Made in NuYoRico Marisol Negrón, 2024-09-06 In Made in NuYoRico Marisol Negrón tells the cultural history of salsa tracing the music's Nuyorican meanings over a fifty year period that begins with the establishment of Fania Records in 1964 and how it capitalized on salsa's Nuyorican imaginary to cultivate a global audience Drawing on interviews with fans legendary musicians and music industry figures as well as analyses of songs albums films and archival documents Negrón shows how Nuyorican cultural and social histories became

embedded in and impacted salsa music's flows during its foundational period in the mid 1960s and its boom in the 1970s. Salsa's Nuyorican aesthetics challenged mainstream notions of Americanness and Puerto Ricanness and produced an alternative public sphere through which New York's poor and working class Puerto Ricans could contest racialization and colonial power. By outlining salsa's complicated musical, cultural, commercial, racial, gendered, legal, and political entanglements, Negrón demonstrates its centrality to Nuyorican identity and subjectivity.

Latinx Ciné in the Twenty-First Century Frederick Luis Aldama, 2019-09-24 Today's Latinx motion pictures are built on the struggles and victories of prior decades. Earlier filmmakers threw open doors and cleared new paths for those of the twenty-first century to willfully reconstruct Latinx epics as well as the daily tragedies and triumphs of Latinx lives. Twenty-first-century Latinx film offers much to celebrate but, as noted pop culture critic Frederick Luis Aldama writes, there's still room to be purposefully critical. In *Latinx Ciné in the Twenty-First Century*, contributors offer groundbreaking scholarship that does both: bringing together a comprehensive presentation of contemporary film and filmmakers from all corners of Latinx culture. The book's seven sections cover production techniques and evolving genres, profile those behind and in front of the camera, and explore the distribution and consumption of contemporary Latinx films. Chapters delve into issues that are timely, relevant, and influential, including representation or the lack thereof, identity and stereotypes, hybridity, immigration and detention, historical recuperation, and historical amnesia. With its capacious range and depth of vision, this timeless volume of cutting-edge scholarship blazes new paths in understanding the full complexities of twenty-first-century Latinx filmmaking.
