Siberian Dawn Jeffrey Tayler, 1999 No guidebook existed for my route no one had ever done it before writes Tayler As the first American to visit many of the places he goes his reports on a country in transition are timely and unforgettable It is also the account of one man s love for a fragile desperately troubled country      River of White Nights Jeffrey Tayler, 2006-07-27 Jeffrey Tayler s intrepid journey up the Lena a river closed to the world during the Soviet era took him through some of Siberia s wildest and most hauntingly beautiful regions and brought him into contact with many groups of isolated villagers These people survive in this region now a wild frontier that lives off the diamond trade cut off from the world by lack of roads neglected by the Russian government and prey to alcoholism Their untold stories form the the focus of the book set against the backdrop of Tayler s descriptions of incredibly harsh weather conditions and his adventures in negotiating permission to travel in the region with Russian authorities and then navigating the Lena to its mouth in the Laptev Sea above the arctic circle      **River of No Reprieve** Jeffrey Tayler, 2021-05-12 The author of In Putin s Footsteps chronicles a deadly trek through the icy Russian region known for gulags and isolation In a custom built boat Jeffrey Tayler travels some 2 400 miles down the Lena River from near Lake Baikal to high above the Arctic Circle recreating a journey first made by Cossack forces more than three hundred years ago He is searching for primeval beauty and a respite from the corruption violence and self destructive urges that typify modern Russian culture but instead he finds the roots of that culture in Cossack villages unchanged for centuries in Soviet outposts full of listless drunks in stark ruins of the gulag and in grand forests hundreds of miles from the nearest hamlet That s how far Tayler is from help when he realizes that his guide Vadim a burly Soviet army veteran embittered by his experiences in Afghanistan detests all humanity including Tayler Yet he needs Vadim s superb skills if he is to survive a voyage that quickly turns hellish They must navigate roiling whitewater in howling storms eschewing life jackets because as Vadim explains the frigid water would kill them before they could swim to shore Though Tayler has trekked by camel through the Sahara and canoed down the Congo during the revolt against Mobutu he has never felt so threatened as he does now Praise for River of No Reprieve This is a fiercely evocative account of an astonishing journey wrenched out of near disaster Colin Thubron author of In Siberia and The Lost Heart of Asia Nonfiction adventure at its best A page turner from cover to cover Adventure Journey Reads like a Dantean tour of purgatory providing a gloomily beautiful glimpse of nature and humanity at its bleakest edges Men s Journal
