Major Truths From The Minor Prophets:

Major Truths from the Minor Prophets John Edward Hunter, 1977 *Major Truths from the Minor Prophets* Edna Ellison, Tricia Scribner, Kimberly Sowell, 2012-08-01 These were the ordinary voices God used to speak extraordinary truth to people. They were unpopular but they were extremely influential then and now. They are the Minor Prophets. In *Major Truths from the Minor Prophets*, ordinary women experience the power of God's extraordinary messages to live with the power, freedom, and hope God intends for us. Using simple language, these down-to-earth, endearing, wise, anointed authors and speakers unravel the mysteries of God's Old Testament passages for application today. Customized for individual and group use, 12 chapters give users an easy-to-use inductive study complete with reflective discussion questions, commentary, Use Your Imagination sections, and more. Use this transformative, unique look back through the Minor Prophets to gain insights for personal revival and influence the communities where God has placed you today. *Major Messages from Minor Prophets* Jeffrey A. Ingraham, 2021-08-06 During the early part of 2019, our Sunday school lessons centered on the Old Testament prophets, particularly the minor prophets. It was a great challenge to understand their messages and the messages' relevancy for our times. It seemed as if there really were no significant differences in these books of prophecy, as the minor prophets all seemed to be saying the same thing. Of course, there are differences in the messages and ministries of the minor prophets; hence, my attempt to show so. My goal was to summarize the writings and ministries of the minor prophets and show their relevancy for today. This I did through a series of sermons that were initially delivered in the Calvary Baptist Church during the winter of 2019. My goal was to make the teachings of the minor prophets understandable to every segment of our membership. The approach was more inspirational than overly scholarly. Each chapter of the book is provocatively titled and begins with a story or illustration that centers on that particular subject. The intent was to reference something that the reader could relate to and see how the prophet addresses that matter. Of course, not every single detail of the prophet's message is included due to the constraints of time, etc. My hope is that the readers of this book will come to know God better and to have a relationship with him. They will see that in spite of people's imperfections, our God is perfect and faithful toward us. The minor prophets challenge us to live faithfully for God. To the extent I have been able to evoke this kind of response from my readers, I give all glory and honor to God. **12 Faith Journeys of the Minor Prophets: Prophecy Edition**

Dispensational Truth Clarence Larkin, 1920 A mechanical engineer turned minister's interpretation of Christian teachings through the use of charts and illustrations

Dispensational Truth Clarence Larkin, 2021-07-27 Dispensational Truth is the Rev Clarence Larkin's famous book on dispensationalism with his beautifully drawn black and white charts A must have book for any student of dispensationalism the book contains more than 115 charts maps and drawings The result of thirty years of study

Dispensational Truth is a gold mine of information on prophetic truth for the busy pastor evangelist Bible teacher and everyone who loves God's Word. In fact, Larkin's charts have been called the gold standard of pre-tribulation knowledge. A trained draftsman, Larkin diagrammed what he read during his Bible studies. From his drawings and charts, the study of God's Word has enriched generations of those who seek illumination and clarification regarding history, prophecy, and the future of mankind. This book has sold thousands of copies since it was first published in 1920. **Thin Red Line, Volume 1** Kimberly Sowell, 2015-01-12. Thin Red Line is a powerful four-volume study that engages participants in tracing God's plan of redemption. Using a chronological story approach, participants have the framework to connect the thin red line through all Scripture. Written as a 52-week study, this transformational curriculum is broken down into four volumes that can be used individually or consecutively. The question-based format makes it a unique and easy-to-use tool for small groups. Volume 1 covers Genesis up to the Book of Joshua. Thin Red Line correlates well with Group Publishing's Route 52, so the entire family can study together each week. *The Unshakeable Truth* Dr. Steven Catalano, 2019-10-28. The Unshakable Truth is a nondenominational Christian guide to inner peace based on true biblical facts. A system of cross-referencing is used to quote multiple scriptures to provide the believer with the truth in God's instruction from His written Word. With divine inspiration, I clarify all the confusion to the questions asked: Was Jesus Christ the Son of God? Is there really the Trinity? Is there only one God? As Christians today, are we expected to live under the Ten Commandments or abide in the blood covenant of Jesus Christ crucified? Do Christians of today live by sight or faith? What does it mean to live in faith, love, and blood and fear? Is there really a history and message of the cross, or is it just a shocking holy thing? I have answered these questions and more through biblical facts and revelation from God. I can tell you that God does have a prescribed order for Christian living today, and that God spoke to Jesus, and that there is only one God and none like God. *God, Fire and Truth*: Diann Ross Woodbury, 2009-07-17. GOD FIRE AND TRUTH: A POETIC JOURNEY THROUGH THE BIBLE. This is a book about the Bible written all in poetry. Each and every book of the Bible is in this book, with a few of my own poems not based upon the book that I read to get the major poems about the most important parts of the Bible. If you like the Psalms but find the other parts of the Bible a bit confusing, then this is a book that will help you understand the Bible better. We have a loving but just God. You wouldn't let your child run wild in the traffic of the streets, would you? Well, God sets down rules so that we can be safe and get through this sometimes hard world. He does it because He loves us. I hope this book will give you hours of enjoyment. I know I learned a lot from writing it that I did not know from reading the actual Bible. Nothing can surpass the actual Bible, but for some, you may find this book to be rather fun. The poems were written from reading a small book about the most important parts of each book of the Bible. God bless you. Diann Ross Woodbury. *Hidden Truth from Prophecy—Beyond 2012* Robert B. Scott, 2012-10-26. The Harbinger's warnings to America expose an important untold story, the astounding truth about prophecy hidden from the Christian world. This work is like a sequel, unveiling the mysteries of prophecy. The keys to

the enigma that is Bible prophecy consist in knowing these rarely understood truths America is identified in the Bible and is a major player in prophecy The books of Job and Isaiah are the foundations of all Bible prophecy Aliens and giants are also mentioned in Gods Word and will play a major role in end time events Quote from the book This is more than a book that warns the world of what is about to happen It is also a book that offers a sure hope for the future While the winter solstice of 2012 will indeed begin the time of the greatest spiritual darkness the world has ever known its not the end Its not the end of the world its not even the end of this age
