Monty Roberts

Shy Boy The Horse That Came In From The Wild:

Shy Boy Monty Roberts, 2000-10-24 To appreciate Shy Boy writes horse gentler Monty Roberts you must see him or his kind running free and easy in a wide open space This compelling story and the breathtaking photographs that accompany it offer a chance to do just that During a dramatic three day ride across miles of high desert Monty Roberts used all his skill to connect with the little mustang he finally befriended In the year that followed Shy Boy grew to love life on the farm playfully demanding attention and becoming fascinated by children After a year of challenges and one frightening illness the wild horse s exceptional spirit earned the respect and admiration of his trainers And as a result of a PBS aired program based on his initial encounter with Roberts Shy Boy gained international fame Yet throughout this extraordinary year Monty Roberts struggled with the question Would Shy Boy rather be free With trepidation he took Shy Boy back to the wild to let him choose The event and its stunning conclusion are memorably captured in these magnificent photographs and in a story that is both unforgettable and inspiring

Shy Boy Monty Roberts, 1999 Photographs and text profile the relationship between horse trainer Monty Roberts and his wild mustang Shy Boy **Shy Boy** Monty Roberts, 1999-05 World famous horse gentler Monty Roberts reveals the unique rapport he shares with one special horse a wild mustang In this beautifully illustrated book Monty Roberts s be loved horse Shy Boy takes center stage In a gripping intimate narrative and in one hundred color photos Monty Roberts relives their unique relationship beginning with his first encounter with the wild horse in the high desert During a dramatic three day ride across a hundred miles Monty Roberts used all his skill to connect with the little mustang he finally befriended Throughout the year that followed Shy Boy grew to love life on the farm playfully demanding attention and becoming fascinated by children During a year of challenges and one frightening illness the wild horse earned the respect and admiration of his trainers he had exceptional spirit And as his fame grew following the PBS aired documentary that featured his initial three day encounter with Monty Roberts Shy Boy began to receive visitors from all over the world Yet throughout Shy Boy s year of fame Monty Roberts was asked Would Shy Boy rather be free With trepidation he took Shy Boy back to the wild to let him choose Go with your herd or stay with your gentler What happened is so exciting and moving that it will surprise every reader And like Monty Roberts readers will fall in love with Shy Boy Shy Boy Monty

Roberts, 2000-01-01 This amazingly moving book tells the saga of how famed horse gentler Monty Roberts author of *The Man Who Listens to Horses* met and eventually tamed his beloved horse Shy Boy Their unique relationship began when Shy Boy was a wild mustang Monty trekked for three days across 100 miles of high desert working his magic across the shimmering heat until he connected with this wild horse on the open range The mustang came home with Monty until one year later when they returned to the plains and Monty set Shy Boy free and gave him a choice return to his herd or stay with Monty What happened told in a gripping narrative and beautifully illustrated with 100 full color photos is a story so dramatic and stirring it will touch every reader **The Sacred Path Beyond Trauma** Ellen Macfarland, Ph.D., 2008-06-03 One of

Graham Greene's characters famously said "I suffer therefore I am suggesting that pain is an inescapable and perhaps incurable part of the human condition." But must this be so? Ellen Macfarland argues otherwise in *The Sacred Beyond Trauma*. Through the use of mythology, stories from film and fiction, real life examples and her personal history, Macfarland shows that healing trauma is indeed possible using rich resources near at hand in nature. The book explores major symbols of healing nature that can provide an impetus for personal transformation. One of the case studies profiles Monty Roberts, a well-known horse trainer who overcame significant childhood abuse by working with horses and eventually fostering some forty children alongside his own biological family. The key, says Macfarland, is using these and other natural symbols such as yin yang to balance the tension between trauma and numinosity, sacredness, transcendence, resulting in the creation of a new way of being in the world. Understanding this and the book's other nature-based symbols can turn the distressed mind into a fertile field of spiritual awareness, empowerment and lifelong growth.

Horse J. Edward Chamberlin, 2010-06-04 Full of wisdom, passion and wonder, *Horse* is the utterly fascinating and enlightening story of horses and humans from the beginning of time to the present. Ever since the dawn of human history, horses have held a mystical sway over our imagination; we respect and revere them like no other animal. We have conceived of them as both domesticated and free, both belonging to our civilization and to the wild. At first ours was an encounter of death as prehistoric humans hunted horses all across the steppes of Asia and throughout Europe. But they also painted horses full of grace and beauty on the walls of their caves and gave them a central place in their songs and sacred rituals. Long before the invention of writing and the wheel, horses began to shape the way humans lived. Drawing on archaeology, biology, art, literature and ethnography, *Horse* illuminates the relationship between humans and horses throughout history, from Alexander the Great to Genghis Khan, from the Moors in Spain and the knights in France to the great horse cultures of native America. From the Ice Age to the Industrial Age, horses have provided sustenance, transportation, status, companionship and the ability to establish and expand empires. Included are stories of horses at work, at war and at play, both wild horses and famous horses in paintings, books and movies. *Horse* looks at the ancient traditions of horse trading and horse stealing, horse racing and games with horses and at rodeos and circuses, jumping and dressage. It compares techniques of training and traditions of breeding from the Persians to the Nez Perce, from Lippizaners to Percherons and ponders the intelligence of horses, their skill and strength as well as their grace and beauty.

[New Horse Handbook](#) Nancy Bowker, 2006 Packed with photographs, this valuable reference is a must-have for anyone considering buying or rehoming a horse. Get ready for your horse's arrival by considering the animal's emotional needs. Be sure you have the appropriate equipment and supplies and familiarize yourself with ailments common to horses that have been recently transported. Prepare for first-day handling so you'll know exactly what to do when the trailer finally pulls up. Understand horse social structure so you can introduce your new horse to others you already own. Help your horse deal with the stress of relocating and be sure to build good relationships with horse-care professionals. Tips are included for traveling to a show and

selecting a new home for your horse A bibliography and resource lists direct you to further information A Selection of the Equestrian Edge Book Club **Introducing...
