An immersive and electrifying account of a defining episode in the English Civil War that illuminates the human experience and human cost of this devastating war It was a time of puritans and populism witch hunts and civil war Between 1643 and 1645 Basing House in Hampshire England was besieged three times To the parliamentary Roundheads the house symbolized everything that was wrong with England it was the largest private residence in the country a bastion of royalism and excess Its owner the Marquess of Winchester reportedly had the motto Love loyalty etched into the windows Winchester refused all terms of surrender When he discovered his brother plotting to betray the house he forced him to hang his accomplices When the garrison divided along religious lines Winchester expelled all the Protestants As royalist strongholds crumbled around the

country the Winchesters and Basing House stood firm The famed architect Inigo Jones designed fortifications gamekeepers became snipers and the women hurled bricks at the besiegers Loyalty House as it was known became the king s principal garrison But the drum of the parliamentary army beat ever louder and closer and in October 1645 Oliver Cromwell rolled in the heavy guns The Siege of Loyalty House tells the story of these dramatic events not only recounting the sallies and skirmishes but the experiences of the men women and children caught in the crossfire What was it like to be under siege lying in bed with shells crashing through the window What was it like to conduct a siege sleeping on frosty fields receiving news of sick children at home from desperate wives Ultimately the story of Basing House is the story of England in the 1640s a tale of brother against brother of women on the frontline of radicalism iconoclasm and fanaticism It is a tale of destruction and derring do courage and cowardice and a house on fire the true end of an era **Monkey Taming** Judith

Fathallah,2015-05-29 You ve eaten too much you fat pig When Jessica was thirteen years old she met the Monkey The Monkey lived inside her a driving fiery voice telling her that thinness was the only way The only way to be safe to be good to be acceptable and above all to escape from the cold looming threat of approaching adulthood Jessica listened to the Monkey and it consumed her This is the illuminating story of a teenage girl s wanderings in darkness the spiral down into madness the terrible realities of an adolescent psychiatric unit and the stark choice that she must either tame her monster or die Through memory reflection and enduring black humour Jessica makes a tenuous peace with the world and with her emerging adult self **In The Grip Of Winter** Colin Dann,2011-09-30 In the depths of winter with snow thick on the ground Badger lies alone and injured No one knows where he is and the icy cold is tightening its grip every second What will happen to Badger And can the other animals of Farthing Wood survive the harsh cold and piercing hunger that winter has brought
