**Mountaineer** ,1916      *Lost Ski Areas of Tahoe and Donner* Ingrid P. Wicken,2020 At the beginning of the twentieth century Lake Tahoe and the Donner Summit region became California s first developed winter sports areas Plentiful snowfall and newly built highways opened up the summer playground for visitors year round and skiing flourished The Sierra Ski Club formed in 1925 attracting members eager to experience everything the mountains had to offer People flocked to the slopes visiting places like Clair Tappaan Lodge in Soda Springs boasting one of the summit s earliest ski tows and the Yuba Gap Lodge a pioneer in night skiing Join Ingrid P Wicken award winning author and ski historian as she recounts the fascinating beginnings of this celebrated ski hub      **Ansel Adams** Anne Hammond,Ansel Adams,2002-01-01 Despite his significance little scholarly attention has been paid to Adams s contributions as an artist or his place in photographic history This handsome book addresses this gap by looking beyond his reputation as a Sierra Club environmentalist and examining in depth his life as an artist and the complexities of his creative vision 80 illustrations      **New York Magazine** ,1971-05-31 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **The Mountaineer** ,1924      **Illustrated Outdoor World and Recreation** ,1915      **Sierra Club 2013 Wilderness Calendar** Sierra Club,2012-07-24 With nearly 10 million copies sold the Sierra Club wall calendar is a perennial favorite The 2013 edition is as always the definitive one of its type with dramatic and awe inspiring color photographs of wild places all across the country from Oregon to Minnesota to South Carolina taken by world renowned nature photographers      **Mother Jones Magazine** ,1990-11 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues      **Natural Rivals** John Clayton,2019-08-06 John Muir and Gifford Pinchot have often been seen as the embodiment of conflicting environmental philosophies Muir the preservationist and co founder of the Sierra Club Pinchot the first chief of the U S Forest Service advocating sustainability in timber harvests instituted conservation The idealistic Muir saw nature as something special and separate the pragmatic Pinchot accepted that people used the products of nature The environmental movement s original sin and the root of many of its difficulties was its inability to reconcile these two viewpoints and these two men So how was it that Muir and Pinchot

went camping together and delighted in each other's company Does this mean that the seemingly irreparable divide in environmental ethos is not as unbridgeable as it might seem The perceived rivalry between these two men has obscured a fascinating and hopeful story Muir and Pinchot actually spent years in an alliance that led to the original movement for public lands Their shared commitment to the glories of natural landscapes united their disparate talents and viewpoints to create a fledgling and uniquely American vision of land ownership and management **Earth for Sale** Brian Tokar,1997 Illuminating Earth of Sale is a fantastic primer for those looking for some historical perspectives on the environmental movement The Ecologist *The Wisdom of John Muir* Anne Rowthorn,2012-03-27 Largely using the Muir's own words the author looks at the experiences places and people that inspired and informed the naturalist's words and beliefs Selected and commented on by the author of Your Daily Life Is Your Temple Original **Annual Report to the Governor - Department of Land and Natural Resources, State of Hawaii** Hawaii.
