Oliphant, Mrs. Oliphant, 2015-07-19 Excerpt from *The Makers of Florence* Dante Giotto Savonarola and Their City History Of Florence in the following pages for new his tories are scarcely needed nor is the present writer qualified to undertake such a task The biographical chapters which follow however cannot but touch upon and indicate a certain portion Of the greater story and involuntarily I have been obliged to trace the progress to some extent of the struggle which was always going on surging and storming in the public palazzo and narrow streets around and in the wider but more passive country About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of

imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
