## **Should Anyone Say Forever On Making Keeping And Breaking Commitment:**

Should Anyone Say Forever? John C. Haughey, 2006-02-10 An important book one that can truly be called seminal America In a popular informal style the Jesuit author of many theological books and articles explores the question of interpersonal commitments His book should do much to clarify a great deal of muddled thinking on a critical issue Library Journal Haughey is not addressing one life style but is writing for all since all of us are committed to someone or something His book is carefully written and deserves careful reading Best Sellers John C Haughey SJ is the author of The Holy Use of Money and Should Anyone Say Forever     Adult Commitment Elizabeth Willems, 1990-08-16 This interdisciplinary study of commitment draws on the disciplines of theology philosophy and psychology to demonstrate the importance of trust in midlife adulthood It gives particular attention to the place of trust in resolving tensions surrounding commitments Taking a relational perspective this text addresses the various aspects of commitment as they affect the self the community and God Several midlife people serve as test cases to illustrate the crucial role of trust for those who are called to reassess interpersonal commitments at midlife Contents An Ethics of Trust Marcel on Philosophy of Trust Theology of Trust Psychology of Trust and An Ethics of Trust Trust and Commitment in Adulthood     **Clinician's Guide to Self-Renewal** Robert J. Wicks, Elizabeth A. Maynard, 2014-03-13 Providing clinicians with advice consistent with the current emphasis on working from strengths to promote renewal this guide presents a holistic approach to psychological wellness Time tested advice is featured from experts such as Craig Cashwell Jeffrey Barnett and Kenneth Pargament With strategies to renew the mind body spirit and community this book equips clinicians with guidance and inspiration for the renewal of body mind community and spirit in their clients and themselves     **Tragic Humanity and Hope** Pius Ojara SJ, 2007-09-01 With insights into the thought of Gabriel Marcel Tragic Humanity and Hope recognizes that in our age scientific knowing is becoming a dominant form of knowledge The leadership influence growth and gravitational center of human existence depend it seems on scientific knowledge As a result we live in an information age that prizes production and immediate satisfaction but devalues the cultivation of wisdom We risk diminishing the significance of sapiential knowing to deal with the immensely complex and intricate domains of human relationality Furthermore inquiry into moral discernment methods expands becoming more diverse yet scholarly conversations that engage the vital exigencies as founding moral sensibility seem noticeably insufficient Tragic Humanity and Hope strives to overcome this lack But Ojara also seeks ethical groundings that exceed the language of pragmatic utility and aesthetic preference Foundations of morality cannot exclude questions of the common good and shared moral obligations that free people to reach out to one another with hopes and memories that endow life with shared meaning Through continuity and cohesion that the interlacing of scientific sapiential and moral knowing bring life becomes a marvelous expression of light joy and fervor     **The Cosmic Love Story God And Us** Rev. Robert E. Lauder, 2024-05-16 In this amazing book the author presents insights into the mystery of love both Divine and

human Influenced by personalist philosophers Martin Buber Emmanuel Mounier and Gabriel Marcel by American Catholic theologians John Haught Michael Himes Bernard Cooke and Ronald Rolheiser and also by the Thomist personalist W Norris Clarke SJ Lauder reflects deeply on the mystery of God and the human person Martin Buber claimed that love was a cosmic force Lauder s vision is cosmic He has produced a book that is not only interesting and illuminating but also inspiring Readers will find themselves returning to reread their favorite chapters and researchers will find new quotes to include in their research projects One of Lauder s talents as a writer is to explore the most profound mysteries and write about them in language accessible to readers who are interested in reflecting on such mysteries as love of self love of neighbor and love of God Rather than presenting insights into the meaning and mystery of love in a way that is excessively speculative and academic Lauder s writing may challenge the intellect to incorporate the most profound truths about love into daily life The Cosmic Love Story God and Us will move readers to integrate insights into love from the book into their lives so that they choose to live as gift givers that is to say as lovers

Living Vocationally Paul J. Wadell, Charles R. Pinches, 2021-01-27 In the thick of modern life we are tempted to forget what we are doing and why we are doing it We are busy socializing building careers and looking for fun but what s it all for The ancient concept of vocation has recently gained popularity as we return to questions about the meaning of life Almost all religions include the idea that divine purposes should guide our lives Christianity has particularly accented it The God who called Israel and sent Jesus has something in mind for us God s call challenges us but also opens us to the best sort of life imaginable In Living Vocationally the challenge and the joy of the called life is thoroughly explored Part one considers the benefits of living vocationally biblical traditions of call and subsequent Christian understandings Part two examines why vocation pertains not only to careers but indeed touches every dimension of our lives and encompasses our full journey through life Because every person s life includes many callings some very difficult part three considers the virtues we need to live the called life well Living Vocationally demonstrates why to have found a calling is to have found a good way to live
