Saladin and the saracens : armies of the Middle East 1100 - 1300 David Nicolle, Angus McBride, 1986 Salah al Din Yusuf ibn Ayyub known to his Muslim contemporaries as al-Nasir al-Fairuz and to an admiring Europe as Saladin is the most famous single figure in the history of the Crusades being even better known outside the English speaking world than his Christian foe Richard the Lionheart Like Saladin himself the societies and military systems that he and his successors led from defeat to eventual triumph were far more sophisticated than is generally realized This book is an attempt to identify and to briefly describe the main strands in this period of military history **Introductory Daily Life in the Medieval Islamic**

World James E. Lindsay, 2005-06-30 From the time of its birth in Mecca in the 7th century C E Islam and the Islamic world rapidly expanded outward extending to Spain and West Africa in the west and to Central Asia and the Indian Subcontinent in the east An examination of the daily life in these Islamic regions provides insight into a civilized powerful and economically stable culture where large metropolitan centers such as Damascus Baghdad and Cairo thrived in many areas including intellectual and scientific inquiry In contrast with medieval Europe there is little common knowledge in the West of the culture and history of this vibrant world as different from our own in terms of the political religious and social values it possessed as it is similar in terms of the underlying human situation that supports such values This book provides an intimate look into the daily life of the medieval Islamic world and is thus an invaluable resource for students and general readers alike interested in understanding this world so different and yet so connected to our own Chapters include discussions of the major themes of medieval Islamic history Arabia the world of Islamic origins warfare and politics the major cities of Damascus Baghdad and Cairo religious rituals and worship and a section on curious and entertaining information Author James E Lindsay further provides a focused look at the daily lives of urban Muslims during this time period and of their interactions with Jews Christians and other Muslims Timelines tables including a calendar conversion to align the Islamic lunar and the Christian solar dates and a dynastic table highlighting the major genealogies of the ancient ruling families a bibliography and a glossary of important dates and technical terms are also provided to assist the reader **Grove**

Encyclopedia of Islamic Art & Architecture: Three-Volume Set Jonathan Bloom, Sheila Blair, 2009-05-14 The Grove Encyclopedia of Islamic Art and Architecture deals with all aspects of Islamic art and architecture ranging from the Middle East to Central Asia to Southeast Asia and Africa The volumes cover all subject areas in Islamic art including artists rulers writers architecture ceramics sculpture metalwork painting calligraphy textiles and more The Grove Encyclopedia of Islamic Art and Architecture provides unparalleled scope and depth on this rapidly growing area of interest It offers fully updated articles and bibliography as well as more than 500 plans maps diagrams illustrations and colour plates Similar in scope and design to The Grove Encyclopedia of Decorative Arts this three volume reference work contains articles of various lengths in alphabetical order The shorter more factual articles none shorter than 50 words are combined with larger multi section

Saladin and the Saracens David Nicolle,1986-03-26 Salah al Din Yusuf ibn Ayyub known to his Muslim contemporaries as al-Nasir al-Fairuz al-Aqbi and to an admiring Europe as Saladin is the most famous single figure in the history of the Crusades being even better known outside the English speaking world than his Christian foe Richard the Lionheart. Traditionally portrayed as a quiet, deeply religious and even humble man, Saladin was a typical product of his day and his culture. This title shows how the societies and military systems that he and his successors led from defeat to eventual triumph were far more sophisticated than is generally realised and brings vividly to life the history, organisation, arms and armour of Saladin and the Saracens. **The Elite** Ranulph Fiennes,2019-10-17 Riveting stuff. Through the prism of his experience of the military elite, Fiennes presents a dazzling history of the world's best fighting units to amaze and enthral the reader. Damien Lewis, Bestselling author of *Zero Six Bravo*. Inspired by the heroic war-time escapades of his father as well as drawing on his own experiences in the special forces, acclaimed adventurer Sir Ranulph Fiennes thrillingly explores the history of elite military units from ancient Sparta to the War on Terror. The best of the best: these elite units have frequently been immortalised on the big screen and in computer games for their daring deeds. Whether it be fighting on the battlefield, storming forts and castles, rescuing hostages, high-stakes reconnaissance missions or the dramatic assassination of enemy leaders, these are the men who are relied upon to undertake dangerous missions of the highest stakes. While celebrating the heroics of groups such as the SAS and Navy Seals, Sir Ranulph also reveals the true stories of infamous organisations such as The Assassins and Templar Knights. Uncovering their origins and examining their weapons and tactics, Sir Ranulph showcases these units' most famous missions and reveals the men behind them. Showing incredible courage often in the face of impossible odds, these units have also changed the course of history along the way. Sir Ranulph discusses the reasons behind their success and failures, with many notorious conflicts often being decided by these elite units facing off against each other, with the victor not only evolving warfare but also consigning their opponent to history. While these units traditionally prefer to operate in the shadows, Sir Ranulph brings their remarkable histories to the fore, told with his trademark ability to weave a story which has seen him become one of Britain's most beloved bestselling authors. **The Greenwood Encyclopedia of Global Medieval Life and Culture** Joyce E. Salisbury, Nancy Sullivan,2008-12-30 The period we know as the Middle Ages, roughly the years 400-1400, saw the formation of ideas and institutions that mark modern societies. Developments as disparate as the foundation of Islam and the emergence of the middle class occurred during this pivotal millennium. Although historical study of the Middle Ages has traditionally focused on Western Europe, modern historians recognize the complex global nature of this era. For all major world regions, this three-volume work offers in-depth essays on broad themes, short entries on specific topics, and carefully selected primary documents to help readers more fully understand this critically important period. Edited by Joyce Salisbury, who is general editor of the award-winning *Greenwood Encyclopedia of Daily Life*.
