The Pilgrim's Poets Enoch Deboss,2021-04-12 This world is not our home Living as a Christian in this world isn't easy and there are many times we are discouraged by our present circumstances and the journey ahead But God is faithful and He is the hope we have for the life to come These poems and hymns come from fellow believers throughout history who were like us but trusted God to bring them to a glory that would surpass their present troubles As you read be encouraged Christ is with us and we are not alone **Reckless Pilgrims** Thomas Sabel,2023-05-25 In this provocative yet thoughtful collection of poems Rev Sabel reinvigorates the neglected art of poetical reflection on the Christian life Avoiding the dull didacticism and self interrogation which characterize much contemporary poetry Sabel's work recalls a more fundamental and generous purpose in poetry it invites the reader to contemplate matters which can only be intimated The matters which Rev Sabel calls us to contemplate are those of the Christian life in a time when the Christian faith is an option among many and when the politics of the moment seems to pollute the faith beyond recognition Sabel's reflections remind us that faith and art need not be separated that indeed the Old and New Testament abound in a poetic rhythm repetition and representation which serve the glory of God The poems in this volume as indicated in its title should be understood as a pilgrimage a pilgrimage which takes the ancient affinity between faith and art as its point of origin and which traverses out of this origin onto the uncertain paths of twenty first century Christian life As all pilgrimages do this pilgrimage aims at eternal life with Christ Jesus On this pilgrimage Rev Sabel invites us as fellow travelers **From Pilgrim to Pilgrims** Ikechukwu Umejiesi,2005-10 From Pilgrim to Pilgrims is a book of reading in comparative Christian studies cultures nature motivation poetry and government a compendium of faith issues written over a decade **Passages of a Pilgrim** Joanna Faith,2017-05-26 This poetic book shares poetry written from 1996 to 2016 PASSAGES OF A PILGRIM reveals deeply personal poems about the passages of life that we can experience as humans Observations feelings and perspectives from a Biblical view are in the 210 poems that are spiritual seeds of hope love joy and dreams after the 20 past years full of sorrow and pain In Jeremiah 29 11 we read God wants to give us a hope and a good future All of us experience the hills mountains and valleys The author has been inspired

by beauty impressions and visions like ancient mystics Bible verses were added after the poems were written to compliment and confirm the spiritual truths Chapter titles include these topics Poems of given or lost love poems of issues spiritual poems poems of Trinity poems about earth and heaven poems of our family and beauty poems of healing after deep pain poems of divine messages This book is a modern type of Pilgrim's Progress from a nurse philosopher traveler reader writer actress singer minister missionary kid pastor's kid and believer in Creator God Holy Trinity The author has lived over 58 years She dedicates her spiritual book of wisdom to all the precious people who will read of her journey of loss and her deep faith She knows how painful loss illness and betrayals wound us She has learned that God wants us to heal and be restored She prays that the book will bless inspire heal teach and transform the readers *Pilgrim, You Find the Path by Walking* Jeanne Murray Walker, 2018-04-01 Sonnets are familiar to us but not relevant What do they have to do with our fast paced tech driven ever shrinking contemporary world But what if the sonnet invented 700 years ago could come back like a cat with nine lives A sonnet in the twenty first century might serve as a sacramental form calling us from our work mad lives to quietness and reflection In *Pilgrim You Find the Path by Walking* Jeanne Murray Walker invites the reader to join her on a journey told in 58 colloquial sonnets beginning in the slangy streets of New York and ending in the holiness of silence and praise Stops on the journey include reflections on death and grief but also praise for a migrating butterfly a knock on the door the astonishing ocean This book is designed to be used as a devotional and read slowly to be both a book of poetry and a spiritual companion *Dear Pilgrims* John F. Deane, 2018-06-28 With *Crocus* a brief history John F Deane sets his *Dear Pilgrims* in motion a series of brief histories of time a time that is rich in incident and in redemption In a decisively secular age Deane's is a poetry of Christian belief It explores renewal alive with and to the kinds of witness he has learned from George Herbert Gerard Manley Hopkins and R S Thomas His *I like theirs* makes space for a reluctant us *Dear Pilgrims* includes actual pilgrimages The poet moves through England East Anglia in particular Israel and Palestine disclosing a new testament that revisions the Christian faith through the eyes of an unknown female disciple of Christ He vividly adapts the Middle English poem *Pearl* and realises it for our time He is also a master of the sonnet as an instrument of love doubt and faith The poet's voice perhaps because of the timeless wisdom it carries is vital and contemporary It is no surprise that the founder of Poetry Ireland and Dedalus Press is a poet of wide reading and vision The clarity of his verse and purpose makes his voice unique Rowan Williams celebrates his *Music* a stony damp and deeply alive landscape both Ireland and the Holy Land a passionate and searching engagement with God **Poems of the Pilgrims** Zilpha Harlow Spooner, 2023-12-11 Reprint of the original first published in 1882
