*The Reprisal* Laudomia Bonanni, 2013-03-29 In the bitterly cold winter of 1943 the Italian countryside is torn apart by violence as partisans wage a guerilla war against the occupying German army and their local fascist allies In the midst of this conflict a ragtag group of fascist supporters captures a woman in the late stages of pregnancy Suspecting her of being in league with the partisans they hastily put her on trial by improvising a war tribunal one night in the choir stalls of the abandoned monastery that serves as their hide out This sham court convicts the woman and sentences her to die but not until her child has been born When a young seminarian visits the monastery and tries to dissuade the fascist band from executing their sentence the absurd tragedy of the woman s fate is cast in stark relief The child s birth approaches an unnerving anticipation unfolds and tension mounts ominously among the characters and within

their individual psyches Based on a number of incidents that took place in Abruzzo during the war Laudomia Bonanni's compact and tragic novel explores the overwhelming conflicts between ideology and community justice and vengeance The story is embedded in the cruel reality of Italian fascism but its themes of revenge sacrifice and violence emerge as universal delivered in prose that is at once lyrical and brutal In her native Italy Bonanni a writer of journalism and critical prose as well as fiction is hailed as one of the strongest proponents of post war realism and this is the first of her novels to be made available to Anglophone readers Translators Susan Stewart and Sara Teardo render Bonanni's singular style both sparse and emotive frank and poetic into readable evocative English *The city guide for Pescara(Italy)* YouGuide Ltd, **The Nation**, 1905 *Saint Hysteria* Cristina Mazzoni, 1996 *Saint Hysteria* examines scientific literary and religious texts that share a fascination with the otherness of the female body whether in ecstatic pleasure or in neurotic pain Cristina Mazzoni focuses on material from the late nineteenth and early twentieth centuries mainly in Italy and France Her approach uses the methodologies of cultural studies and feminism but also benefits from the insights of psychoanalytic criticism She asks how the identification of mysticism with hysteria became prevalent and explores the continuing dialogue between a historicizing view of hysteria and a view of hysteria as repressed religious mysticism According to Mazzoni this dialogue is discernible at various levels and in a variety of discourses The medical history of hysteria she maintains is often linked to the religious history of supernatural phenomena and the medical discourse of positivism depends on the religious feminine element that it attempts to repress Similarly she finds a continuity between the literature of naturalism and that of decadence in their representations of the interdependence of neurosis and religion Finally the religious writings of women mystics and the discourses they inspired reveal an unresolved tension between nature and supernature body and soul or psyche which Mazzoni suggests mirrors and complicates the very issues raised by hysterical conversion Among those whose views she considers are the writers Jules and Edmond de Goncourt Gabriele d'Annunzio and Antonio Fogazzaro as well as Graham Greene and Simone Weil the mystics Angela of Foligno Gemma Galgani and Teresa of Avila and the theorists Jean Martin Charcot Cesare Lombroso Jacques Lacan Simone de Beauvoir Julia Kristeva and Luce Irigaray **The Pomegranates and Other Modern Italian Fairy Tales** Cristina Mazzoni, 2021-09-14 A collection of magical Italian folk and fairy tales most in English for the first time *The Pomegranates and Other Modern Italian Fairy Tales* presents twenty magical stories published between 1875 and 1914 following Italy's political unification In those decades of political and social change folklorists collected fairy tales from many regions of the country while influential writers invented original narratives in standard Italian drawing on traditional tales in local dialects and translated others from France This collection features a range of these entertaining jewels from such authors as Carlo Collodi most celebrated for the novel *Pinocchio* and Domenico Comparetti regarded as the Italian Grimm to Grazia Deledda the only Italian woman to have received the Nobel Prize in Literature With one exception all of these tales are appearing in English for the first time The stories in this volume are linked by themes of

metamorphosis a man turns into a lion a dove and an ant a handsome youth emerges from a pig's body and three lovely women rise out of the rinds of pomegranates There are also more introspective transformations a self-absorbed princess learns about manners a melancholy prince finds joy again and a complacent young woman discovers gratitude Cristina Mazzone provides a comprehensive introduction that situates the tales in their cultural and historical context The collection also includes period illustrations and biographical notes about the authors Filled with adventures supernatural and fantastic events and brave and flawed protagonists The Pomegranates and Other Modern Italian Fairy Tales will delight surprise and astonish
