Handbook of the Arts in Qualitative Research, 2022 **That Was Then, This Is Now** Anne Clarke, Ursula K. Frederick, 2016-02-08 That Was Then This Is Now is a compendium of innovative research into the ideas experiences and iconographies embodied in materialities of the recent past Drawing upon a variety of disciplines including archaeology history art and cultural geography authors examine themes of relevance to the contemporary world such as the impacts of automobility the invisible effects of radioactivity and the scale of future cities It serves as a reminder moreover that issues that confront us as global citizens mass consumption population growth technological development and the conditions of belonging find expression in the everyday objects images and vestiges encountered in our ordinary lives Through their examination of such artefacts as comic books road memorials bullet holes showbags and cable ties the authors explore the complex relations between people places and things and the emotions underpinning them nostalgia play grief and humour Issues and ideas of international scope are addressed through a focused approach as authors locate their site specific studies in both rural and urban geographies as well as in the spaces of the imagination the universe and even the personal home Given the enormous scale and diversity of material generated by the practices of living in the present it is difficult to imagine how the archaeologies and material cultures of the contemporary

world may be defined The studies presented here offer a way forward and in doing so point reflexively to the past as well as the now and the future of things to come
