Near and Distant Neighbors Jonathan Haslam, 2015-09-22 A revelatory and pathbreaking account of the highly secretive world of the Soviet intelligence services A uniquely comprehensive and rich account of the Soviet intelligence services Jonathan Haslam's *Near and Distant Neighbors* charts the labyrinthine story of Soviet intelligence from the October Revolution to the end of the Cold War Previous histories have focused on the KGB leaving military intelligence and the special service which specialized in codes and ciphers lurking in the shadows Drawing on previously neglected Russian sources Haslam reveals how both were in fact crucial to the survival of the Soviet state This was especially true after Stalin's death in 1953 as the Cold War heated up and dedicated Communist agents the regime had relied upon Klaus Fuchs the Rosenbergs Donald Maclean were betrayed In the wake of these failures Khrushchev and his successors discarded ideological recruitment in favor of blackmail and bribery The tactical turn was so successful that we can draw only one conclusion the West ultimately triumphed despite not because of the espionage war In bringing to light the obscure inhabitants of an undercover intelligence world Haslam offers a surprising and unprecedented portrayal of Soviet success that is not only fascinating but also essential to understanding Vladimir Putin's power today *Russia and the Cult of State Security* Julie Fedor, 2011 This book explores the mythology woven around the Soviet secret police and the Russian cult of state security that has emerged from it *Raison(s) d'etat(s) en Europe* Brigitte Krulic, 2010 Raison mystérieuse inventée par les politiques pour autoriser tout ce qu'ils font sans raison Saint Evremond Ou mise en oeuvre de mesures de salut public dictées par une impérieuse nécessité La raison d'Etat est associée dans l'imaginaire politique européen des politiques le secret le cynisme et des personnalités controversées Machiavel Richelieu Bismarck Cet ouvrage collectif issu d'un colloque international pluridisciplinaire organisé en 2009 par le Centre de recherches pluridisciplinaires multilingues de l'Université Paris Ouest Nanterre la Défense croise les approches de la philosophie de l'histoire et des cultures juridiques il interroge les représentations et contextualisations sur la longue durée historique de la raison d'Etat ou plutôt des raisons d'Etats ainsi que ses recompositions contemporaines en particulier les procédures de l'Etat de droit face à l'état d'urgence et aux circonstances exceptionnelles Ce livre contient 12 articles en français un en allemand ainsi qu'un en anglais *Current Russian Press*, 1994 *Шпион президента* Владимир Угрюмов, 2005 *Revue d'études comparatives est-ouest*, 2005 **Шпион Президента. Hinsdale, 2017-11-10 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The

titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or if necessary rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
