1914-April 1915 Paul Oldfield, 2014-07-31 The research for this book commenced in 1988 while the author was serving in the Army In the years since numerous sources have been consulted but career imperatives left insufficient time to complete the project until retirement from the military In the past the author spent many days on the First and Second World War battlefields wondering precisely where the Victoria Cross actions took place He resolved to find out The book is designed for the armchair reader as much as the battlefield visitor A detailed account of each VC action sets it in the wider strategic and tactical context Detailed sketch maps show the area today together with the battle lines and movements of the combatants It

will allow visitors to stand upon the spot or very close where the VCs were won Photographs of the battle sites illustrate the accounts There is also a comprehensive biography for each VC recipient and photographs The biographies cover every aspect of their lives warts and all parents and siblings education civilian employment military career wife and children death and burial or commemoration There is also a host of other information much published for the first time Some fascinating characters emerge with numerous links to many famous people and events As featured on BBC Radio Wiltshire and in the Daily Record Gloucestershire Echo Canterbury Times and Barking Dagenham Post **The Battles of the British**

Last Stand at Zandvoorde, 1914 Mike McBride, 2016-11-30 Being the son of the Duke of Westminster whose family traces its lineage back to 1066 Lord Hugh Grosvenor was destined to become a cavalry officer in the prestigious 1st Regiment of Life Guards Using unpublished letters home and contemporary accounts Noble Sacrifice describes Lord Hughs embarkation for France and the early mounted encounters which halted the enemy onslaught against the contemptible little army These led to the stalemate of trench warfare and found Lord Hugh and his Squadron holding out at Zandvoorde during the First Battle of Ypres 1914 and being annihilated by superior numbers of enemy forces in some of the most desperate fighting of the First World War Due to the advances in military hardware the war for Lord Hugh and his comrades marked a

turning point in cavalry tactics As well as being a dramatic account of Lord Hugh Grosvenors last stand Noble Sacrifice is a very personal story of courage and self sacrifice This heroic yet tragic story has a mysterious twist The bodies of Lord Hugh and his 100 soldiers were never found it was as if they had never existed Salient Points Four Tony Spagnoly,Ted Smith,2005-05-19 Concentrating on the Ploegsteert and Neuve Eglise sectors in Belgium this book features stories on such well known figures as sculptor Charles Sargent Jagger ARA R Poulton Palmer and Tanky Turner great friends and rugby football captains of England and Scotland respectively as well the discovery and eventual burial of a Lancashire Fusilier who was killed in action in 1914 the research leading to the erection in 2002 of a Believed to be buried headstone in the Strand cemetery of an Australian killed in action at Messines in 1917 the action in 1914 that initiated the birth of the infamous Birdcage on the western edge of Ploegsteert Wood and other stories of interest to enthusiasts of the Great War Another in the Cameos of the Western Front series on men minor actions and battlefield sites this book like its predecessors is an ideal companion for the battlefield visitor *A Haven in Hell* Paul Chapman,Ted Smith,2000-09-12 Talbot House Poperinghe was opened in November 1915 as a Soldiers Club a haven from hell by two Chaplains of the 6th Division Philip Tubby Clayton and Neville Talbot The house was dedicated to the memory of Gilbert Talbot Neville s brother who had been killed in in the afternoon counter attack set up to re take the positions lost in the early morning Liquid Fire attack of the same day at Hooge on 30 July 1915 For the following three years except for a short period in 1918 the doors of Talbot House never closed and it became a home from home for the officers and men of the British and Imperial armies of the time Today Talbot House is a living museum offering a friendly greeting and a cup of tea to visitors on their arrival a house rule established by Tubby Clayton in 1915 Bringing to the reader the history of the house and its contents the book brings to life the multitude of events that took place in and around it as well as telling the little known stories of Clayton s frequent trips to the front line to minister to the men in the trenches around Ypres Salient Points Four Tony Spagnoly,Ted Smith,2004 Concentrating on the Ploegsteert and Neuve Eglise sectors in Belgium this book like its predecessors is an ideal companion for the battlefield visitor The Great War Hunt Tooley,2015-11-29 We have often heard about the brutal world of the trenches the willingness of brave young soldiers and the apparent indifference of the generals but reevaluations of the Great War in previous decades have shown us much more complexity and in many cases some surprising reconstructions of very standard narratives of the war The traditional isolation of the battle front from the home front which historians have tended to observe has given us an incomplete understanding of both fronts In this study of Word War I Hunt Tooley crosses the boundaries of national histories to examine the various connections between the 400 mile long Western Front and the home fronts of the United Kingdom France Germany Canada Australia and the United States Tooley draws on recent research and the wealth of primary souce material available to provide a broad synthesis of a complex event and to create a more holistic view of the war as men stayed in touch with those at home as governments responded to events on the battlefield and as writers poets

and artists brought the cultural impulses of Europe to the deadly world of the Western Front In his clearly written wide ranging study Tooley argues that the seeds of much of the 20th century may have been planted well before the First World War but as many social critics politicians soldiers women s movement leaders and others predicted the cultivation of these seeds in war would have a powerful and formative effect on the social political and cultural processes which shaped the 20th century

Cultural Heritage of the Great War in Britain Ross J. Wilson,2016-04-22 As the hundredth anniversary approaches it is timely to reflect not only upon the Great War itself and on the memorials which were erected to ensure it did not slip from national consciousness but also to reflect upon its rich and substantial cultural legacy This book examines the heritage of the Great War in contemporary Britain It addresses how the war maintains a place and value within British society through the usage of phrases references metaphors and imagery within popular media heritage and political discourse Whilst the representation of the war within historiography literature art television and film has been examined by scholars seeking to understand the origins of the popular memory of the conflict these analyses have neglected how and why wider popular debate draws upon a war fought nearly a century ago to express ideas about identity place and politics By examining the history usage and meanings of references to the Great War within local and national newspapers historical societies political publications and manifestos the heritage sector popular expressions blogs and internet chat rooms an analysis of the discourses which structure the remembrance of the war can be created The book acknowledges the diversity within Britain as different regional and national identities draw upon the war as a means of expression Whilst utilising the substantial field of heritage studies this book puts forward a new methodology for assessing cultural heritage and creates an original perspective on the place of the Great War across contemporary British society

forward a new methodology for assessing cultural heritage and creates an original perspective on the place of the Great War across contemporary British society Poets & Pals of Picardy Mary Ellen Freeman,1990-12-31 This book following a weekend on the Somme with Mary Freeman as she visits the old front line and back areas is about the soldiers who wrote poetry and those with whom they lived fought and in many cases died It takes the reader to the places where they saw action and to the cemeteries and memorials where those who did not survive rest or are commemorated Her uncanny knowledge of the battlefields and her deep understanding of poetry brings to life the men who shared hardship and horror together men who experience comradeship forged in conditions that are beyond comprehension today men with normal desires and aspirations who happened to be wearing uniform and some who chose to express themselves through the medium of poetry **Landscapes of the Western Front** Ross Wilson,2013-06-17 This book examines the British soldiers on the Western Front and how they responded to the war landscape they encountered behind the lines and at the front Using a multidisciplinary perspective this study investigates the relationship between soldiers and the spaces and materials of the warzone analyzing how soldiers constructed a sense of place in the hostile unpredictable environment Drawing upon recent developments within First World War Studies and the anthropological examination of the fields of conflict an ethnohistorical perspective of the soldiers is built which details the various ways soldiers responded to the physical and material world of the Western Front This study is also grounded in the wider debates on how the First World War is remembered within Britain and offers an alternative perspective on the individuals who fought in the world s first global conflagration nearly a century ago **Salient Points Two** Tony Spagnoly,Ted Smith,1990-12-31 Another group of stories in the Salient Points series A collection of stories of men their units and the actions they took part in during the conflict of 1914 1918 together with stories other points of interest along the old Western Front Each story is supported with photographs and maps showing the area of the action as it was then and is today The content feature titles are The Black Watch Lord Worsley at Zandvoorde The 1st Battalion Royal Welch Fusiliers at Zandvoorde The Worcesters and the Welsh at Gheluvelt in 1914 The Youngest Soldier Major Lanoe Hawker at Abeele Aerodrome 16th Battalion The Canadian Scottish at Kichener Wood Pond Farm Fray Bentos at Hill 35 The Liverpool Irish at Schuler Galleries The O Donnell Twins New Zealand at the village of Messines Reconciliation at Broodseinde Pillars of Fire Ian Passingham,Peter Simkins,2012-02-29 Gentleman we may not make history tomorrow but we shall certainly change the geography So said General Plumer the day before 600 tons of explosives were detonated under the German position on Messines Ridge The explosion was heard by Lloyd George in Downing Street and as far away as Dublin Until 1918 Messines was the only clear cut Allied victory on the Western Front coming at a time when Britain and her allies needed it most boosting Allied morale and shattering that of the Germans Precisely orchestrated Messines was the first true all arms modern battle which brought together artillery engineers infantry tanks aircraft and administrative units from a commonwealth of nations to defeat the common enemy So why is its name not as familiar as the Somme

Passchendaele or Verdun This book examines the battle for the Messines Wytschaete Ridge from the British ANZAC and German perspectives Illustrated with archive photographs and maps it is a major contribution to our understanding of one of the seminal battles of the First World War **Living on the Western Front** Chris Ward,2013-06-06 This book provides an innovative insight into the lives of British settlers in areas of Belgium Northern France and Germany during the First World War **The Successes and Sacrifices of the British Army in 1914** John Philip Jones,2009 This book is a descriptive history integrating into an analysis of military strategy the form of warfare as it changed radically and unexpectedly in 1914 with a result of large armies becoming deadlocked and suffering disastrous losses in their attempts to advance from their lines of primitive trenches **Geology and Warfare** Edward P. F. Rose,C. Paul Nathanail,2000 Records lessons learnt from military experience in World War I and II It also contains perspectives from America which show how in warfare military geologists irrespective of nationality have pursued tactical and strategic terrain analysis fortifications and tunnelling and resource acquisition defence installations and field constructions and logistics It shows how in peace time military geologists train for wartime operations and may be involved in peace keeping and nation building deployments
