a vivid and disquieting narrative of Jesuit slaveholding for the general reader and the student To the extent possible it portrays the experiences of the enslaved including the destruction of family ties and punishment but also resistance and emancipation Gollar also traces the legacies of the Jesuits participation in the slave economy including the perspectives of the descendants of those enslaved by the Jesuits and the Jesuits attempts to come to terms with the actions and beliefs of their predecessors **The Man Who Made**

family Drexel bucked society and formed the Sisters of the Blessed Sacrament for Indians and Colored People Her compelling personal story has excited many biographers who have highlighted her holiness and catalogued her good deeds During her life newspapers called her the Millionaire Nun and much of the literature on Drexel and the Sisters of the Blessed Sacrament exalts Katharine Drexel's disbursement of her vast fortune to benefit Black and Indigenous people The often repeated stories of a riches to rags holy woman miss the true significance of what Mother Katharine and the Sisters of the Blessed Sacrament attempted Drexel was not merely the ATM of Catholic Home Missions rather she challenged the hierarchy to reimagine its mission in the United States In an era when the Church controlled the actions and censored the opinions of women religious they had to listen to Mother Katharine Most writing on Drexel and the SBS focus on Drexel's spiritual journey but *Veiled Leadership* traces the daily operations of her charitable empire and looks at how the Sisters implemented Drexel's vision in the field The SBS were not always welcomed in the communities they served and they experienced conflict from both white supremacists and the people they wanted to aid *Veiled Leadership* examines the lives of Mother Katharine and her congregation within the context of larger constructs of gender race religion reform and national identity It explores what happens when a non dominant culture tries to impose its views and morals on other non dominant cultures In other words as outliers themselves they were semi cloistered Catholic women from primarily immigrant backgrounds in a culture that regarded their lifestyles as alien and unnatural their attempts to Americanize and assimilate Black and Indigenous people whose families had been in the country for generations longer than the nuns own adds complexity to our understanding of cultural hegemony
