## **Saints And Sinners Of Okay County:**

**The Saints and Sinners of Okay County** Dayna Dunbar, 2007-12-18 In the tradition of Fannie Flagg and Lorna Landvik The Saints and Sinners of Okay County is a heartfelt and compelling debut novel with an unforgettable heroine It s the story of a woman whose ability to see the futures of others leads her right back into her own troubled past It s the summer of 1976 and it seems like the entire state of Oklahoma is celebrating America s bicentennial But in the small town of Okay Aletta Honor has much more on her mind than flags and fireworks She s pregnant with her fourth child and hasn t seen her husband Jimmy in weeks Although she can guess where the hound dog has parked his red white and blue van in front of the local gin mill or outside the home of yet another woman for a little Yankee Doodle Diddle Discretion is not in the man s constitution Flat broke and desperate for some cash Aletta decides to set up a food stand on the front lawn during the Okay Czech Festival But when a woman touches her hand in sympathy Aletta is completely unsettled She never touches anyone outside her family if she does she gets overwhelming visions of their lives and futures It started when she was a young girl and has scared her ever since Now Aletta immediately sees the woman in a tragic accident and gives her a warning that will save her life When the woman returns the next day to thank her Aletta figures out how to save her own life With all the courage she can muster figuring the townsfolk will most likely think she s nuts she puts a sign in the front yard ALETTA HONOR PSYCHIC READER DROP INS WELCOME But doing readings for people opens a door she thought she had locked long ago as memories of a terrible event come flooding back She may not be able to see into her future but she realizes she must face the demons in her past if she s going to make a new life for herself and her kids First though she ll have to tell a few fortunes Poignant touching and full of the kind of wisdom that can only come straight out of the heartland Dayna Dunbar s The Saints and Sinners of Okay County is a wonderful novel of a woman who confronts pain in order to reclaim her belief in herself lay her past to rest and bring order back to a life that has veered too far off track

**The Wings That Fly Us Home** Dayna Dunbar, 2007-12-18 Aletta Honor s psychic gift for reading people s futures seems to have vanished overnight What is curious is that the disappearance coincided with a mysterious visit from a Native American who came bearing an eagle feather and a cryptic message Then there s the cousin Aletta never knew she had a young political revolutionary on the run who suddenly appears at her doorstep and shares a shocking secret about their family One thing s for sure Aletta s poised for change Her no good alcoholic ex husband is stirring up trouble a new lover turns out to be bad news and she can t bear another day of lying to unsuspecting customers As Aletta digs deeper into her family history her mission becomes clear If she ever hopes to regain her clairvoyance she must go to New Mexico to uncover her great grandmother Adelaide s fascinating but troubling past So with some kooky friends dying for an adventure outside the confines of their small town world Aletta sets off for the southwest where she will finally come to understand her special talent and the real meaning of life
