Courts,1915 The League John Eisenberg,2018-10-09 The epic tale of the five owners who shepherded the NFL through its tumultuous early decades and built the most popular sport in America The National Football League is a towering distinctly American colossus spewing out 14 billion in annual revenue But it was not always a success In The League John Eisenberg focuses on the pioneering sportsmen who kept the league alive in the 1920s 1930s and 1940s when its challenges were many and its survival was not guaranteed At the time college football baseball boxing and horseracing dominated America s sports scene Art Rooney George Halas Tim Mara George Preston Marshall and Bert Bell believed in pro football when few others did and ultimately succeeded only because at critical junctures each sacrificed the short term success of his team for the longer term good of the league At once a history of a sport and a remarkable story of business ingenuity The League is an essential read for any fan of our true national pastime **Come Along for the Ride** Harvey Granat,2023-02-28 It took me

50 years to achieve my original dream and not without some bumps along the road I believed as did many others that I could have been a very successful entertainer A visit with Vic Damone convinced me that I would have to give up a normal family life to achieve that success So I built a series of businesses and threw myself into philanthropy while limiting my performing to friends and family And then the opportunity finally presented itself and there was no stopping me Without an agent I promoted myself to some of the leading entertainment venues in the country developed a following and am now living my dream The one constant throughout has been my dedication to my family and the difference that I hope I have made in their lives But what a trip producing Sammy Cahn on Broadway headlining at Lincoln Center and Michael Feinstein s Club friendships with Cary Grant the families of George Gershwin Oscar Hammerstein Marvin Hamlisch Leonard Bernstein and a host of show business greats And I can t forget what happened with Madoff and Harvey Weinstein So come along for the ride while I tell my story **The First Hollywood Musicals** Edwin M. Bradley,2004-08-25 As Hollywood entered the sound era
