Sallys America Keepsake Boxed Notecards:

American Holiday Postcards, 1905-1915 Daniel Gifford, 2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era Souvenir Nation William L. Bird, Jr., 2013-10-22 Buried within the collection of the Smithsonian Institution s National Museum of American History exists an astonishing group of historical relics from the pre Revolutionary War era to the present day many of which have never been on display Donated to the museum by generations of souvenir collectors these ordinary objects of extraordinary circumstance all have amazing tales to tell about their roles in American history Souvenir Nation presents fifty of the museum s most eccentric items Objects include a chunk broken off Plymouth Rock a lock of Andrew Jackson s hair a dish towel used as the flag of truce to end the Civil War the microphones used by FDR for his Fireside Chats and the chairs that seated Nixon and Kennedy in their 1960 television debate **The Vietnam War in American Memory** Christian Goodwillie, Jane F. Crosthwaite, 2009 From the very beginning in the 1770s singing was an important part of the worship services of the Shakers formally known as the United Society of Believers in Christ s Second Appearing Yet until the early nineteenth century nearly all Shaker songs were wordless expressed in unknown tongues or as enthusiastic vocalizations Only when Shaker missionaries moved west into Ohio and Kentucky did they begin composing hymn texts chiefly as a means of conveying the sect s unconventional religious ideas to new converts In 1812 13 the Shakers published their first hymnal This venture titled *Millennial Praises* included the texts without music for one hundred and forty hymns and elucidated the radical and feminist theology of the Shakers neatly distilled in verse This scholarly edition of the hymnal joins the texts to original Shaker tunes for the first time One hundred and twenty six of the tunes preserved in the Society s manuscript hymnals have been transcribed from Shaker musical notation into modern standard notation thus opening this important religious and folk repertoire to modern scholars Many texts are presented with a wide range of variant tunes from Shaker communities in New England New York Ohio and Kentucky Introductory essays by volume editors Christian Goodwillie and

Jane F Crosthwaite place Millennial Praises in the context of Shaker history and offer a thorough explication of the Society's theology. They track the use of the hymnal from the point of publication up to the present day beginning with the use of the hymns by both Shaker missionaries and anti Shaker apostates and ending with the current use of the hymns by the last remaining Shaker family at Sabbathday Lake Maine. The volume includes a CD of historical recordings of six Shaker songs by Brother Ricardo Belden the last member of the Society at Hancock Shaker Village. Musical Observer, 1922

Samuel Colt Herbert G. Houze, Carolyn C. Cooper, Elizabeth Mankin Kornhauser, 2006-01-01 The fascinating story of the American inventor and manufacturer who perfected the revolver Samuel Colt 1814 1862 first patented his Colt revolver in 1835 and thereby redefined the architecture of handguns. This stunning book is the first to present in detail the evolution of his most famous invention and to document the unsurpassed Colt firearms collections held by the Wadsworth Atheneum. Colt designed his revolvers with an artistic sensibility paying particular attention to form and beauty and juxtaposing colors and finishes to heighten the visual effects. He was also one of the first American manufacturers to secure celebrity endorsements and to commission paintings by renowned artists like George Catlin to promote his arms. Colt's standards for excellence, industrial foresight and quest for market domination are explored in light of primary documents that reveal his constant battles to protect his patents. Essays discuss Colt's personal collection of historic firearms as well as the memorial collection of Colt manufactured firearms, the relationship between art and commerce as they pertain to the inventor's career and his international celebrity. Richly illustrated and beautifully produced, this volume presents the artistry of the firearms that Colt worked so diligently to perfect as well as his promotional abilities that made a tremendous impact on American culture.

The Wrong Sister T.E. Woods, 2018-02-27 The author of *The Fixer* delivers unexpected bombshell twists in a standout that is not only worth reading but devouring. RT Book Reviews Top Pick. Sometimes a perfect stranger. From behind the wheel of her car Tess Kincaid glimpses a woman walking down a Madison Wisconsin street. They've never met but Tess senses an undeniable familiarity about her. Hair color square chin wide set blue eyes. Tess sees the same features every time she looks in the mirror. Is neither of those things. Intrigued Tess introduces herself and discovers that she and her doppelganger Mimi have more than appearance in common. They even share the same birthday. Mimi confident and outgoing where Tess is understated and shy. Is convinced they're twins separated shortly after birth. Tess who's felt unloved and unmoored since her mother disappeared years ago only knows that there's more than coincidence at play. And when a body is discovered in a local marsh Tess is entangled in a search for the truth that will prove fascinating, disconcerting and ultimately terrifying. Praise for the thrillers of T E Woods. A sleek delicious new mystery novel. Tom Savage USA Today bestselling author. Hot and unpredictable this debut hurls you down the curvy gray avenues of right and wrong at about a hundred and fifty miles per hour. Strap yourself in. Amanda Kyle Williams author of *Don't Talk to Strangers*. Pitch perfect solid characters unpredictable twists and excellent plotting. A must read for those who enjoy crime fiction. Kirkus Reviews.
