to think too much about it In their new activities they would not be together these two who had been inseparable friends for so many long years They had met in the first year of high school back in that small Ohio city which now during war seemed so many miles and so many years away Scoot had lived in Hampton all his life but March had just moved there from the farm which his mother had sold when his father died A widow with a son only thirteen years old could not run a 160 acre farm she had decided not if her son was to get the education she had determined he would have To be continue     **Gene Autry and the Thief River Outlaws** Bob Hamilton,1944 The construction of a railroad bridge over the Thief River Canyon has fallen prey to sabotage conspiracy and gunman Gene Autry in his role as special agent realizes all too soon that the theThief River outlaws will stop at nothing in their plan to cause the destruction of the sorely needed railroad bridge
