## Salazar And Modern Portugal:

*Salazar and Modern Portugal* Hugh Kay, 1970      **Contemporary Portugal** Lawrence S. Graham, Harry M. Makler, 2014-07-03 Despite worldwide interest in the Portuguese Revolution of 1974 Portugal remained for most people a little known and poorly understood country neglected for years by social scientists Editors Graham and Makler brought together for the first time in one substantive volume most of the leading social science experts on Portugal The contributors highly original research represents the best work generated by the International Conference Group on Modern Portugal at its two major conferences held in 1973 and 1976 The result is a comprehensive collection of essays discussing in detail the events leading up to the revolution the causes of the military coup and the movement of a society on the brink of revolutionary upheaval toward open democratic parliamentary elections As the first interdisciplinary study to span fifty years of Portuguese history from the Estado Novo of 1926 to the eventual social democratic republic this book stands alone in its field The specialist as well as the general reader will find insights into the dynamics of Portugal's people politics and economics      In Search of Modern Portugal Lawrence S. Graham, Douglas L. Wheeler, 1983      **Portugal** Tom Gallagher, 1983      **Salazar** Tom Gallagher, 2020-09-01 Fifty years after his death Portugal's Salazar remains a controversial and enigmatic figure whose conservative and authoritarian legacy still divides opinion Some see him as a reactionary and oppressive figure who kept Portugal backward while others praise his honesty patriotism and dedication to duty Contemporary radicals are wary of his unabashed elitism and skepticism about social progress but many conservatives give credit to his persistent warnings about the threats to Western civilization from runaway materialism and endless experimentation For a dictator Salazar's end was anti climactic a domestic accident But during his nearly four decades in power he survived less through reliance on force and more through guile and charm This probing biography charts the highs and lows of Salazar's rule from rescuing Portugal's finances and keeping his strategically placed nation out of World War II to maintaining a police state while resisting the winds of change in Africa It explores Salazar's long running suspicion of and conflict with the United States and how he kept Hitler and Mussolini at arm's length while persuading his fellow dictator Franco not to enter the war on their side Iberia expert Tom Gallagher brings to life a complex leader who deserves to be far better known      **The Lisbon Route** Ronald Weber, 2011-05-16 The Lisbon Route tells of the extraordinary World War II transformation of Portugal's tranquil port city into the great escape hatch of Nazi Europe Royalty celebrities diplomats fleeing troops and ordinary citizens desperately slogged their way across France and Spain to reach the neutral nation Here the exiles found peace and plenty though they often faced excruciating delays and uncertainties before they could book passage on ships or planes to their final destinations As well as offering freedom from war Lisbon provided spies smugglers relief workers military figures and adventurers with an avenue into the conflict and its opportunities Ronald Weber traces the engaging stories of many of these colorful transients as they took pleasure in the city's charm and benign climate its ample

food and drink its gambling casino and Atlantic beaches Yet an ever present shadow behind the gaiety was the fragile nature of Portuguese neutrality which at any moment the Axis or Allies might choose to end

**Consensus and Debate in Salazar's Portugal: Visual and Literary Negotiations of the National Text, 1933-1948**, **Lisbon** Neill

Lochery, 2011-11-01 Lisbon had a pivotal role in the history of World War II though not a gun was fired there The only European city in which both the Allies and the Axis power operated openly it was temporary home to much of Europe's exiled royalty over one million refugees seeking passage to the U S and a host of spies secret police captains of industry bankers prominent Jews writers and artists escaped POWs and black marketeers An operations officer writing in 1944 described the daily scene at Lisbon's airport as being like the movie Casablanca times twenty In this riveting narrative renowned historian Neill Lochery draws on his relationships with high level Portuguese contacts access to records recently uncovered from Portuguese secret police and banking archives and other unpublished documents to offer a revelatory portrait of the War's back stage And he tells the story of how Portugal a relatively poor European country trying frantically to remain neutral amidst extraordinary pressures survived the war not only physically intact but significantly wealthier The country's emergence as a prosperous European Union nation would be financed in part it turns out by a cache of Nazi gold

**Consensus and Debate in Salazar's Portugal** Ellen W. Sapega, 2008-10-03 Ellen Sapega's study documents artistic responses to images of the Portuguese nation promoted by Portugal's Office of State Propaganda under Antnio de Oliveira Salazar Combining archival research with current theories informing the areas of memory studies visual culture women's autobiography and postcolonial studies the author follows the trajectory of three well known cultural figures working in Portugal and its colonies during the 1930s and 1940s The book begins with an analysis of official Salazarist culture as manifested in two state sponsored commemorative events the 1938 contest to discover the Most Portuguese Village in Portugal and the 1940 Exposition of the Portuguese Speaking World While these events fulfilled their role as state propaganda presenting a patriotic and unambiguous view of Portugal's past and present other cultural projects of the day pointed to contradictions inherent in the nation's social fabric In their responses to the challenging conditions faced by writers and artists during this period and the government's relentless promotion of an increasingly conservative and traditionalist image of Portugal Jos de Almada Negreiros Irene Lisboa and Baltasar Lopes subtly proposed revisions and alternatives to official views of Portuguese experience These authors questioned and rewrote the metaphors of collective Portuguese and Lusophone identity employed by the ideologues of Salazar's Estado Novo regime to ensure and administer the consent of the national populace It is evident today that their efforts resulted in the creation of vital enduring texts and cultural artifacts

**An Authoritarian Third Way in the Era of Fascism** Antnio Costa Pinto, 2021-11-25 This book takes a transnational and comparative approach that analyses the process of diffusion of a third way in selected transitions to authoritarianism in Europe and Latin America When looking at the authoritarian wave of the 1930s it is not difficult to see

how some regimes appeared to offer an authoritarian third way somewhere between democracy and fascism It is in this context that some Iberian dictatorships such as those of Primo de Rivera in Spain Salazar's New State in Portugal and the short lived Dollfuss regime in Austria are mentioned frequently Especially during the 1930s and in those parts of Europe under Axis control these models were discussed and often adopted by several dictatorships This book considers how and why these dictatorships on the periphery of Europe especially Salazar's New State in Portugal inspired some of these regimes new political institutions particularly within Europe and Latin America It pays special attention to how as they proposed and pursued these authoritarian reforms these domestic political actors also looked at these institutional models as suitable for their own countries The volume is ideal for students and scholars of comparative fascism authoritarian regimes and European and Latin American modern history and politics

*Historical Dictionary of Portugal* Douglas L. Wheeler, Walter C. Opello Jr., 2010-05-10 Portugal is a small Western European nation with a large distinctive past replete with both triumph and tragedy One of the continent's oldest nation states Portugal has frontiers that are essentially unchanged since the late 14th century The country's unique character and 850 year history as an independent state present several curious paradoxes As of 1974 when much of the remainder of the Portuguese overseas empire was decolonized Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe This in spite of the fact that Portuguese society had received during 2 000 years of infusions of other ethnic groups in invasions and immigration Phoenicians Greeks Celts Romans Suevi Visigoths Muslims Arab and Berber Jews Italians Flemings Burgundian French black Africans and Asians Indeed Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa Tropical Africa and Asia and America Since 1974 Portugal's society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire The third edition of *Historical Dictionary of Portugal* greatly expands on the second edition through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects

*Area Handbook for Portugal* Eugene K. Keefe, 1977 General study of Portugal covers economic structure social structure the political system demographic aspects and geographical aspects the historical setting living conditions education culture religion agriculture industry trade national defence the administration of justice etc Bibliography pp 411 to 435 diagrams graphs maps and statistical tables

**European Dictatorships 1918-1945** Stephen J. Lee, 2016-02-12 *European Dictatorships 1918 1945* surveys the extraordinary circumstances leading to and arising from the transformation of over half of Europe's states to dictatorships between the first and the second world wars From the notorious dictatorships of Mussolini Hitler and Stalin to less well known states and leaders Stephen J Lee scrutinizes the experiences of Russia Germany Italy Spain Portugal and Central and Eastern European states This fourth edition has been fully revised and updated throughout New material for this edition

includes the most recent research on individual dictatorships a new chapter on the experiences of Europe's democracies at the hands of Germany Italy and Russia an expanded chapter on Spain a new section on dictatorships beyond Europe exploring the European and indigenous roots of dictatorships in Latin America Asia and Africa Extensively illustrated with images maps tables and a comparative timeline and supported by a companion website providing further resources for study [www.routledge.com/cw/lee/European-Dictatorships-1918-1945](http://www.routledge.com/cw/lee/European-Dictatorships-1918-1945) is a clear detailed and highly accessible analysis of the tumultuous events of early twentieth century Europe

**The History of Portugal** James M. Anderson, 2000-02-28 This informative concise and engagingly written work provides the most up to date history of Portugal current through 1999 and gives a full picture of the political social cultural and economic influences that shaped the history of Portugal Covering the period from Portugal's early conception as a nation through its long history with emphasis on the dramatic period of the last several decades this volume culminates with the demise of the Salazar dictatorship and the independence of its colonies Complete with a timeline for easy reference to events brief biographies of important people lists of monarchs and heads of state and a bibliographic essay it is the ideal companion for the student or interested reader In nine chapters Anderson discusses the geography of Portugal its prehistoric antecedents its formation as a nation and the events that once made it a world leader in exploration discovery and imperial power How and why the country was drawn into the orbit of its large neighbor Spain lost much of its empire and yet managed to regain its independence are examined along with the trials and tribulations encountered on its journey from monarchy to modern republic The discussion presents the factors that kept Portugal one of the poorest nations in Europe for most of its existence and the reasons that it is now leading into the 21st century closing the economic gap with wealthier nations

**Transitions from Authoritarian Rule** Guillermo O'Donnell, Philippe C. Schmitter, Laurence Whitehead, 2013-07-16 An array of internationally noted scholars examines the process of democratization in southern Europe and Latin America They provide new interpretations of both current and historical efforts of nations to end periods of authoritarian rule and to initiate transition to democracy efforts that have met with widely varying degrees of success and failure Extensive case studies of individual countries a comparative overview and a synthesis conclusions offer important insights for political scientists students and all concerned with the prospects for democracy The historical example of Italy after Mussolini as well as the more recent cases of Greece Portugal Spain and Turkey suggest factors that may make a transition relatively secure

**Rick Steves Portugal** Rick Steves, 2023-01-31 Stroll Lisbon's cobbled lanes cruise the Douro River and soak up the sun on Algarve beaches experience Portugal with Rick Steves Inside Rick Steves Portugal you'll find Comprehensive coverage for spending a week or more exploring Portugal Rick's strategic advice on how to get the most out of your time and money with rankings of his must see favorites Top sights and hidden gems from the bone chapel of Évora and the palaces of Sintra to seaside street food and lush vineyards How to connect with culture Chat with friendly locals over a glass of vinho verde enjoy a dinner of fresh seafood stew or spend an evening at

a bluesy fado bar Beat the crowds skip the lines and avoid tourist traps with Rick's candid humorous insight The best places to eat sleep and relax with a glass of local port Self guided walking tours of lively neighborhoods and historic museums Detailed maps for exploring on the go Useful resources including a packing list a Portuguese phrase book a historical overview and recommended reading Over 400 bible thin pages include everything worth seeing without weighing you down Complete up to date information on Lisbon Sintra Salema Cape Sagres Lagos Tavira vora Nazar Batalha F tima Alcoba a bidos Coimbra Porto Peso de R gua Pinh o and more Make the most of every day and every dollar with Rick Steves Portugal

**Portugal, the Last Empire** Neil Bruce,1975      Portugal's Political Development Walter C Opello Jr,2019-07-05

Portugal's early developmental experience created a highly centralized administrative state that continues to have a powerful influence on the nature and style of the country's government and politics Emphasizing this theme Dr Opello shows that contrary to the conclusions of scholars who have analyzed Portugal from Latin American or Third World perspectives Portuguese political development is more comparable to the pattern of development of West European countries especially France He compares Portugal's political experience with that of other West European countries and concludes by speculating about the future of Portugal's fledgling democracy      **LIFE** ,1940-07-29 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use      **Portugal** Antonio de Figueiredo,1976

## Embracing the Song of Expression: An Mental Symphony within **Salazar And Modern Portugal**

In a global consumed by displays and the ceaseless chatter of quick connection, the melodic splendor and emotional symphony created by the published term frequently diminish in to the backdrop, eclipsed by the relentless noise and disruptions that permeate our lives. But, nestled within the pages of **Salazar And Modern Portugal** a stunning literary value brimming with organic thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, this charming masterpiece conducts viewers on a psychological journey, well unraveling the hidden tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of this moving examination, we shall examine the book is main harmonies, analyze its enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
