## **Making A Killing The Business Of War:**

**Transnational Actors in War and Peace** David Malet, Miriam J. Anderson, 2017-06-01 Transnational Actors in War and Peace provides a comparative examination of a range of transnational actors who have been key to the conduct of war and peace promotion and of how they interact with states and each other It explores the identities organization strategies and influence of transnational actors involved in contentious politics armed conflict and peacemaking While the study of transnational politics has been a rapidly growing field to date the disparate actors have not been analyzed alongside each other making it difficult to develop a common theoretical framework or determine their influence on international security This book brings together a diverse set of scholars focused on a range of transnational actors such as foreign fighters terrorists private military security companies religious groups diasporas NGOs and women's peace groups Malet and Anderson provide the standard for future study of transnational actors in this work intended for those interested in security studies international relations conflict resolution and global governance

**The Business of War** James McCarty, Matthew Tapie, Justin Bronson Barringer, 2020-10-01 The Business of War incisively interrogates the development and contemporary implications of the military industrial complex It exposes the moral dangers of life in neoliberal economies dependent upon war making for their growth and brings the Christian tradition's abundance of resources into conversation with this phenomenon In doing so the authors invite us to rethink the moral possibilities of Christian life in the present day with an eye toward faithful resistance to the business of war and its influence in every aspect of our lives In combining biblical historical theological and ethical analyses of the business of war the authors invite us to better understand it as a new moral problem that demands a new faithful response With contributions from Pamela Brubaker Stan Goff Christina McRorie Logan Mehl Laituri Kara Slade Won Chul Shin David Swartz Jonathan Tran Myles Werntz Matthew Whelan Tobia Winright

**Security Sector Reform in Southeast Asia** F. Heiduk, 2014-03-07 Successful reform of the security sector has been regarded as pivotal for a successful transition from authoritarianism to democracy by Western donors A global cast of contributors examines SSR in a variety of policy fields in Southeast Asia paying specific attention to the adaption of Western reform concepts by local actors

**The Complete Idiot's Guide to World War II** Mitchell Geoffrey Bard, 2004 WWII began in 1939 as a European conflict between Germany and an Anglo French coalition but eventually widened to include most of the nations of the world It ended in 1945 leaving a new world order dominated by the United States and the USSR This book features updated and expanded coverage of the fateful D Day invasion a critical timeline of major WW II events and a WW II timeline highlighting the crucial and most important events of the war It will include details about major battles on land in the air and on the sea starting with Hitler's rise to power and his goal of European conquest to Japan's bombing of Pearl Harbour to the decisive battles such as D Day and the Battle of Midway which turned the tides of the war toward the Allies

Klikauer,2007-04-11 Uniquely this book positions communication inside the historic development of work and management and shows how this development has led to the instrumental use of communication informed by the distinction between those who manage and those who are managed and directed towards the control and system integration of the workers **Making a Killing** International Consortium of Investigative Journalists,2003 Winner of the 2002 Sigma Delta Chi Book Award Making a Killing The Business of War investigates the economics of conflict in the post Cold War era and the groups who profit from the business of war The book drew on classified intelligence files government reports court records and public documents and identified the individuals and companies involved in the privatization of various conflicts and explained how they often influence the turn of world events

KIND Graham Allcott,2024-10-10 What if someone told you the key to success was kindness While it doesn't always make headlines there is a growing recognition that kindness is vital to strong performance at work In the broad range of leadership skills kindness is inherently quieter more personal and harder to see and yes less interesting or cinematic than controversial tweets and bullying boss behaviour But kindness builds empathy and trust which ultimately creates a sense of psychological safety and that safety leads to more creativity a better quality of decision making safer critical thinking higher levels of staff loyalty flexibility and retention a heightened sense of engagement and ultimately higher productivity and profitability In KIND Graham Allcott explores how we can create work cultures that encourage kindness He argues that far from being a fluffy or nebulous idea kindness and empathy are 21st century superpowers which can transform any organization into a dynamic environment where people want to work The author aims to convince the doubters as well as helping already kind people to articulate the power of kindness and make a stronger case for its greater profile in their working environments Drawing on psychology and neuroscience as well as management theory and business research he shows how kindness helps encourage productive and positive work cultures From busting three important myths that need to be addressed to engage the more cynical reader or the reader's more cynical colleagues to covering The Eight Principles of Kindfulness at Work Graham Allcott offers practical advice on how to make kindness part of the fabric of your working life so both you and your team can thrive **Business, Ethics and Peace** Manas Chatterji,Luk Bouckaert,2015-09-23 This volume gathers a

selection of papers presented at the International SPES Conference Business for Peace Strategies for Hope held in Ypres in April 2014 The papers illustrate the impact of religion in peace management and present solutions and practices for corporate peace building

*Die Politisierung der Weltpolitik* Michael Zürn, Matthias Ecker-Ehrhardt, 2013-02-18 Die Analysen und Hypothesen dieses Buches macht die Politisierung der internationalen Institutionen insbesondere der EU erfahrbar und verständlich Seit dem Zusammenbruch der US amerikanischen Großbank Lehmann Brothers im September 2008 dem Beginn der Finanzkrise erleben wir eine umfassende Politisierung der internationalen Finanzpolitik und der sie tragenden politischen Institutionen Dies gilt vor allem für die europäischen Einrichtungen und mithin auch auf die EU als Ganzes Als Resultat wird das politische Europa und zwar sowohl die europäischen Institutionen als auch die Funktionsweise der Mitgliedsstaaten ein anderes sein als zuvor Die Politisierung europäischer Institutionen macht das Geschäft für die politischen Handelnden in vielerlei Hinsicht schwieriger sie ist aber auch eine große Chance Europa das politische und legitimatorische Fundament zu geben das es benötigt

*The Art of Business Warfare* David W. Leppanen, 2000-12 Business and warfare have more in common than most people think The Art of Business Warfare applies military techniques to the business world It outlines how businesses can use the military principles preemption dislocation and disruption to outmaneuver their competition In addition before conducting an operation the military has four primary areas it must address personnel intelligence operations and logistics Companies must also manage these four areas While The Art of Business Warfare won't show you how to call in artillery fire on your competition it will show you how to coordinate your business departments and improve your business operations

**The Business of Killing Indians** William S. Kiser, 2025-03-18 How colonial conquest was driven by state sponsored profit driven campaigns to murder and mutilate Indian peoples in North America From the mid 1600s through the late 1800s states sponsored scalp bounties and volunteer campaigns to murder and mutilate thousands of Indians throughout North America Since central governments in Amsterdam Paris London Mexico City and Washington DC failed to provide adequate military support and financial resources for colonial frontier defense administrators in regional capitals such as New York Quebec City New Orleans Boston Ciudad Chihuahua Austin and Sacramento took matters into their own hands At different times and in almost every part of the continent they paid citizens for killing Indians taking Indians captive scalping or beheading Indians and undertaking other forms of performative violence As militant operatives and civilians alike struggled to prevail over Indigenous forces they considered barbaric and savage they engaged in not just plundering slaving and killing but also dismembering corpses for symbolic purposes and for profit Although these tactics mostly failed in their intent to exterminate populations state sponsorship of indiscriminate violence took a significant demographic toll by flooding frontier zones with murderous units whose campaigns diminished Indigenous power reduced tribal populations and forced weakened survivors away from traditional homelands High wages for volunteer campaigning along with cash bounties for Indian body parts and the ability to take captives and keep valuable plunder promoted a state

sponsored profit opportunity for civilians      International Business, International Adaptation Shad Morris, James Oldroyd, 2023 With the incisive and comprehensive exploration of international business in the modern world in this edition of International Business an accomplished team of educators and business practitioners delivers a revitalized approach to the discipline that brings international business to life This edition of the book includes one of a kind chapters on sustainability poverty and innovation as well as explorations of the COVID 19 pandemic and its effects on commerce the business implications of social and civic justice race and inequality debates and new case studies including one on equity diversity and inclusion at Microsoft The book efficiently prepares students for the global economy and transforms the authors impressive international experience at multinational corporations into an indispensable pedagogical resource This international adaptation further strengthens the bond between the readers and the contemporary world of international business through the introduction of new case studies caselets illustrations and exhibits related to India Australia bilateral trade association solar mamas of Sudan evolution of Islamic banking in Tanzania McDonald s kosher menu in Israel and so on It takes us through the emerging factors affecting the international business such as digital transformation and global supply chain strategies post COVID 19 Critical thinking questions added at the end of each chapter will encourage the students to think analytically and delve deeper into the topic      **The International Confectioner** ,1941      **Maritime Security**

**Cooperation in the Gulf of Guinea** Kamal-Deen Ali, 2015-07-28 In Maritime Security Cooperation in the Guinea Prospects and Challenges Kamal Deen Ali provides ground breaking analyses of the maritime security situation in the Gulf of Guinea and its implications for shipping energy security sustainable fisheries as well as national and regional security The book juxtaposes the growing strategic importance of the Gulf of Guinea against the rising insecurity in the maritime domain especially from piracy Ali points out key gaps in prevailing regional and international approaches to maritime security cooperation in the Gulf of Guinea and sets out several suggestions for combating piracy as well as other maritime security threats while effectively enhancing maritime security cooperation in the region      *Warfare Welfare* ,2012-04-01 This edited volume reveals how a permanent war economy has made the United States unable to spread democracy abroad and has worsened domestic problems The editors draw from classical readings in political theory from primary documents including key court decisions and from social science research to analyze such issues as the effect of militarization and combativeness on the everyday lives of Americans The editors also address the dire connection among banking losses the housing recession the welfare national security state and the challenge of rebuilding America s infrastructure      **Nation's Business** ,1917

*Seven Management Moralities* T. Klikauer, 2012-09-18 For the first time Seven Management Moralities delivers a comprehensive overview of all forms of moral and immoral behaviour displayed by management Utilising Kohlberg s ascending scale of seven moralities the book includes the ethics of Aristotle Kant Utilitarianism Bauman Habermas and Singer      *The Rise of American Air Power* Michael S.
