## **Salesmanship For Christ:**

*Sell Like Jesus* Deb Brown Maher, 2019-10-15 Effective communication is perhaps the most fundamental skill shared in common by successful salespeople. Yet far too often new salespeople are released into the field with little to no training and are not prepared to withstand the tremendous pressures they will face to compromise in their pursuit of the elusive sale. Salespeople resent buyers who take advantage of them while buyers become alienated and walk away from salespeople who stubbornly and defensively stand their ground. A potentially profitable exchange for both degenerates into a contest of wills that ends poorly for both sides. Jesus Christ, the master communicator, shows us a better way. His conversations with friends and foes alike illustrate how to communicate effectively without compromise, showing respect, building trust, and standing one's ground in a way that nurtures relationships rather than breeding resentment and division. In this inspiring and informative book, Deb Brown Maher unpacks seven characteristics of Jesus' method of interacting with people and shows how to apply them to totally transform the way people approach a sale, pursuing sales conversations with honesty and integrity and demonstrating equal concern for the needs of potential buyers. Discover the importance of character, connection, clarity, comprehension, certainty, choice, and commitment and learn to sell like Jesus.

**Salesmanship for Christ** Ernie Prichard, 1972      **Salesmanship** World's Salesmanship Congress, 1918      **Christian Success Principles - for Sales Professionals** Thomas E. Briggs, 2003-06

Tommy Briggs has distilled into one book the lessons of a lifetime in professional sales. Half way through his career, he launched this intensive inquiry into the elements of success and achievement. Within six months, Tommy had already doubled his income by applying this developing master plan for continuous self-improvement. Yet there is so much more than the prospect of financial success to be found in these pages. *Christian Success Principles* acquaints you with seven time-tested and proven sales principles along with many sage tips for implementing each principle. Find out how your attitude can mean the difference between success and failure. The goal-setting process can chart your course to maximum sales achievement. A continuous self-improvement program will open the door to your future. Your self-discipline can become your painful path to lasting pleasure. Proper respect for your prospect can produce their respect in return. The sales presentation and closing can propel you and your prospect forward. Honing your leadership skills can multiply your creative output. Discover that the secrets of modern success gurus actually appeared first in the pages of Scripture. You will find true success in looking behind the principles of this book to the Bible, then behind the Bible to Jesus Christ, the living Word of God. With these principles, you can improve your sales skills while maintaining high standards of integrity, godliness, and honesty. Success in your personal and professional life is simple though not always easy. To let that simplicity launch you toward maximum achievement, you are invited to draw from these pages as you would from a coach who is urging you on to success.

**The Heart of a Christian Sales Person** Dave Kahle, 2018-04-24 Being a Christian sales person is going to be tricky That s what I thought as I entered my first professional sales position In retrospect my life as a Christian sales person was confusing gut wrenchingly difficult frustrating and wonderfully rewarding I dealt with questions that you may also face How do I balance the need to get results with the Christian ethic of leaving the outcomes to Christ Deeply honest transparent and courageous The lessons of what one man can do for his family his business and our God if we will just earnestly seek God and let Him work in our lives Christopher Morrisette How and when do I voice my beliefs on the job when my employer is not paying me to do that Where do I go for support and encouragement in a church where I m seen as a second class citizen It was a pleasure to have read The Heart of a Christian Salesperson and to see the evolution of Dave Kahle Kahle uses his ability to pare down personal experience into usable practical life lessons some sales related and some from his Christian walk I thoroughly enjoyed seeing the on paper the travails of a young salesperson into a mature man of God who uses his sales skills to further his walk with God and his ministry with other believers The book is a short read and well worth the time I intend to recommend it to my fellow sales brethren both Christian and non Christian alike Dave Whitis How do I maintain my Christian ethics inside a company that supports just the opposite How do I maintain my perspective when some of the professional Christians around me are so much more manipulative and deceitful than any secular acquaintance Having used Dave Kahle s excellent sales training materials at our company for many years I ve always been a fan of his I regret never having had a chance to meet Dave but after reading this book I now feel that I know him on a personal basis Over 40 years ago after backing into a technical sales career as a young Christian because my father desperately needed a traveling salesman for the company he founded I often felt that I should have answered a higher calling Dave also had his struggles in that area and through his own story he shows that Christianity and sales success can and should go together In fact sales can be the special ministry to which you are called and a role which you alone can fulfill Tom Snow CEO T J Snow Company Chattanooga TN How do I grow a consulting practice with no resources and no network Here s my story **Bill Bright and**
