Shot Down And On The Run:

Shot Down Jonathan Mary-Todd, 2012-10-01 When a bullet knocks Malik and the Captain's hot air balloon out of the sky Malik goes into wilderness survival mode. Actually he's been in survival mode ever since the world fell apart. Whatever the crisis he's always counted on the Gene Matterhorn Wilderness Survival Guidebook when things got crazy. Now he and the Captain are in the middle of miles of Kentucky wilderness being chased by manhunters who believe hunting the weak is their post-apocalyptic duty. Malik is about to find out just how good his survival skills are.

Home Run Richard Townshend Bickers, 1992-08-01 Throughout the Second World War the first duty of Allied airman brought down in enemy territory was to evade capture and make good their return to Britain. Preventing this was a major preoccupation of the Germans both sides new that it took too much time and expense to train pilots and aircrew. *Home Run* collects the dramatic stories of some of those who succeeded in evading their hunters. They are stories of great courage and endurance not only of the escapers but also those who helped them. The penalty for those who hid, succoured and guided downed airman if they were caught was death. Inevitably there were rotten apples among the helpers. One of the most fascinating pieces in this book tells of a British confidence trickster who while he certainly helped some of the evaders on their way equally certainly betrayed others and many of his colleagues to the enemy. Here too is the engaging story of another confidence trickster this time a Luftwaffe officer who conned his way to freedom and decoration by Adolf Hitler for deeds he had done.

Run! Patricia Wentworth, 2016-04-05 In the English countryside a man is caught up in an intricate web of greed and murder in this mystery from the creator of *Miss Silver*. The nightmare begins when James Elliot gets lost on a dark foggy country road. When he stops at a house to ask for directions a woman rushes out and tells him to run. Seconds later shots are fired. After they escape the unknown shooter Aspidistra Aspinall says she's an orphan and has no idea who's after her. She tells an incredible story about a dying aunt and a priceless diamond necklace. When they meet again at the home of James's cousin she goes by the name Sally West. But her terror is all too real. Someone is after her inheritance and is willing to kill for it. Soon after a dead body turns up but James may have been the intended target. Now he must unravel a brilliantly orchestrated scheme of avarice before a cunning killer claims one last victim.

Historic Tales of Sylva and Jackson County Jim Buchanan, 2020-07-20 Before the coming of the four-lane Jackson County was an insular community defined by geography wedged in between the Great Smokies and Blue Ridge escarpment bisected by thousands of miles of streams. The people who settled the area tended to be tough as pine knots but also tended to be salt of the earth. This book offers tales of a time of transition in the area when arguments over whether someone should opt to have an electric wire run to their home weren't far separated from quibbling over Internet service providers. Inside are tales from logging

camps fields gardens and lonesome game trails and stories of challenges faced with the unique sense of mountain humor
