Showdown At Armageddon:

Showdown at Armageddon George E. Vandeman,1987 **ARMAGEDDON's SONG 3 'FIGHT THROUGH'** ANDY FARMAN,2015-02-12 The world is at war from the steamy jungles of South America to the high ice of mountain glaciers This is the third of a five part tale of global war and the people under arms on both sides of the conflict NATO won the Battle of the Atlantic at terrible cost and not only in men women and material but to the planet also In Europe the NATO army is close to exhaustion grimly holding its ground along the Elbe and Saale rivers buying time for the US and Canadian 4 Corps to arrive but their grit and determination are frustrating an enemy becoming ever more desperate and a finger hovers over a button marked Nuclear Release **Showdown with Iran** Mark Hitchcock,2020-04-14 The Threat of War with Iran Grows Day by Day Bible prophecy expert Mark Hitchcock PhD is noticing a dangerous trend the nation of Iran remains in the newspaper headlines for all the wrong reasons In Showdown with Iran he reveals why this rogue nation is so dangerous and how that connects to what the Bible says about what s to come while encouraging readers to remain alert aware and hopeful as the end times near He tackles questions such as Does Iran still plan to wipe Israel off the map What does this mean for the future of the Middle East Where does Iran stand in Bible prophecy What will be the role of the United States in Bible prophecy The warning of what will happen is not new In the book of Ezekiel the Bible records a multitude of predictions about the region then known as Persia as well as about the nation of Israel These ancient prophecies foretell an end time rise of Iran as well as Russia and Turkey But are the prophecies still unfulfilled today Hitchcock is convinced Iran continues to play a central role in bringing about chaos in the Middle East In Showdown with Iran he explores the continued validity and accuracy of end time prophecy and answers questions that will become increasingly relevant as the end times draw near

Our Crumbling Civilization and Collapsing Universe of 5 Percent Plammoottil Cherian,2021-01-11 It is the biggest question of all in the universe when and from what universe came into being and how it expanded It puzzled Einstein and many other cosmologist after him Finally they have discovered the particle which they mysteriously named the God particle As the mystery surrounds this particle their quest will either end in finding God the source of the particle or not In an age when biblical truth are considered fairytales by many a scientists someone must be bold enough to tell the truth that in the beginning the universe was void and darkness prevailed in the entire cosmos until God separated darkness by his eternal light and used 5 percent of the dark matter to create the universe and everything within it Dr Cherian courageously links the Scriptures and the science behind the dark matter and the scientists who were divinely guided to name it the God particle Newton s and Einstein s dreams have been materialized and though not accepted by the vast majority of scientists openly many are compromising that universe formed from a cosmic evolution and life evolved abiogenetically and God interjected his presence into the process of evolution to claim his role a most absurd stand While the latest scientific discoveries tackled the biggest mystery of the universe scientific discoveries have corroborated the truth man humanity is nothing but specks of

the dust Ps 103 14 While God who created the universe sits enthroned above the circle of the earth and stretches out
expanse the heavens like a canopy and spreads them out like a tent Isa 40 22 is also holding the universe in his hands Dr
Cherian brings to light the neglected truth that science and theology are the perfect match of God's truth in the universe
Most of the scientific discoveries deciphered during the last five hundred years are recorded in the Bible including water in
the exoplanets and the dark matter and dark energy that have been discovered recently The author has succinctly explained
with specific biblical references and explanations The author also reveals that from Plymouth Rock to Independence Hall and
throughout the length and breadth of America the profound Christian heritage is engrained in every inch of the land and
America cannot negate God from our land God's systematic order of creation was schemed as stages of unguided evolution
All Christians of the nation must reinvent the declaration by the Supreme Court of the United States in 1892 that This a
Christian Nation and present day lawmakers must adhere to that with freedom and liberty for all Like a skilled attorney the
author explains America is part of the Israel of God and a member of the Commonwealth of Israel as explained by Apostle
Paul The United States of America and the United Kingdom are two nations blessed by God under the protection of the
Almighty God and we have a moral mandate to preserve our godly culture and civilization and lead other nations to follow
before Armageddon which is imminent *Studies in the Scriptures, Series IV* Charles Taze Russell, 1904 *The Global
Politics of Jesus* Nilay Saiya, 2022 A unique timely and wide ranging book that formulates and applies an ethic of Jesus to the
realm of global politics Since the fourth century Christians have wrestled with how they should interact with political
authority The most common view holds that while their ultimate loyalty rightfully belongs to God Christians also have
allegiance to their countries and a moral responsibility to transform their political systems In *The Global Politics of Jesus*
Nilay Saiya provides a normative critique of this conventional view and advances an alternative approach While it may seem
natural for the church to fervently engage in political life and cultivate a close relationship with the state Saiya argues that
such beliefs result in a paradox of privilege As he shows when the church yields to the seduction of political power when
enjoying the benefits of an alliance with the state it struggles to adhere to its tenets and when it resists the allure of state
power it does its best work This unique and wide ranging book examines the paradox of privilege in some of the most
important areas of global politics and considers its implications for the church itself **The Apocalypse Explained** Jimmie
Chapman, 2015-09-28 The word apocalypse comes from the Greek word apokalupsis which means to disclose uncover or
reveal hence we get the name Revelation the last book of the Bible The book of the Revelation is given to uncover or disclose
the meaning of some of the great mysteries of the Bible The *Apocalypse Explained* uncovers many of those mysteries by using
the Bible itself to find their meaning This is the most accurate way of interpreting biblical prophecies The purpose of *The
Apocalypse Explained* is to connect the prophecies throughout the Bible with our present and with our future In fact the very
first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass

The majority of the book is for the last days the time the Bible calls the great tribulation The fulfillment of the Apocalypse is much closer to a reality than most people believe Are you ready *Survivors Zion* Ben Jonah,2003 **9 Wars of the End Times** David Reagan,2023-05-10 Most people are aware of an end time war prophesied in the Bible called The Battle of Armageddon But do you know Bible prophecy also reveals eight other wars Arm yourself with the truth of what God's prophetic Word says about the end times and make sure you're ready for Jesus' return Some topics addressed in this timely book are Is Psalm 83 a prophecy about an end time war What is likely to be the timing of the War of Gog Magog What end time war could be characterized as World War III Is there any evidence that nuclear weapons will be used in any of the end time wars Which war of the end times will be supernatural in nature What wars of the end times will focus on the Jewish people Why is The Battle of Armageddon a misnomer Why will the Millennial reign of Jesus end with a war Is there any hope of a world of eternal peace *Apostles of Denial* Edmond C. Gruss,1970 Scripture based denial of the doctrines of the Jehovah's Witnesses **After God** Mark C. Taylor,2008-09-15 Religion Mark C Taylor argues in *After God* is more complicated than either its defenders or critics think and indeed is much more influential than any of us realize Our world Taylor maintains is shaped by religion even when it is least obvious Faith and value he insists are unavoidable and inextricably interrelated for believers and nonbelievers alike The first comprehensive theology of culture since the pioneering work of Paul Tillich *After God* redefines religion for our contemporary age This volume is a radical reconceptualization of religion and Taylor's most pathbreaking work yet bringing together various strands of theological argument and cultural analysis four decades in the making Praise for Mark C Taylor The distinguishing feature of Taylor's career is a fearless or perhaps reckless orientation to the new and to whatever challenges orthodoxy Taylor's work is playful perverse rarefied ingenious and often brilliant New York Times Magazine LIVING IN THE LAST DAYS Carol McCormick,2022-02-09 LIVING IN THE LAST DAYS An in depth look at Bible prophecy current events and how they relate to you unpacks the book of Revelation and other end time prophecies In this book you will discover the possible meanings of symbols the identity of the two witnesses profiles of the Antichrist and the false prophet what the Mark of the Beast could be and how it may be enforced the Second Coming of Christ at the battle of Armageddon and much more You will also see how modern technology widespread pandemics and world leaders are setting the stage for prophecy to be fulfilled Throughout this book the Bible is used to interpret itself to unravel the timeline and tie it together with current events to prove that we are truly Living in the Last Days before Christ returns If Bible prophecy is new to you this book will fill in some of the blanks and help you understand and prepare for these events If you are knowledgeable of end time prophecies you may also find new things to explore **READERS FAVORITE BOOK REVIEW** by Leonard William Smuts 5 Stars *Living in the Last Days* is an in depth analysis of the Christian Bible on the subject backed by considerable research and some fresh interpretations of the scriptures Internationally acclaimed author Carol McCormick underlines the traditional wisdom of Christian teachings while

relating them to present worldwide political and spiritual trends The rise of the Antichrist and the Mark of the Beast are dealt with in detail with new insights provided The information regarding The Great Reset and its agenda is a significant departure from the conventional approach to End Times predictions This is highly relevant as digital technology smart bank cards and a host of electronic devices already enable intrusive surveillance and allow the tracking and control of individuals Further danger threatens in the form of a one world government a single world currency and combined religions which will undermine traditional Christian beliefs and suppress opposition These modern phenomena are compared to biblical predictions and a remarkable match is apparent sounding an early warning of troubled times ahead Christians will have to stand by their beliefs and preparation is essential The book is aimed at a wider audience than practicing Christians and the author reminds readers that it is for all people particularly the lost

Irwin,2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In *After Dispensationalism* Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God s people **Revelation** Wilfrid J.
