

Shylock A Play

Joseph L. Anderson

Shylock A Play:

The Shylock Play Julia Pascal, 2007-09-28 When Warsaw Ghetto escapee Sarah visits the Venice Ghetto she happens to witness a group of actors staging a dress rehearsal of *The Merchant of Venice* upon this chance encounter Sarah is confronted by the terrible story of *The Jew* which touches her own life Through this emotive and provocative play Julia Pascal re works Shakespeare's controversial text transposing the fervent theme of anti-Semitism raised by the bard playing it out in a contemporary setting Challenging the portrayal of *The Jew* that for many years has dominated society's attitudes towards the Jewish people Pascal ambitiously places her own text within Shakespeare's classic producing a thoroughly thought provoking and original work

Shylock Mark Leiren-Young, 1996 Shylock is an award winning play about a Jewish actor who finds himself condemned by his own community for his portrayal of Shakespeare's notorious Jew *Shylock, the Merchant of Venice* Alfred De Vigny, William Shakespeare, 2008-06-01 As with many of his French contemporaries Alfred de Vigny 1797-1863 enjoyed the challenge of reworking William Shakespeare's classic plays for a modern audience Shylock 1830 eliminates many of the comic elements of the master's original and focuses on the darker themes of racial prejudice and the relationship between Jew and gentile The result is another stunning resurrection and reinterpretation of a dramatic masterwork Translated for the very first time into English Since retiring from the legal profession FRANK J MORLOCK has translated over a hundred plays from eighteenth and nineteenth century French originals and has also penned a number of original dramas of his own In 2006 he was honored with an award from the North American Jules Verne Society He lives and works in Maryland

Shylock Is Shakespeare Kenneth Gross, 2010-10-21 Shylock the Jewish moneylender in *The Merchant of Venice* who famously demands a pound of flesh as security for a loan to his antisemitic tormentors is one of Shakespeare's most complex and idiosyncratic characters With his unsettling eloquence and his varying voices of protest play rage and refusal Shylock remains a source of perennial fascination

Shylock on the Stage Toby Bookholtz Lelyveld, 2013-04

Shylock of Venice Victor Sasson, 2012-07 Shylock of Venice is a sequel to Shakespeare's *The Merchant of Venice* While the trial scene in Shakespeare's play is crude unrealistic and unbelievable designed for the Christian riffraff the language of the play is very much poetic with classical and biblical allusions appreciable only by the educated In Shylock of Venice Portia and her male and female companions are exposed as legal impostors and day dreamers whose one year romantic marriages have collapsed All are toppled from the pinnacle of Belmont fantasy land for their kind of idealized romance based on good looks and money was destined to fall apart Shylock the Jew living among racist abusive Christians has his deserved day in court with a judge that is now more enlightened With foreign help and through more realistic and legal means Shylock is fully reinstated to his former situation and faith and united with his repentant daughter Jessica Shylock of Venice presents idealized romantic marriages that have collapsed a credible retrial in which punishment is meted out to court impersonators and Shylock is fully vindicated compensated and reinstated

The Golem, Methuselah, and Shylock Edward

Einhorn,2005 Edward Einhorn blends absurdist humor with philosophy in these critically acclaimed plays about legendary Jewish figures Golem Stories retells an old Kabalistic legend It s a ghost story and a love story about a childlike clay man who may be a demon inside In The Living Methuselah the oldest living man survives every disaster in human history with the help of his wife Serach the oldest living woman But when a doctor tells him he will only live until the end of the play will this be his final curtain To find the title character of A Shylock Jacob Levy interrogates every character in The Merchant of Venice but oddly Hamlet may know the most although this Hamlet is a woman And in One Eyed Moses and the Churning Red Sea Rabbi Tzipporah Finestein dreams Moses is a pirate captain but what do the dreams mean Two congregants hold the key

Shylock's Venice Harry Freedman,2024-02-15 The thrilling story of the Jews in Venice and the truth behind one of Shakespeare s most famous characters Millions of visitors flood to Venice every year Yet many are unaware of its history one of dramatic expansion but also of rapid decline And essential to any history of Venice during its glory days is the story of its Jewish population Venice gave the world the word ghetto Astonishingly the ghetto prison turned out to be as remarkable a place as the city of Venice itself With sound scholarship and a narrator s skill Harry Freedman tells the story of Venice s Jews From the founding of the ghetto in 1516 to the capture of Venice by Napoleon in 1797 he describes the remarkable cultural renaissance that took place in the Venice ghetto Gates and walls notwithstanding for the first time in European history Jews and Christians mingled intellectually learned from each other shared ideas and entered modernity together When it came to culture the ghetto walls were porous Any history of Venice and its Jews also can t avoid the story of Shakespeare s Shylock The cultural and political revival in the Venice ghetto is often obscured from history by this fictional character Who we wonder was Shylock Would the people of Venice have recognized him and what did Shakespeare really think of him Shakespeare s ambivalent anti Semitism reflects attitudes to Jews in Elizabethan England but as Freedman demonstrates Shakespeare s myth is wholly ignorant of the literary cultural and interfaith revival that Shylock would have experienced

Jewish Theatre Edna Nahshon,2009 While a frequently used term Jewish Theatre has become a contested concept that defies precise definition Is it theatre by Jews For Jews About Jews Though there are no easy answers for these questions Jewish Theatre A Global View contributes greatly to the conversation by offering an impressive collection of original essays written by an international cadre of noted scholars from Europe the United States and Israel The essays discuss historical and current texts and performance practices covering a wide gamut of genres and traditions *The Birth of Shylock and the Death of Zero Mostel* Arnold Wesker,1999 **The Truth about Shylock** Bernard Grebanier,2011-09-01 **Shylock's Daughter and Other Small Chips from Great Gems of Shakespeare** Jules Tasca,2007 Shylock s Daughter A new take on characters from Shakespeare s The Merchant of Venice Shylock s 16 year old daughter has fallen in love with a Catholic boy She s even willing to convert The two find a priest who while at first unwilling to marry them is swayed by the offer of gold that the girl can steal from her father Prince Lear A new take on characters from Shakespeare s King Lear The King s three

daughters await the birth of another child The king is hoping for a son an heir The girls hope otherwise Their mother dies in childbirth and by the time the King returns home the baby is dead as well The MacDuff Tragedy A new take on characters from Shakespeare s Macbeth As Macduff surveys the carnage and the corpses of his dead family they come to life and vent their recriminations against him for his actions It s better to be alive and in sorrow than to be dead Friar Falstaff A new take on one of Shakespeare s most beloved characters Recently dismissed by the king for his dissolute ways Falstaff arrives at the monastery where his only brother is a novice Falstaff has been evicted by his landlady and can t stand living with his mother He tells his brother that their mother desperately want him to leave the monastery and father children because she s afraid that their line will die out The brother believes Falstaff s story and escapes from the monastery

Broadway Plays and Musicals Thomas S. Hischak, 2009-04-22 New York City s Broadway district is by far the most prestigious and lucrative venue for American performers playwrights entertainers and technicians While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater this is the first single volume book to cover all of the activities on Broadway between 1919 and 2007 More than 14 000 productions are briefly described including hundreds of plays musicals revivals and specialty programs Entries include famous and forgotten works designed to give a complete picture of Broadway s history and development its evolution since the early twentieth century and its rise to unparalleled prominence in the world of American theater The productions are identified in terms of plot cast personnel critical reaction and significance in the history of New York theater and culture In addition to a chronological list of all Broadway productions between 1919 and 2007 the book also includes approximately 600 important productions performed on Broadway before 1919 , The Merchant of Venice Illustrated William

Shakespeare, 2021-04-11 The Merchant of Venice is a 16th century play written by William Shakespeare in which a merchant in Venice named Antonio defaults on a large loan provided by a Jewish moneylender Shylock It is believed to have been written between 1596 and 1599 Though classified as a comedy in the First Folio and sharing certain aspects with Shakespeare s other romantic comedies the play is perhaps most remembered for its dramatic scenes and is best known for Shylock and the famous Hath not a Jew eyes speech Also notable is Portia s speech about the quality of mercy The title character is the merchant Antonio not the Jewish moneylender Shylock who is the play s most prominent and most famous character

Enter a Samurai: Full text and illustrations Joseph L. Anderson, 2011 Looking back to the last years of the nineteenth century veteran producer director Joseph L Anderson draws upon a monumental body of research gleaned from libraries and archives in seven countries to introduce the Japanese theatrical impresario Kawakami Otojiro In 1899 Kawakami his wife the inspired dancer and actress Sadayakko and his troupe went on epochal performance tours of the U S and Europe introducing audiences to new forms of dramatic art and dance previously unseen in the West Possessed of boundless energy and limitless imagination Kawakami was a pioneer who quite literally viewed the world as his stage In the

closing decade of an all too brief life Kawakami introduced major reforms of Japanese performance and the theatre business Scholarly witty and filled with fascinating insights into the culture and conventions of fin de siecle America Europe and Japan Enter a Samurai opens a door into a little known yet vitally important era of modern theatrical history About the Author Joseph L Anderson has been enjoying Japanese and American plays and films for over seven decades During the 1950s and 1960s he wrote for and was an editorial board member on many little film magazines Later as professor of film in the Ohio University College of Fine Arts and adjunct in its Comparative Arts doctoral program in the early 1960s he pioneered university level studies of Japanese cinema He has a BA in history from Antioch College and an MA from Ohio State University and he was a language student at ICU Tokyo Anderson is the principal coauthor of The Japanese Film Art and Industry in print for fifty years Anderson was chief advisor for the Tokyo Broadcasting System academic program in Japanese Broadcasting Media and Culture and taught at the Tisch School of the Arts New York University He has been an assistant director and dialogue coach on American feature films shot in Japan as well as a director of documentary films a Variety stringer and a writer of subtitles for Japanese films In Hollywood and at WGBH Boston he developed computer generated subtitles for feature motion pictures the technique in use today During his career he directed two independent American feature films was an outside producer for ABC and CBS news specials director of special projects at the American Art Theatre Guild Mid West producer for the Candid Camera Company a puppeteer a neophyte comedian in burlesque an actor in lesser touring companies director of a children s theatre and an English language benshi live narrator of Japanese silent films In his teens he was a professional scenic artist stage carpenter and minor actor with several Equity summer stock theatres Anderson is now a retired vice president of WGBH Boston the organization that for several decades has produced more than a fourth of the television programs seen nationwide on PBS In 1989 he received the Japan Prize Nihonsho for WGBH and was a Japan Foundation senior fellow in 1975 *Talking Back to Shakespeare* Martha Tuck Rozett, 1994 This book is about the way in which Shakespeare s plays have inspired readers to talk back and about some of the forms such talking back can assume It is also about the way different interpretive communities including students read their cultural political and moral assumptions into Shakespeare s plays appropriating and transforming elements of plot character and verbal text while challenging what they see as the ideological premises of the plays Texts that talk back to Shakespeare pose questions offer alternatives take liberties and fill in gaps Some of the transformations discussed in Talking Back to Shakespeare challenge deeply held assumptions such as for instance that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer Others invent prior or subsequent lives for Shakespeare s characters women characters in particular so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do Very few of these works have received much critical attention and some are virtually unknown or forgotten Rather than a comprehensive study of Shakespeare transformations Talking Back to Shakespeare is an innovative exploration of the kinship between the kind of

talking back that occurs in the classroom and the kind to be found in texts produced by writers who rewrite some of Shakespeare's most frequently taught and performed plays. Such revisions unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing often irreverent scrutiny. Much of the talking back comes from marginalized readers: women like Lillie Wyman, author of *Gertrude of Denmark: An Interpretive Romance*, and other nineteenth-century women critics; or Jewish writers like Arnold Wesker whose play *The Merchant* transforms the relationship between Antonio and Shylock. Some talking back comes from an international collection of oppositional voices of the 1960s including Charles Marowitz, Aimé Césaire, Eugène Ionesco, and Joseph Papp. *Talking Back to Shakespeare* ranges from popular books like the recent Pulitzer Prize-winning novel *A Thousand Acres* by Jane Smiley to obscure, seldom-read ones like Percy MacKaye's ambitious four-play prequel *The Mystery of Hamlet, King of Denmark*. What these published texts share with student journal entries and transformations is the assumption familiar to postmodern readers that Shakespeare's plays are essentially unstable, culturally determined constructs capable of acquiring new meanings and new forms. By bringing together these two kinds of talking back, Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies.

The Merchant of Venice William Baker, Brian Vickers, 2025-05-15 This volume documents the full tradition of criticism of *The Merchant of Venice* ranging from 1775 to 1939. *The Merchant of Venice* has always been regarded as one of Shakespeare's most interesting plays though it poses many challenges due to what is seen as its inherent anti-Semitism. Before the 19th century, critical reaction is relatively fragmentary but between then and the late 20th century the critical tradition reveals the power of the play to evoke emotion in the theatre. Since the middle of the 20th century, reactions to the drama have been influenced by the Nazi destruction of European Jewry. An extensive introduction charts the reactions to the play up to the beginning of the 21st century and reflects changing reactions to prejudice in this period. Material by a variety of critics appears here for the first time since initial publication including Malone, Hazlitt, Jameson, Heine, Knight, Lewes, Halliwell, Phillips, Furnivall, Irving, Ruskin, Swinburne, Masfield, Gollancz, and Quiller-Couch. This revised edition features a new supplementary introduction by Gary Watt surveying and analyzing trends in criticism since the volume was first published in 2005, including a focus on Jewishness and anti-Semitism and the character of Shylock, mercantile financial risk, insurance, usury, and credit, trial law, rhetoric, equity, and justice, gender, queer themes, cross-dressing, and the Antonio-Bassanio relationship, race, and colonialism.

Shakespeare on the American Stage: From Booth and Barrett to Sothorn and Marlowe Charles Harlen Shattuck, 1976 This set of essays which surveys major developments in the winding down of nineteenth-century methods of Shakespeare staging spans the decades from the 1880s to about 1920. The Epilogue describes the American celebration of the Tercentenary of Shakespeare's death.

Forty-minute Plays from Shakespeare William Shakespeare, 1924

Yeah, reviewing a books **Shylock A Play** could amass your near friends listings. This is just one of the solutions for you to be successful. As understood, expertise does not suggest that you have wonderful points.
