He told me that one of his dreams was to write too but in Thai I replied that he can surely fulfill this dream considering that he has been speaking and writing in this language for a long time his wife is from Laos and their language of communication is Thai But it seemed to him a difficult dream to reach To joke I told him I should write a book on How to make one's dreams come true because I have some 25 years of experience in the field and I do not hesitate to do everything possible to realize mine In addition I accomplished almost all the dreams I really wanted There is still one still running but which I will reveal later in this book This friend told me that he would be the first to read this book if I write it one day Putting a dream in to practice And now this new challenge which I think will help others embody their dreams or at least part of them has led my brain to think almost without even wanting to about a possible structure of this book Barely two days passed after I had had this conversation with my friend and I was already writing it So check out this little FREE guide to help you make your dreams come true
