Osman Newland,1969 **Sierra Leone** Katrina Manson,James Knight,2009 Travel Guide **Securing Sierra Leone, 1997-2013** Peter Albrecht,Paul Jackson,2015-06-19 Between 1991 and 2002 Sierra Leone was wracked by a devastating civil war and the complete collapse of state institutions Since then however the UK s contribution to post war reconstruction has been widely held up as an example of successful stabilisation and state building particularly of the country s security and justice institutions **Securing Sierra Leone 1997 2013** examines how the process of state building through security sector reform developed in Sierra Leone and the impact of this experience on international conceptualisations of such reform as well as on international interventions more broadly The study is the most detailed of its kind based on a comprehensive analysis of UK engagement in Sierra Leone between 1997 and 2013 including a host of first hand accounts from key local and international actors This monograph shows why the UK intervention in Sierra Leone has been a relative success However it also questions the sustainability of state building efforts that are driven by concepts of the liberal state In Sierra Leone critical challenges remain not least in the combination of a particular vision of what a state should look like and the unrealistic expectations of
