**The Sibley Birder's Life List and Field Diary** David Allen Sibley, 2017-03-14 From leading ornithologist and bestselling author David Sibley comes this essential write-in field companion for all levels of birders. This indispensable birder's companion includes both ample space for on-site notes and a life list to be filled in by the legions of passionate birders who have bought Sibley's bestselling guides. Included are entries for the 923 species found in the United States and Canada, with space for recording where and when a bird was seen and for notes or memories about the sighting. At the back is a complete checklist of all the birds for building the life list.

**Peterson Reference Guide to Bird Behavior** John Kricher, 2020 This book is your key to unlocking the mysteries and complexities of bird behavior. Written in an informal conversational style, with technical jargon kept to a minimum, John Kricher takes the observation-explanation approach. After noting particular behaviors that you might easily observe in the field, he explains the science and adaptation underlying those actions. Birds think their actions are purposeful, not random. Why is that bird doing what it is doing? After a brief primer on how to watch behavior in birds and an overview of their biology, the remainder of the book highlights the most distinctive behaviors you will likely observe as you encounter and watch birds of various families. Many of these behaviors are shown in the nearly 400 color photographs throughout the book. Once you have learned how to have birds tell you about their lives by carefully observing and thinking about their actions, birds will become far more compelling than merely names to be marked on a checklist. Peterson Reference Guides offer authoritative, comprehensive information, including detailed text, maps, and superior illustrations. Written by expert authors, the guides are an unparalleled resource for understanding specific groups of animals. Book jacket.

**SIBLEY BACKYARD BIRDING FLASHCARDS** DAVID ALLEN SIBLEY, 2023 *What It's Like to Be a Bird (Adapted for Young Readers)* David Allen Sibley, 2023-10-03 In this edition for young readers, adapted from the bestselling work written and illustrated by David Allen Sibley, readers will find a unique treasure trove of fascinating facts about birds, paired with more than 300 full-color illustrations, some life-size. The extraordinary world of birds is brought to life on the page. Did you know that many species of birds have sensory abilities that surpass those of humans? Or that some birds spend the entire winter in the air and even sleep while flying? Have you ever wondered why birds have feathers? Or why they are a particular color? Have you noticed that some bird song sounds like a musical scale? Maybe you're more interested in how questions are answered: How do birds actually fly or swim? How and why do some birds migrate? How do they find food? How do they take care of their offspring? Birds are not only beautiful and fascinating, but they also serve an essential role in our ecosystem. This

book shows how birds and humans are intrinsically connected sometimes helping and sometimes hindering each other Perfect for dedicated birdwatchers or for anyone who simply delights in noticing birds in their neighborhood Readers can explore share and return to the pages again and again each time gaining a broader appreciation for our enchanting feathered friends *Sibley's Back.
