The Major Themes of the Bible Foster H. Shannon, 1990

The Bible I Never Knew Peter J. Bylsma, 2024-04-29

Most people don't understand the Bible's main themes because they haven't had the time or patience to read and study such a long and complicated book. After the author read the Bible again more closely and analytically, he was surprised by what he discovered: both what it said and what it didn't say. The 19 chapters of *The Bible I Never Knew* present facts about the Bible and its context and concise summaries of its major themes. The book relies on more than 6,000 scripture verses to illustrate the depth of what was written on the topics. This thematic approach helps readers gain a deeper and more comprehensive understanding of the scriptures. The book has three parts and a set of appendices.

BASIC INFORMATION Bible History and Structure, Important Missing Details, The Bible as Literature, Understanding the Bible, The Nature of God, Communicating With God, Science, Truth, Miracles.

MAIN THEMES Love, the Bible's Main Theme, Justice, Mercy, Grace, Money, Possessions, Prosperity, Life is Not Fair, Being Saved, Living in the World, Unusual Perspectives, The End of History.

SPECIAL TOPICS Government, Politics, Citizenship, Women in the Bible, Sex, Marriage, and Families.

APPENDICES Summarize Each Book, Explain Theological Terms, List Scripture Verses Cited.

The book clearly shows that the Bible's themes still relate to current events and issues in all cultures, communities, households, and individuals' lives. The author takes on controversial topics in a balanced way and does not take a position on them; he lets the scriptures speak for themselves.

The Bible and Literature: The Basics Norman W. Jones, 2015-11-19

The Bible and Literature: The Basics provides an interpretive framework for understanding the significance of biblical allusions in literature, even for readers who have little prior knowledge of the Bible. In doing so, it surveys the Bible's influence on a broad range of English, American, and other Anglophone literatures from a variety of historical periods. It also offers a greatest hits tour of the Bible, focuses as much on 20th and 21st century literatures as on earlier periods, addresses the Bible's relevance to contemporary issues in literary criticism such as poststructuralist, postcolonial, feminist, queer, and narrative theories, includes discussion questions for each chapter, and annotated suggestions for further reading. This book explains why readers need a basic knowledge of the Bible in order to understand and appreciate key aspects of Anglophone literary traditions.
