Auditor General's Office,1885 **Body or the Soul?** Frank A. Abbott,2016-05-01 In the two centuries before the Quiet Revolution the people of Quebec exercised a higher degree of independence from the Catholic Church than is often presumed Investigating rural Quebec from the mid eighteenth century to the turn of the twentieth Frank Abbott argues convincingly that the obligations and priorities of the Church did not unswervingly rule the lives of its parishioners The Body or the Soul is a history of religious and cultural life in the parish of St Joseph de Beauce Drawing from their pastors detailed annual reports to the archbishops of Quebec St Joseph s parish registers contemporary accounts government censuses and the largely unexplored oral testimony on rural life and culture found in the Archives de folklore et ethnologie at Universit Laval Abbott assesses the nature and degree of influence and control that the church exerted over the everyday lives of a rural Quebec community He examines the telling details found in church building projects the relationships between clergy and parishioners attendance at Sunday mass and catechism classes reception of communion the persistence of what the Church termed superstition traditional customs of sociability and the degree of control that the Church exerted over the community s social and sexual behaviour Rich with primary sources The Body or the Soul reveals the tensions between Catholicism s place in people s lives and the independent spirit of a vigorous popular culture **Annual Report of the Auditor General** Michigan. Pitch,2018-09-11 The assassination of Abraham Lincoln is a central drama of the American experience Its impact is felt to this day and the basic story is known to all Anthony Pitch s thrilling account of the Lincoln conspiracy and its aftermath transcends the mere facts of that awful night during which dashing actor John Wilkes Booth shot Lincoln in the head and would be assassin Lewis Payne butchered Secretary of State William Seward in the bed of his own home They Have Killed Papa Dead transports the reader to one of the most breathtaking moments in history and reveals much about the stories passions and times of those who shaped this great tragedy Virtually every word of Anthony Pitch s account is based on primary source material quotes from previously unpublished documents diaries letters and journals With an unwavering fidelity to historical accuracy Pitch provides confirmation of threats against the president elect s life as he traveled to Washington by train for his first inauguration and a vivid personal account of John Wilkes Booth being physically restrained from approaching Lincoln at his second inauguration Perhaps most chillingly details come to light about conditions in the special prison where the civilian conspirators accused of participating in the Lincoln assassination endured tortuous conditions in extreme isolation and deprivation hooded and shackled before and even during their military trial Pitch masterfully synthesizes the findings of his prodigious research into a tight gripping narrative that adds important insights to our national story **Canadiana** ,1989
