Sickles The Incredible A Biography Of Daniel Edgar Sickles

Lawrence M. Friedman

Sickles The Incredible A Biography Of Daniel Edgar Sickles:

Sickles the Incredible William Andrew Swanberg, 1956 The life of a Civil War general congressman tried for murder friend of five Presidents diplomat spendthrift and libertine one of the gaudiest of American figures Daniel Sickles: A Life Garry Boulard, 2019-11-19 The name Daniel Sickles and the word controversy are synonymous Any student of 19th century American political history is familiar with Sickles 1859 murder of Philip Barton Key the son of Francis Scott Key who had seduced Sickles young wife That murder because Sickles was at the time a New York Congressman and Key a district attorney for Washington captured the country's imagination a front page event that inevitably ensnared President James Buchanan a close Sickles friend inviting in the process explorations of what was seen as a sordid Washington society of the late 1850s Civil War historians know Sickles as the General who led the men of the Union's III Corps out onto the exposed expanse of the Peach Orchard at Gettysburg a decision many scholars have regarded as disastrous and one that nearly led to an overall Union defeat at the famous battlefield while losing for Sickles his right leg from Confederate shelling But these two singular if spectacular events in a very real sense represent only two days out of an extraordinary lifetime of 94 years The rest of Sickles career was made up of his rise as a young stalwart of New York's notorious Tammany Hall his two terms in Congress leading up to the Civil War his contentious service as a military governor of the Carolinas after the War his newsworthy tenure as U S Minister to Spain in the late 1860s and early 70s and even his stint at the age of 70 as the sheriff of the county encompassing New York City Beyond the headlines were Sickles relationships with presidents ranging from Franklin Pierce to Abraham Lincoln and Ulysses S Grant not to mention an improbable friendship with Theodore Roosevelt at the turn of the century Daniel Sickles A Life is the first full length published treatment looking in depth at the entirety of one man's almost unbelievably colorful and contentious career Garry Boulard is the author of The Expatriation of Franklin Pierce The Story of a President and the Civil War iUniverse 2006 and The Worst President The Story of James Buchanan iUniverse 2015 Boulard's essays and reviews have appeared in the Journal of Southern History Journal of Ethnic Studies Louisiana History Journal of Mississippi History and Florida Historical Quarterly among many other publications

Generals in Blue and Gray Wilmer L. Jones, 2006-02-20 This volume uses biographical sketches of twenty one Union generals to tell the story of the Civil War and examine the implementation of Northern strategy Among these generals are prominent figures like Ulysses S Grant George McClellan and William T Sherman as well as Daniel Sickles whose actions sparked intense controversy at Gettysburg and the lesser known John McClernand a congressman who lobbied for his own appointment In Wilmer Jones's accounts which focus on character personality leadership ability military skill and politics each general comes starkly to life

Gettysburg: What Duty Demanded Daniel P. Bricker, 2024-11-30 On three hot days in early July of 1863 America stood at a crossroads Two armies faced each other in a battle that might determine the course of the nation Would the country that was founded with such high ideals in 1776 continue or would it be divided and another country be

established alongside it Much was riding on the decisions made by the Southern high command as they attempted to defeat the Union Army and threaten Washington D C This book takes the reader through the command decisions the troop movements and the combat action of the battle In addition to the narrative of the battle there are biographical sketches which tell about many of the leaders who were engaged in this struggle offering a human side to the conflict This war has often been described by scholars as the first modern war in history due to the advancements in weapons and ammunition Many of those technologies are described and the implications of those advancements on the soldiers involved Gettysburg is remembered as a pivotal battle in the Civil War a war that pitted brother against brother friend against friend neighbor against neighbor

Crime Without Punishment Lawrence M. Friedman, 2018-05-31 Explores different examples of unpunished homicides and what these tell us about the interaction of law and society

The Civil War in Popular Culture Randal Allred, 2014-01-14 An important read for anyone trying to sort through the current social and political controversy over the question of how do we memorialize the Civil War Strategy Page Dividing the nation for four years the American Civil War resulted in 750 000 casualties and forever changed the country s destiny The conflict continues to resonate in our collective memory and U S economic cultural and social structures still suffer the aftershocks of the nation s largest and most devastating war Over a century and a half later portrayals of the war in books songs cinema and other cultural media continue to draw widespread attention and controversy In *The Civil War in Popular Culture Memory and Meaning* editors Lawrence A Kreiser Jr and Randal Allred analyze American depictions of the war across a variety of mediums from books and film to monuments and battlefield reunions to reenactments and board games This collection examines how battle strategies famous generals and the nuances of Civil War politics translate into contemporary popular culture This unique analysis assesses the intersection of the Civil War and popular culture by recognizing how memories and commemorations of the war have changed since it ended in 1865

All Roads Led to Gettysburg Troy D. Harman, 2022-08-15 It has long been a trope of Civil War history that Gettysburg was an accidental battlefield General Lee the old story goes marched blindly into Pennsylvania while his chief cavalryman Jeb Stuart rode and raided incommunicado Meanwhile General Meade in command only a few days gave uncertain chase to an enemy whose exact positions he did not know And so these ignorant armies clashed by first light at Gettysburg on July 1 1863 In the spirit of his iconoclastic *Lee s Real Plan at Gettysburg* Troy D Harman argues for a new interpretation once Lee invaded Pennsylvania and the Union army pursued a battle at Gettysburg was entirely predictable perhaps inevitable Most Civil War battles took place along major roads railroads and waterways the armies needed to move men and equipment and they needed water for men horses and artillery And yet this perspective hasn t been fully explored when it comes to Gettysburg Look at an 1863 map says Harman look at the area framed in the north by the Susquehanna River and in the south by the Potomac in the east by the Northern Central Railroad and in the west by the Cumberland Valley Railroad This is where the armies played a high stakes game of chess in late June 1863 Their movements

were guided by strategies of caution and constrained by roads railroads mountains and mountain passes rivers and creeks all of which led the armies to Gettysburg It s true that Lee was disadvantaged by Stuart s roaming and Meade by his newness to command which led both to default to the old strategic and logistical bedrocks they learned at West Point and these instincts helped reinforce the magnetic pull toward Gettysburg Moreover once the battle started Harman argues the blue and gray fought tactically for the two creeks Marsh and Rock essential for watering men and horses and sponging artillery that mark the battlefield in the east and the west as well as for the roadways that led to Gettysburg from all points of the compass This is a perspective often overlooked in many accounts of the battle which focus on the high ground the Round Tops Cemetery Hill as key tactical objectives Gettysburg Ranger and historian Troy Harman draws on a lifetime of researching the Civil War and more than thirty years of studying the terrain of Gettysburg and south central Pennsylvania and northern Maryland to reframe the story of the Battle of Gettysburg In the process he shows there s still much to say about one of history s most written about battles This is revisionism of the best kind The First Republican Army John H. Matsui,2017-01-04 Although much is known about the political stance of the military at large during the Civil War the political party affiliations of individual soldiers have received little attention Drawing on archival sources from twenty five generals and 250 volunteer officers and enlisted men John Matsui offers the first major study to examine the ways in which individual politics were as important as military considerations to battlefield outcomes and how the experience of war could alter soldiers political views The conservative war aims pursued by Abraham Lincoln s generals and to some extent the president himself in the first year of the American Civil War focused on the preservation of the Union and the restoration of the antebellum status quo This approach was particularly evident in the prevailing policies and attitudes toward Confederacy supporting Southern civilians and slavery But this changed in Virginia during the summer of 1862 with the formation of the Army of Virginia If the Army of the Potomac the major Union force in Virginia was dominated by generals who concurred with the ideology of the Democratic Party the Army of Virginia though likewise a Union force was its political opposite from its senior generals to the common soldiers The majority of officers and soldiers in the Army of Virginia saw slavery and pro Confederate civilians as crucial components of the rebel war effort and blamed them for prolonging the war The frustrating occupation experiences of the Army of Virginia radicalized them further making them a vanguard against Southern rebellion and slavery within the Union army as a whole and paving the way for Abraham Lincoln to issue the Emancipation Proclamation **Upon the Fields of Battle** Andrew S. Bledsoe,Andrew F. Lang,2018-11-07 New developments in Civil War scholarship owe much to removal of artificial divides by historians seeking to explore the connections between the home front and the battlefield Indeed scholars taking a holistic view of the war have contributed to our understanding of the social complexities of emancipation of freedom in a white republic and the multifaceted experiences of both civilians and soldiers Given these accomplishments research focusing on military history prompts prominent and recurring debates among Civil War historians Critics of traditional

military history see it as old fashioned too technical or irrelevant to the most important aspects of the war Proponents of this area of study view these criticisms as a misreading of its nature and potential to illuminate the war The collected essays in *Upon the Fields of Battle* bridge this intellectual divide demonstrating how historians enrich Civil War studies by approaching the period through the specific but nonetheless expansive lens of military history Drawing together contributions from Keith Altavilla Robert L Glaze John J Hennessy Earl J Hess Brian Matthew Jordan Kevin M Levin Brian D McKnight Jennifer M Murray and Kenneth W Noe editors Andrew S Bledsoe and Andrew F Lang present an innovative volume that deeply integrates and analyzes the ideas and practices of the military during the Civil War Furthermore by grounding this collection in both traditional and pioneering methodologies the authors assess the impact of this field within the social political and cultural contexts of Civil War studies *Upon the Fields of Battle* reconceives traditional approaches to subjects like battles and battlefields practice and policy command and culture the environment the home front civilians and combatants atrocity and memory revealing a more balanced understanding of the military aspects of the Civil War s evolving history

And the War Came Donald J. Meyers, 2005 This detailed account of slavery in America from Jamestown through the Civil War explains its economic importance in the North as well as the South its impact on the political dynamics of the Civil War and the moral dilemmas it posed Provided by publisher

Self-Evident Truths Richard D. Brown, 2017-02-21 From a distinguished historian a detailed and compelling examination of how the early Republic struggled with the idea that all men are created equal How did Americans in the generations following the Declaration of Independence translate its lofty ideals into practice In this broadly synthetic work distinguished historian Richard Brown shows that despite its founding statement that all men are created equal the early Republic struggled with every form of social inequality While people paid homage to the ideal of equal rights this ideal came up against entrenched social and political practices and beliefs Brown illustrates how the ideal was tested in struggles over race and ethnicity religious freedom gender and social class voting rights and citizenship He shows how high principles fared in criminal trials and divorce cases when minorities women and people from different social classes faced judgment This book offers a much needed exploration of the ways revolutionary political ideas penetrated popular thinking and everyday practice

City of Sedition John Strausbaugh, 2016-08-02 In a single definitive narrative *City of Sedition* tells the spellbinding story of the huge and hugely conflicted role New York City played in the Civil War No city was more of a help to Abraham Lincoln and the Union war effort or more of a hindrance No city raised more men money and materiel for the war and no city raised more hell against it It was a city of patriots war heroes and abolitionists but simultaneously a city of antiwar protest draft resistance and sedition Without his New York supporters it s highly unlikely Lincoln would have made it to the White House Yet because of the city s vital and intimate business ties to the Cotton South the majority of New Yorkers never voted for him and were openly hostile to him and his politics Throughout the war New York City was a nest of antiwar Copperheads and a haven for deserters and draft dodgers

New Yorkers would react to Lincoln's wartime policies with the deadliest rioting in American history. The city's political leaders would create a bureaucracy solely devoted to helping New Yorkers evade service in Lincoln's army. Rampant war profiteering would create an entirely new class of New York millionaires, the shoddy aristocracy. New York newspapers would be among the most vilely racist and vehemently antiwar in the country. Some editors would call on their readers to revolt and commit treason; a few New Yorkers would answer that call. They would assist Confederate terrorists in an attempt to burn their own city down and collude with Lincoln's assassin. Here in *City of Sedition*, a gallery of fascinating New Yorkers comes to life: the likes of Horace Greeley, Walt Whitman, Julia Ward Howe, Boss Tweed, Thomas Nast, Matthew Brady, and Herman Melville. This book follows the fortunes of these figures and chronicles how many New Yorkers seized the opportunities the conflict presented to amass capital, create new industries, and expand their markets, laying the foundation for the city's and the nation's growth. **WINNER OF THE FLETCHER PRATT AWARD FOR BEST NON FICTION BOOK** **American**

Scoundrel Thomas Keneally, 2003-05-13. Hero, adulterer, bon vivant, murderer, and rogue, Dan Sickles led the kind of existence that was indeed stranger than fiction. Throughout his life, he exhibited the kind of exuberant charm and lack of scruple that wins friends, seduces women, and gets people killed. In *American Scoundrel*, Thomas Keneally, the acclaimed author of *Schindler's List*, creates a biography that is as lively and engrossing as its subject. Dan Sickles was a member of Congress, led a controversial charge at Gettysburg, and had an affair with the deposed Queen of Spain among many other women. But the most startling of his many exploits was his murder of Philip Barton Key, son of Francis Scott Key, the lover of his long-suffering and neglected wife, Teresa. The affair, the crime, and the trial contained all the ingredients of melodrama needed to ensure that it was the scandal of the age. At the trial's end, Sickles was acquitted and hardly chastened. His life, in which outrage and accomplishment had equal force, is a compelling American tale told with the skill of a master narrative. **The**

72nd New York Infantry in the Civil War Rick Barram, 2014-04-04. This is the story of the men who fought and died in the 72nd New York Volunteer Infantry during the Civil War. Part of Dan Sickles' famed Excelsior Brigade, the 72nd New York served in all the major actions associated with the III Corps, losing one-fourth or more of the regiment in three different engagements. The narrative of the war is told in the words of the men who were there: drawing on soldiers' letters, diaries, memoirs, many unpublished or obscure, and official reports, this work follows these men from the exciting beginnings of recruitment, the boredom and frustrations of life policing the secessionist countryside of Southern Maryland, through to the eventual disbanding of the regiment in July of 1864, after being bloodied at Williamsburg, the Peninsula, Chancellorsville, Gettysburg, and the Overland Campaign. A final chapter offers a brief account of many of the men's lives following the war. Included in the work are photographs, period illustrations, maps, and an organizational chart. A complete roster is arranged by company, with chronologies of officers' service. [Special Bibliography - US Army Military History Research Collection](#) US Army Military History Research Collection, 1974. *The Great Invasion of 1863, Or, General Lee in Pennsylvania, Embracing*

an Account of the Strength and Organization of the Armies of the Potomac and Northern Virginia ... with an Appendix Containing an Account of the Burning of Chambersburg, Pennsylvania, a Statement of the General Sickles Controversy, and Other Valuable Historic Papers Jacob Hoke, 1992 This author visited both armies in their camps and in their hospitals examined the battlefields and questioned the officers His motive was patriotic and in the end nonpartisan for he viewed the events at Gettysburg as part of a historic design that transcended sectional strife Thus although writing from what was essentially a Unionist standpoint he consciously strove to avoid partiality in his account He preserved all the important papers and documents relating to Gettysburg which came into his hands noted all the facts and incidents and corresponded with Federal and Confederate officers who were in a position to impart information In addition he also had access to the papers of Federal and Confederate writers whose works he felt could shed some light on behind the line activities in both camps

Sickles The Incredible A Biography Of Daniel Edgar Sickles Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sickles The Incredible A Biography Of Daniel Edgar Sickles free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sickles The Incredible A Biography Of Daniel Edgar Sickles free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sickles The Incredible A Biography Of Daniel Edgar Sickles free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sickles The Incredible A Biography Of Daniel Edgar Sickles. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sickles The Incredible A Biography Of Daniel Edgar Sickles any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sickles The Incredible A Biography Of Daniel Edgar Sickles Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
