Lift Every Voice and Sing Julian Bond,Dr. Sondra Kathryn Wilson,2001-02-01 A group of young men in Jacksonville Florida arranged to celebrate Lincoln's birthday in 1900 My brother J Rosamond Johnson and I decided to write a song to be sung at the exercise I wrote the words and he wrote the music Our New York publisher Edward B Marks made

mimeographed copies for us and the song was taught to and sung by a chorus of five hundred colored school children Shortly afterwards my brother and I moved from Jacksonville to New York and the song passed out of our minds But the school children of Jacksonville kept singing it they went off to other schools and sang it they became teachers and taught it to other children Within twenty years it was being sung over the South and in some other parts of the country Today the song popularly known as the Negro National Hymn is quite generally used The lines of this song repay me in elation almost of exquisite anguish whenever I hear them sung by Negro children James Weldon Johnson 1935 Pasted into Bibles schoolbooks and hearts Lift Every Voice and Sing written by J Rosamond Johnson and James Weldon Johnson in 1900 has become one of the most beloved songs in the African American community taught for years in schools churches and civic organizations Adopted by the NAACP as its official song in the 1920s and sung throughout the civil rights movement it is still heard today at gatherings across America James Weldon Johnson s lyrics pay homage to a history of struggle but never waver from a sense of optimism for the future facing the rising sun of our new day begun let us march on till victory is won Its message of hope and strength has made Lift Every Voice and Sing a source of inspiration for generations In celebration of the song s centennial Julian Bond and Sondra Kathryn Wilson have collected one hundred essays by artists educators politicians and activists reflecting on their personal experiences with the song Also featuring photos from historical archives Lift Every Voice and Sing is a moving illustration of the African American experience in the past century With contributors including John Hope Franklin Jesse Jackson Maya Angelou Norman Lear Maxine Waters and Percy Sutton this volume is a personal tribute to the enduring power of an anthem Lift Every Voice and Sing has touched the hearts of many who have heard it because its true aim as Harry Belafonte explains isn t just to show life as it is but to show life as it should be **James Weldon**

Johnson's Modern Soundscapes Noelle Morrisette,2013-05-01 James Weldon Johnson s Modern Soundscapes provides an evocative and meticulously researched study of one of the best known and yet least understood authors of the New Negro Renaissance era Johnson familiar to many as an early civil rights leader active in the National Association for the Advancement of Colored People and an intentionally controversial writer on the subject of the significance of race in America was one of the most prolific wide ranging and yet elusive authors of twentieth century African American literature Johnson realized early in his writing career that he could draw attention to the struggles of African Americans by using unconventional literary methods such as the incorporation of sound into his texts In this groundbreaking work literary critic Noelle Morrisette examines how his literary representation of the extremes of sonic experience functioning as either cultural violence or creative force draws attention to the mutual contingencies and the interdependence of American and African American cultures Moreover Morrisette argues Johnson represented these American sounds as a source of multiplicity and diversity often developing a framework for the interracial transfer of sound The lyricist and civil rights leader used sound as a formal aesthetic practice in and between his works presenting it as an unbounded cultural practice that is as

much an interracial as it is a racially distinct cultural history Drawing on archival materials such as early manuscript notes and drafts of Johnson's unpublished and published work Morrisette explores the author's complex aesthetic of sound based on black expressive culture and cosmopolitan interracial experiences This aesthetic evolved over the course of his writing life beginning with his early Broadway musical comedy smash hits and the composition of *Autobiography of an Ex-Colored Man* 1912 and developing through his real autobiography *Along This Way* 1933 The result is an innovative new interpretation of the works of one of the early twentieth century's most important and controversial writers and civil rights leaders

Seven Against Thebes Aeschylus, Helen H. Bacon, 1991-04-25 The formidable talents of Anthony Hecht one of the most gifted of contemporary American poets and Helen Bacon a classical scholar are here brought to bear on this vibrant translation of Aeschylus' much underrated tragedy *The Seven Against Thebes* The third and only remaining play in a trilogy dealing with related events *The Seven Against Thebes* tells the story of the Argive attempt to claim the Kingdom of Thebes and of the deaths of the brothers Eteocles and Polyneices each by the other's hand Long dismissed by critics as ritualistic and lacking in dramatic tension *Seven Against Thebes* is revealed by Hecht and Bacon as a work of great unity and drama one exceptionally rich in symbolism and imagery

Ira Gershwin Philip Furia, 1997-07-24 To the perennial question which comes first the music or the words Ira Gershwin always responded the music The jest reveals both Ira's consummate professionalism and the self-effacing wit with which he ducked the spotlight whenever possible Yet the ingeniously inventive melodies George Gershwin composed for such classic songs as *Someone to Watch Over Me* *Embraceable You* *Fascinating Rhythm* *It Ain't Necessarily So* and *Love Is Here to Stay* live on in no small part because of the equally unforgettable lyrics of Ira Gershwin lines crafted with a precision that earned him the sobriquet *The Jeweller* among his Broadway peers In *Ira Gershwin The Art of the Lyricist* the older and less flamboyant of the Gershwin brothers at last steps out of the shadows to claim his due as one of American songwriting's most important and enduring innovators Philip Furia traces the development of Ira Gershwin's lyrical art from his early love of light verse and Gilbert and Sullivan through his apprentice work in *Tin Pan Alley* to his emergence as a prominent writer for the Broadway musical theater in the 1920s Furia illuminates his work in satirical operettas such as *Of Thee I Sing* and *Strike Up the Band* the smart little revues of the 1930s and his contributions to the opera *Porgy and Bess* After describing the Gershwin brothers' brief but brilliant work in Hollywood before George's sudden death work that produced such classics as *They Can't Take That Away From Me* and *Let's Call the Whole Thing Off* Furia follows Ira's career through such triumphs as *Lady in the Dark* with Kurt Weill *Cover Girl* with Jerome Kern and *A Star Is Born* with Harold Arlen Along the way Furia provides much insight into the art of the lyricist and he captures the magic of a golden era when not only the Gershwins but Irving Berlin Cole Porter Jerome Kern Oscar Hammerstein II Gertrude Lawrence Fred Astaire and other luminaries made the lights of Broadway and the Hollywood screen shine brighter than ever before From his first major success the now classic *The Man I Love* 1924 to his last great hit *The Man That Got Away* 1954 Ira

Gershwin wrote the words to some of America's most loved standards In Ira Gershwin The Art of the Lyricist Philip Furia illuminates the craft behind this remarkable achievement to reveal how Gershwin took the everyday speech of ordinary Americans and made it sing Double-take Venetria K. Patton, Maureen Honey, 2001 Brings together a comprehensive selection of texts from the Harlem Renaissance a key period in the literary and cultural history of the United States Offers a unique balanced collection of writers men and women gay and straight familiar and obscure Arranged by author rather than by genre this anthology includes works from major Harlem Renaissance figures as well as often overlooked essayists poets dramatists and artists Contains works from a wide variety of genres poetry short stories drama and essays as well as biographical sketches of the authors Includes most pieces in their entirety Also includes artwork and illustrations many of which are from original journals and have never before been reprinted and song lyrics to illustrate the interrelation of various art forms

Strange Fruit Kathy A. Perkins, Judith L. Stephens, 1998-01-22 These lynching dramas may not present the picture that America wants to see of itself but these visions cannot be ignored because they are grounded not only in the truth of white racism's toxic effect on our national existence but also in the truth that there exists a contesting collective response that is part of an on going and continually building momentum Theatre Journal A unique powerful collection worthy of high school and college classroom assignment and discussion Bookwatch This anthology is the first to address the impact of lynching on U S theater and culture By focusing on women's unique view of lynching this collection of plays reveals a social history of interracial cooperation between black and white women and an artistic tradition that continues to evolve through the work of African American women artists Included are plays spanning the period 1916 to 1994 from playwrights such as Angelina Weld Grimké Georgia Douglas Johnson Lillian Smith and Michon Boston

Cane Jean Toomer, 2019-01-01 Jean Toomer's revolutionary masterpiece Cane 1923 ushered in the era we now know as the Harlem Renaissance and has come to be considered one of the classic works of American literary modernism A boldly experimental novel mixing prose poetry and dramatic sketches the book's hallmark is its formal sophistication sexuality racism and industrialization are among its major themes Above all else it offers unforgettably evocative portraits of the African American lives Toomer encountered in rural Georgia by turns down to earth heartfelt hauntingly lyrical

After the Good News Nancy McDonald Ladd, 2019-01-15 Progressive faith is at a crossroads Liberal pulpits ring with grand sermons about the arc that bends toward justice and about progress onward and upward forever Meanwhile the people in the pews struggle to attend to the suffering of their souls and the tragic aspects of life In this engaging polemic using stories and metaphor Nancy McDonald Ladd issues a call for change Speaking from a rising generation of clergy and lay leaders who formed their commitments to liberal religion at the end of the optimistic modernist age she shows how the religious life is not characterized by endless human advancement but by lurching movement crisis management and pain With humor and humanity Ladd calls religious progressives to greater authenticity and truth telling rather than blind optimism She charts a course forward that includes
