been coming apart and demands to be heard Weaving four voices into a beautiful tapestry Southgate charts the lives of the Hendersons from the parents first charmed meeting to Josie s realization that the ways of the human heart are more complex than anything seen under a microscope

The Salt Eaters Toni Cade Bambara,1992-06-30 A community of Black faith healers witness an event that will change their lives

forever in this hard nosed wise funny novel Los Angeles Times One of The Atlantic s Great American Novels of the Past 100 Years Set in a fictional city in the American South the novel also inhabits the nonlinear sacred space and sacred time of traditional African religion The New York Times Book Review Though they all united in their search for the healing properties of salt some of them are centered some are off balance some are frightened and some are daring From the men who live off welfare women to the mud mothers who carry their children in their hides the novel brilliantly explores the narcissistic aspect of despair and the tremendous responsibility that comes with physical spiritual and mental well being

A Fistful of Salt Vidya Subramaniam, The participation of the South especially Tamilnadu in the Freedom Movement and allied protests under the leadership of Mahatma Gandhi has not been much documented The Salt satyagraha shook the conscience of the British rulers that it led to the Round Table Conference in the capital of the British Empire The fact that Tamilnadu played a significant role in this unique kind of protest led by Rajaji has now been brought out in the form of a fictionalized narrative by the eminent writer Vidya Subramaniam Although idealism as against realism has now become unfashionable in the field of letters I hold the author in great respect for her daring to portray her characters in conformity with her own convictions The period aspect of the novel has come off beautifully in the atmospheric description and dialogues between the characters This novel is a befitting tribute to those who participated in the freedom struggle As Meat Loves Salt Maria McCann, 2011-04-28 A sensational tale of obsession and murder from a wonderful writer An outstanding novel fresh and unusual with all the dirt stink rasp and flavour of the time Daily Telegraph
