The UFO Files David Clarke, 2013-03-30 What does all this stuff about flying saucers amount to What can it mean What is the truth Winston Churchill prime minister s personal minute 28th July 1952 *The UFO Files* tells the story of over 100 years of UFO sightings drawing on formerly secret government documents at the National Archives in London Alongside extraordinary reports by ordinary people it reveals details of official interest and investigations stretching back more than 80 years In this remarkable book fully updated for this second edition David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign the secret British Intelligence UFO study completed in 2000 As well as covering Roswell and Britain s own Rendlesham Forest mystery Clarke raids the records for dramatic stories of abductions and close encounters ghost aircraft and crop circles and UFO reports by both civilian aircrew and military personnel Dramatic witness statements and interviews combine with rarely seen photographs drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries

The Canadian UFO Report Chris A. Rutkowski, Geoff Dittman, 2008-07-03 *The Canadian UFO Reports* is a popular history of the UFO phenomenon in Canada something that has captured the imaginations of young and old alike Drawn from government documents and civilian case files many previously unpublished the book includes a chronological overview of the best Canadian UFO cases from the very first sighting of fiery serpents over Montreal in 1662 to reports from the past year There are chapters on the government s involvement with UFOs UFO landing pads media interest and even UFO abductions What were the ghost airplanes seen over the Parliament Buildings in 1915 or the flying saucers seen by military officers over Goose Bay Air Force Base Newfoundland in the 1940s and 1950s Was a prospector burned by a UFO in Manitoba in 1967 Did a UFO crash off the coast of Nova Scotia Was Quebec invaded by UFOs in 1973 Find out here

I Saw It Too! Chris A. Rutkowski, 2009-08-24 Although many adults believe they have had encounters with strange creatures from alien spaceships not everyone has actually reported their experiences to official investigators But if you re a young person it s even less likely that people will believe you and more likely that your story will never be officially recorded After all who would believe a kid *I Saw It Too* is the first collection of stories told by children documenting what they saw and when they saw it These accounts are real cases of UFOs they ve seen or alien creatures they ve encountered that were reported to government or military officials UFO investigators and journalists Inside you will find eighteen of these strange fascinating and believable tales recounted by young people from around the world with story illustrations by Stacey Archer with Lonigan Gilbert The truth is really out there and renowned ufologist Chris Rutkowski has tracked it down *The Report on Unidentified Flying Objects: A Study of UFOs by United States* Edward J. Ruppelt, 2020-12-17 *The Report on Unidentified Flying Objects* is a book by Edward J Ruppelt which described the study of UFOs by United States Air Force from 1947 to 1955 Ruppelt was a United States Air Force officer best known for his involvement in Project Blue Book a

formal governmental study of unidentified flying objects He is generally credited with coining the term unidentified flying object Because Ruppelt was the central axis of the government s investigation the book provides a unique insider look at how the government s efforts functioned *The UFO Evidence* National Investigations Committee on Aerial Phenomena,1964

The Hynek UFO Report J. Allen Hynek,2020-01-01 The ultimate guide to Project Blue Book by one of the lead astronomers for the US Air Force program to investigate UFO sightings and featured in History Channel s Project Blue Book Originally released in 1977 this new edition by the world s foremost authority on UFOs distills 12 000 sightings and 140 000 pages of Project Blue Book evidence into a coherent explanation A US Air Force sponsored UFO basher for years Hynek had completely changed his tune by the late 1960s Whether you believe in little green men or an official government cover up policy The Hynek UFO Report is required reading Have UFOs really been reported by every nation across the globe Can all the eyewitness reports simply be fantasy Are we victims of mass hallucination or just plain lies Have close encounters actually occurred Is the government concealing deep secrets at a hidden location The Hynek UFO Report is rational logical and realistic It is for anyone interested in UFOs the possibility of extraterrestrial life and the role of the US government in hiding the truth from the public **Ufos** Raymond Fowler,2001-05-29 Exciting fully documented on site personal investigations of UFOs UFOs and Government Michael D. Swords,2012 Governments around the world have had to deal with the UFO phenomenon for a good part of a century How and why they did so is the subject of *UFOs and Government* a history that for the first time tells the story from the perspective of the governments themselves It s a perspective that reveals a great deal about what we citizens have seen and puzzled over from the outside for so many years The story which is unmasked by the governments own documents explains much that is new or at least not commonly known about the seriousness with which the military and intelligence communities approached the UFO problem internally Those approaches were not taken lightly In fact they were considered matters of national security At the same time the story reveals how a subject with such apparent depth of experience and interest became treated as if it were a triviality And it explains why one government the United States government deemed it wise and perhaps even necessary to treat it so Though the book focuses primarily on the U S government s response to the UFO phenomenon also included is the treatment of the subject by the governments of Sweden Australia France Spain and other countries This large format fully illustrated book is the result of a team effort that called itself The UFO History Group a collection of veteran UFO historians and researchers who spent more than four years researching consulting writing and editing to present a work of historical scholarship on government response to the UFO phenomenon Michael Swords was the primary author of the United States chapters The work was coordinated and edited by Robert Powell Clas Svahn Vicente Juan Ballester Olmos Bill Chalker and Robert Powell contributed country chapters Jan Aldrich was the primary content consultant with additional content consultation and writing coming from Barry Greenwood and Richard Thieme Steve Purcell was the primary photo illustration editor From the foreword by

Jerome Clark While UFOs and Government revisits an often unhappy history the reading of it is far from an unhappy experience The authors eloquent intelligent sophisticated and conscientious provide us with the first credible comprehensive overview of official UFO history in many years Most of the current volume deals with U S military and intelligence responses to the UFO phenomenon but it also features richly informative chapters that expand the story across the international arena If you re looking for an example of a nation that dealt productively with the UFO reports that came its official way you will take heart in the chapter on the French projects From here on every responsible treatment of UFOs and government will have to cite UFOs and Government prominently among its sources this is the real story as accurately as it can be reconstructed in the second decade of the new century I expect to keep my copy close at hand and to return to it often While it cannot be said of many books UFO themed or otherwise this is among the essential ones Stray from it at your peril

Project Mankind Ashwin Vinoo,2023-10-04 Mankind lives in an illusion of freedom unaware of their true origins and purpose We didn t come directly from apes as Darwinians claim Rather mankind is the seventh version of a hybridization experiment run by extraterrestrials to create a slave warrior race that can also function as a source of genetic material to advance our creators Most of these races look humanoid and were once the Gods of our civilization who descended from the skies in their fiery chariots and guided humanity s first civilizations However over time man was made to forget his origins as it was deemed that him realizing that he wasn t free would interfere with the program A few millennia pass and our cities are buzzing with technology that came out of nowhere shortly after UFO sightings began Since the 1950s people have reported lights in the sky alien encounters and reports of government run secret space programs using reverse engineered extraterrestrial technology In the meantime our governments continue to lie about UFOs and extraterrestrials stating that they lack any tangible evidence despite the incredible number of eyewitnesses coming forward whose testimonies are detailed and interconnecting Unbeknownst to the public there is a plan in place to wipe out the majority of the world population and replace them with grey human hybrids that were created with reproductive material acquired through mass human abductions conducted by grey aliens This plan will take place after a solar flash event will raise the background frequency of our planet and induce a pole shift that will trigger floods and other catastrophes The shift in frequency will result in the failure of all the electronics we have come to depend on and it will render our race helpless In this period of great human suffering the Gods will descend once again bearing gifts that will pacify our situation provided we allow them to administer us The question is Will mankind wake up in time to avert their fate This book is tailored to provide the serious investigator a framework of understanding on the ET and paranormal phenomenon Extraterrestrials Ben
