Sick Humor Outrageous But True Medical Stories From The Er To The Or:

Sick Humor Allan Zullo, Martha L. Moffett, 1996 A collection of humorous anecdotes relates true medical stories contributed by doctors, nurses and patients **American Book Publishing Record**, 1996-05 [Subject Guide to Books in Print](#), 1997 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09

The Placebo Chronicles Douglas Farrago, M.D., 2009-07-08 True Tales of the ridiculous, the silly and the just plain weird cases doctors face lampooning the medical bureaucracy that makes practicing medicine and getting medical care such a headache. Doctors have a sick sense of humor. This is the deep dark and hilarious secret of the medical profession revealed by the irreverent Dr Douglas Farrago in his popular satirical magazine Placebo Journal affectionately known by its thousands of fanatic readers as Mad magazine for doctors and called by U S News.com raunchy, adolescent and very funny. Now in The Placebo Chronicles Dr Farrago has compiled the best of the most outrageous and uproarious true stories to come out of the ERs and examination rooms of doctors all over the country. Submitted by actual physicians, these are the stories they tell each other at cocktail parties and in doctors' lounges, trading sidesplitting and truly unusual tales of their most embarrassing medical moments, the grossest things they've ever seen in medicine, their favorite Munchausen patients and much more, including The X-Ray Files, mind-boggling anecdotes and images of the oddest foreign objects doctors have removed from patients. Not for the faint of heart, the humor in The Placebo Chronicles is brutally funny, just what the doctor ordered to guard against the ill effects of an M.D.'s worst enemies: the Medical Axis of Evil, aka drug companies, HMOs and malpractice insurers. Fully illustrated with fake advertisements for pseudopharmaceuticals like OxyCotton Candy and Indifferex, the mediocre antidepressant, this refreshingly honest collection invites doctors and patients alike to share the laughter, a liberal dose of the very best medicine. **Forthcoming Books** Rose Arny, 1996-06 **What's Normal Anyway? Own Stories of Mental Illness Anna Gekoski, Steve Broome, 2014-03-06 Nobody is immune from mental ill health, not even celebrities. We all know someone who suffers from mental illness. It may be a family member, friend, neighbour or colleague. Now or in the future, it might be you. Here for the first time, ten celebrities share their experiences of conditions including depression and anxiety, bipolar disorder and OCD, eating disorders and body dysmorphia. From Premiership footballer Dean Windass to TV presenter Trisha Goddard, their candid first-person accounts detail the day-to-day reality of living with a mental health disorder, as well as the nervous breakdowns, stays in psychiatric hospitals and suicide attempts. They also show that ultimately, mental illness need not limit achievement, happiness and fulfilment in life. These frank and honest stories help us to better understand mental illness, offer practical coping strategies and give encouragement and solace for everyone out there who feels they are suffering alone. What's Normal Anyway shows that nobody is immune from mental ill health and shares powerful messages of positivity and hope. Contributors include Bill Oddie, Alicia Douvall, Alastair Campbell, Stephanie Cole, Kevan Jones, Dean Windass, Trisha Goddard, Charles Walker, Tasha Danvers and Richard Mabey. [Licensed to Kill](#)
