Except for one or two decisions he carefully selected characters which would reflect his own life experience struggles and desire for radical change Over the decades he has become a somewhat reluctant icon put on a pedestal by a generation of black celebrities and film stars for choosing roles that gave both black and white Americans an alternative picture of society Too perfect for some too imperfect for others his work attracted critical opinion that was as differentiated as black is to white This book takes a look at Poitier s early life and work in the 1960s and early 70s the people who influenced his career and a fascinating sample of the contemporary critical views In the beginning Poitier was a supporting actor in films with Hollywood stars such as Clark Gable and Tony Curtis In 1964 he won an Oscar as Best Actor in *Lilies of the Field* A few years later he was in the box office hit *Guess Who s Coming to Dinner* co starring with the legendary Spencer Tracy and Katharine Hepburn Five years after that he was the first time film director of a ground breaking Western *Buck and the Preacher* The transition from popular black actor to acceptance as a director was challenging As an actor director he had multiple hits in the 1970s with *Uptown Saturday Night* *Let s Do It Again* and *A Piece of the Action* His biggest hit was *Stir Crazy* in 1981 starring Gene Wilder and Richard Pryor The Sidney Poitier directed film eventually grossed almost a 100 million in American theaters alone Philip Powers book *Sidney Poitier Black and White* explores the events in the sixties in the United States where Poitier was occasionally a minor player where Poitier was a teenage bystander for many years as his life was swept up in black white confrontations It looks at the people in Hollywood like Stanley Kramer who were responsible for addressing the big issues of the period It explores the lives of people Poitier knew well and worked with in the volatile environment of that period in America It describes the racism Poitier endured when he couldn t eat in certain restaurants or stay in particular hotels When a policeman put the muzzle of a gun to Poitier s forehead and threatened to shoot him As part of Poitier s journey he became involved in the civil rights movement in the 1960s lending his supporting to Dr Martin Luther King Jr He worked with his friend Harry Belafonte a pop superstar who marched with Dr King on many occasions to demand societal change for African Americans *Black and White* explores these events using the words of the media to illustrate Poitier s journey from a poor black boy to a black icon an inspiration to millions of black people who didn t know it could be done

The Measure of a Man Sidney Poitier, 2007-01-26 I have no wish to play the pontificating fool pretending that I ve suddenly come up with the answers to all life s questions Quite that contrary I began this book as an exploration an exercise in self questing In other words I wanted to find out as I looked back at a long and complicated life with many twists and turns how well I ve done at measuring up to the values I myself have set Sidney Poitier In this luminous memoir a true American icon looks back on his celebrated life and career His body of work is arguably the most morally significant in cinematic history and the power and influence of that work are indicative of the character of the man behind the many storied roles Sidney Poitier here explores these elements of character and personal values to take his own measure as a man as a husband and a father and as an actor Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense

of right and wrong and of self worth that he has never surrendered and that have dramatically shaped his world In the kind of place where I grew up recalls Poitier what s coming at you is the sound of the sea and the smell of the wind and momma s voice and the voice of your dad and the craziness of your brothers and sisters and that s it Without television radio and material distractions to obscure what matters most he could enjoy the simple things endure the long commitments and find true meaning in his life Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents Just a few years after his introduction to indoor plumbing and the automobile Poitier broke racial barrier after racial barrier to launch a pioneering acting career Committed to the notion that what one does for a living articulates to who one is Poitier played only forceful and affecting characters who said something positive useful and lasting about the human condition Here is Poitier s own introspective look at what has informed his performances and his life Poitier explores the nature of sacrifice and commitment price and humility rage and forgiveness and paying the price for artistic integrity What emerges is a picture of a man in the face of limits his own and the world s A triumph of the spirit The Measure of a Man captures the essential Poitier

American Legends Charles River Editors, 2014-07-24 Includes pictures Includes Poitier s quotes about his own life and career Includes a bibliography for further reading In my case the body of work stands for itself I think my work has been representative of me as a man Sidney Poitier To be compared to Jackie Robinson is an enormous compliment but I don t think it s necessarily deserved Sidney Poitier A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known Near the end of the 20th century the American Film Institute ranked the greatest actors and actresses who worked during the Golden Era of Hollywood and the first half of the 1900s and Sidney Poitier was ranked 22nd among the men Given the company he was surrounded by such a distinction could be considered honor enough but Poitier also happened to be the only minority on the list an accomplishment made all the more incredible given the systematic discrimination he faced within the industry and the land where he grew up Though he spent much of his childhood in the Bahamas Poitier was born in Miami and was exposed to the effects of Jim Crow at a young age where he came face to face with Jim Crow With no good educational opportunities Poitier struggled to even learn how to read as a teen and after a stint in the Army it s unclear where his life was headed until he successfully auditioned for a spot in the American Negro Theater an organization that staged plays during the 1940s and helped groom both Poitier and Harry Belafonte to be actors Poitier slowly but surely broke into Hollywood during the 1950s becoming the first black man to be nominated for an Oscar for his role in The Defiant Ones Naturally many of Poitier s films dealt with the tensions of integration in America and as he once

noted he was often the only black person on the set It was unusual for me to be in a circumstance in which every move I made was tantamount to representation of 18 million people In 1964 at the height of the Civil Rights Movement Poitier fittingly became the first black actor to win the Oscar for Best Actor thanks to his role in *Lilies of the Field* and his best known movie might be *Guess Who's Coming to Dinner* which dealt with interracial relationships at a time when they were still controversial Today Poitier is widely considered an American icon who helped break down barriers for minorities in Hollywood and as a testament to courage and willpower in the face of discrimination off screen He has been given too many honorary awards to count and he recently received the Presidential Medal of Freedom in 2012 *American Legends The Life of Sidney Poitier* chronicles the life and roles of the iconic actor Along with pictures of important people places and events you will learn about Poitier like never before in no time at all **The Measure of a Man** Sidney Poitier, 2008 The memoir of Sidney Poitier the first African American to win the Academy Award for best actor From his childhood on Cat Island in the Bahamas to international fame in Hollywood this beautifully written memoir looks at what informed Poitier's performances and his life Provided by publisher *Sidney Poitier* Nicholas Peter Georgiady, Louis G.
