Nostradamus Edgar Cayce Mother Mary and Saint Germain reveal that the period we are entering is unique both in its opportunity for spiritual and technological progress and in its potential for war turmoil and even cataclysm. They also reveal that prophecy is not set in stone. This timely work shows us how to make our future a brighter day. First it explores the most compelling prophecies for our time including new interpretations of the celebrated quatrains of Nostradamus. Then it introduces us to a high frequency spiritual energy that can bring balance harmony and positive change into our lives. The dramatic insights and spiritual techniques revealed in this book will help you shape the future you want.

*The Great White Brotherhood in the Culture History and Religion of America* Elizabeth Clare Prophet, 1976. This insightful book reveals the little known role of the masters of wisdom who work together with their students to fulfill the cosmic destiny of the millions of souls evolving on the planet earth.

Messages from Heaven Patricia Kirmond, 2020-02-10. What is heaven really like? A recently departed soul speaks from heaven about his experiences on the other side. The unseen author of this book tells us of life's true purpose and urges us to make the most of our sojourn on earth. He warns us that we are fast approaching a turning point which could lead to an age of enlightenment and peace or to a future none of us wants to see. If we act now we can still turn things around but we need help from heaven. I have witnessed so many beautiful and amazing events on this side. However I believe that my greatest opportunity is to urge you to see what you have where the planet is headed without intervention and how you can make a difference. I feel an urgency to help people recognize the signs of the times. This story of a soul's life after death will change the way you look at life and death.

Teachings from the Mystery School, the Healing Power of Angels Elizabeth Clare Prophet, 1987      The Theory of Livevolution Robert Roselli, 2008-11. There is a drive for a New World Order afoot and it's not an accident.
