L. M. Montgomery - Premium Collection: Novels, Short Stories, Poetry & Memoirs Lucy

Maud Montgomery, 2023-12-06 The L M Montgomery Premium Collection Novels Short Stories Poetry Memoirs is a

meticulously curated anthology that encapsulates the multifaceted literary genius of Lucy Maud Montgomery. Known for her lyrical prose and richly characterized narratives, Montgomery's work is steeped in the pastoral beauty of Canada, offering readers poignant insights into the lives and struggles of her characters. This collection spans her novels, enchanting short stories, evocative poetry, and personal memoirs, serving as both an introduction to her oeuvre and a reflective return for long-time admirers. Through vivid imagery and a keen understanding of human emotion, Montgomery crafts tales that weave themes of identity, belonging, and the natural world into a tapestry that is both timeless and relatable. Lucy Maud Montgomery (1874-1942) emerged from the enchanting landscapes of Prince Edward Island, which profoundly influenced her writing. A trailblazer for women's literature, Montgomery faced personal challenges, including difficult familial relationships and battles with mental health, experiences that permeated her works. These elements added depth to her characterization, allowing her to capture the complexities of life in a small community. Her best-known creation, Anne Shirley from *Anne of Green Gables*, showcases a spirited imagination that mirrors Montgomery's own. This collection is a must-read for those keen to explore the evolution of early 20th-century literature through the lens of personal storytelling and imagination. Whether you are rediscovering Montgomery's enchantment or encountering it for the first time, this anthology invites readers to immerse themselves in the rich emotional landscapes that define these beloved works.

Cognitive Literary Science Michael Burke, Emily Troscianko, 2017 This book brings together researchers with cognitive scientific and literary backgrounds to present innovative research in all three variations on the possible interactions between literary studies and cognitive science The tripartite structure of the volume reflects a more ambitious conception of what cognitive approaches to literature are and could be than is usually encountered and thus aims both to map out and to advance the field The first section corresponds to what most people think of as cognitive poetics or cognitive literary studies the study of literature by literary scholars drawing on cognitive scientific methods findings and or debates to yield insights into literature The second section demonstrates that literary scholars needn t only make use of cognitive science to study literature but can also in a reciprocally interdisciplinary manner use a cognitively informed perspective on literature to offer benefits back to the cognitive sciences Finally the third section literature in cognitive science showcases some of the ways in which literature can be a stimulating object of study and a fertile testing ground for theories and models not only to literary scholars but also to cognitive scientists who here engage with some key questions in cognitive literary studies with the benefit of their in depth scientific knowledge and training
