of her characters is a more prominent condition in general we need to review Gallant's artistic insights As Francine Prose says in Harper's Magazine Gallant's cast of characters are a motley assortment of refugees fugitives and travelers and displaced persons scrambling on the margins of a society they will never belong to This is the modern condition As with other great writers Gallant shows herself to be prophetic in cutting down to the roots of the sensibility of our era We are reading her work and we are thinking about it and talking about it This book is part of that large conversation Contributors are Neil Besner Di Brandt Nicole C t John Lent Gerald Lynch Maria No lle Ng Peter Stevens Simone Vauthier Per Winther
