Bates, 2016-03-15 *The Beauty of the Dead* Jonathan Cape 1940 featuring fifteen stories was released to critical acclaim Pamela Hansford Johnson wrote in John O'London's Weekly that all have that delicate luminosity by which visions are seen more clearly than in the bright sunlight Old is a snapshot of an elderly man no longer appreciated or respected by his children and extended family during a Sunday tea He finds a companion in his seven year old grand niece making animal shapes out of biscuits and eventually falling into a mesmeric peace as she brushes his hair There is a glimpse of Bates's childhood experiences in Quartette written through the eyes of a music director The story accounts the attraction between two of the singers which the director worries is breaking up the group yet on their last song he can feel the passionate quality of their singing transcending the small hot room and the small bewildered minds Bates had much personal knowledge of choirs and singing through his father who was a choir director The Bridge is narrated by a twenty two year old woman while she and her older sister vie for the attention of the same man The Spectator praised it as a masterly short story courageously conceived thick with symbolism it is a triumphant display of control For the first time this collection features the comic bonus story Obadiah After a tough poverty stricken childhood Obadiah's scheme to make his fortune begins with a pig He wanted neither children nor romance but a partner in business so when he meets a widow with similar values he wins her over in what becomes a comic sketch of a bickering couple a rare and brilliant piece of caricature in Bates's canon Published in the New Clarion 1933 and not republished since *Reno (by the) in the Lake and Other Stories* Jim Hartman, 2010-03-31 I guess in truth Reno by the in the Lake is my Autobiography Light The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography So read on just for fun Reno Beach was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime It had however attained great stature in the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish In his mind a vegetable garden became a wilderness plantation An overturned rowboat became a fortress a pirate's treasure cave or a magician's maudlin mansion A willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for Tarzan Jimmie of the Apes The fact that I'm even writing this book belies the fact that the place and that little boy still live if only in my imagination The stories you're about to read are about that small waterfront community just east of Toledo Ohio on the western end of Lake Erie and how its life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I've been told that it's good to share your very best I hope you

enjoy reading my stories nearly as much as I enjoyed living them The writing s been fun too Some names and places may have been altered to protect the innocent and or the guilty but not many Some may also be changed just because I ve forgotten or don t really know what I m talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad This book is intended to be a Bathroom Book This is not a negative For those unable to grasp this creative terminology I provide the following explanation in the form of a prescription Take in small doses Continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of Preparation H This does not imply that either you the reader or the writer is full of Anything Should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the Reading Room solving the problems of the moment I m sure you understand Enjoy Life is short Don t waste it on seriousness     Do You Hear in the Mountains... and Other Stories Maïssa Bey,2018-09-19 This new translation brings together two of Algerian author Ma ssa Bey s important works for the first time in English Do You Hear in the Mountains is a compelling piece of autofiction in which three destinies meet dramatically on a train moving through France We meet an Algerian refugee whom we recognize as Bey herself She has escaped the civil war and cannot forget her father s commitment to independence nor his death under the torture of the French soldiers Sitting near her is a retired doctor whose military service in Algeria coincidentally took him to the same area at the time of that tragedy Their neighbor is a girl who would like to understand this past that is so painful to discuss The eleven diverse tales that follow presented under the title Under the Jasmin at Night exemplify some of Bey s recurring themes the Franco Algerian colonial legacy and the feminine condition Together these works provide an unforgettable picture of a turbulent history that reaches across generations and continents CARAF Caribbean and African Literature Translated from French
