Siberia Bound:

Siberia Bound Alexander Blakely, 2002 Recounts the adventures of an American entrepreneur in Siberia where he and Russian partner built a multi million dollar company and offers insights into the life in Novosibirsk [Cornell's Primary Geography](#) Sarah S. Cornell, 1857 **Great Siberian Migration** Donald Treadgold, 2015-12-08 What were the causes characteristics and effects of the great flood of migration over the Ural Mountains into Siberia in the late 19th and 20th centuries The author studies the background conditions fostering the migration and then the migration itself its actual course the establishment of settlements the legal political and economic factors involved It is the thesis of this book that the Siberian migration was related to other developments in Russian society of late Tsarist times which were tending to break down legal barriers between social classes and to provide all groups with greater access to economic opportunity Originally published in 1957 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [Host Bibliographic Record for Bound with Item Barcode 30112088655649](#) ,1906 [Host Bibliographic Record for Bound with Item Barcode 30112088655532](#) ,1905 [CORNELL'S PRIMARY GEOGRAPHY S.S. countries that intervened in Russia Larry Hannant editor of *The Politics of Passion* Norman Behtune's *Writing and Art From Victoria to Vladivostok* sheds new light on a part of Canadian history that previous scholars have written off as a mere sideshow a rather embarrassing episode that had no impact on the First World War In contrast Isitt sees the problems that befell the Expedition as being rooted in conflicting views of Bolshevism in Canada and different perceptions of the logic behind an intervention in Russia In this his contribution is both significant and original Jonathan Vance author of *Unlikely Soldiers* *How Two Canadians Fought the Secret War against Nazi Occupation* This highly readable and provocative book brings to life a forgotten chapter in the history of Canada and Russia the journey of 4 200 Canadian soldiers from Victoria to Vladivostok in 1918 to help defeat Bolshevism It illuminates how the Siberian Expedition exacerbated tensions within Canadian society at a time when a radicalized working class many French Canadians and even the soldiers themselves objected to a military adventure designed to counter the Russian Revolution BOOK JACKET
