O'Neill,2021-11-05 Inspired leaders strive to be better at every turn They embrace change and look to engage and encourage their people to new levels But what happens when the world around you is uncertain When incessant change is thrust upon you and fear is rampant in your teams What happens when the very place you work is removed Today s leaders have had to reevaluate where and how they do their business That involves a new way of leading Where s the Office Moving Today s Leaders from What IS to What CAN BE provides the new perspective that the office resides within you and that you can lead from wherever you are It provides both the strategy and the tools for your success in this environment It moves you and your teams from acceptance of what is to the evolution and possibility of what can be You ll receive innovative tools like Mind SPACE that when introduced to the FBI opened their minds to the insight that enabled them to proclaim Now we can do long range planning And The Seven Levels of Communication a tool that provides clarity in why there are communication breakdowns but more importantly how to elevate the way you communicate to better lead teams initiatives and yourself

Different Sally Clarkson,Nathan Clarkson,2017-01-24 Nathan was different and Sally knew it From his early childhood Nathan was bursting with creativity and uncontainable energy struggling not only with learning issues but also with anxiety and OCD He saw the world through his own unique lens one that often caused him to be labeled as bad troubled or someone in need of fixing Bravely choosing to listen to her motherly intuition rather than the loud voices of the world Sally dared to believe that Nathan s differences could be part of an intentional design from a loving Creator with a plan for his life She trusted that the things that made him different were the very things that could make him great Join Sally and Nathan as they share their stories from a personal perspective as mother and son If you are in need of help and hope in your own journey with an outside the box child or if you re an adult trying to make sense of your differences you ll find deep insight resonance and encouragement in the pages of this book Dare to love and nurture the different one in your life
