**At Home in Nineteenth-Century America** Amy G. Richter, 2015-01-23 Few institutions were as central to nineteenth century American culture as the home Emerging in the 1820s as a sentimental space apart from the public world of commerce and politics the Victorian home transcended its initial association with the private lives of the white native born bourgeoisie to cross lines of race ethnicity class and region Throughout the nineteenth century home was celebrated as a moral force domesticity moved freely into the worlds of politics and reform and home and marketplace repeatedly remade each other At Home in Nineteenth Century America draws upon advice manuals architectural designs personal accounts popular fiction advertising images and reform literature to revisit the variety of places Americans called home Entering into middle class suburban houses slave cabins working class tenements frontier dugouts urban settlement houses it explores the shifting interpretations and experiences of these spaces from within and without Nineteenth century homes and notions of domesticity seem simultaneously distant and familiar This sense of surprise and recognition is ideal for the study of history preparing us to view the past with curiosity and empathy inspiring comparisons to the spaces we inhabit today malls movie theaters city streets and college campuses Permitting us to listen closely to the nineteenth century's sweeping conversation about home in its various guises At Home in Nineteenth Century America encourages us to hear our contemporary conversation about the significance and meaning of home anew while appreciating the lingering imprint of past ideals Instructor's Guide

An American in the Making M. E. Ravage, 2009-05-19 At the turn of the twentieth century M E Ravage set off in steerage for America one of almost two million Jews who like millions of others from eastern and southern Europe were lured by tales of worldly success Seventeen years after arriving on Ellis Island Ravage had mastered a new language found success in college and engagingly penned in English this vivid account of the ordeals and pleasures of departure and assimilation Steven G Kellman brings Ravage's story to life again in this new edition providing a brief biography and introduction that place the memoir within historical and literary contexts An American in the Making contributes to a broader understanding of the global notion of America and remains timely especially in an era when massive immigration now from Latin America and Asia challenges ideas of national identity

Rough Writing Aviva F. Taubenfeld, 2008-11-01 As the United States struggled to absorb a massive influx of ethnically diverse immigrants at the turn of the twentieth century the question of who and what an American is took on urgent intensity It seemed more critical than ever to establish a definition by which Americanness could be established transmitted maintained and judged Americans of all stripes sought to articulate and enforce their visions of the nation's past present and future central to these attempts was President Theodore Roosevelt Roosevelt fully recognized the narrative component of American identity and he called upon

authors of diverse European backgrounds including Israel Zangwill Jacob Riis Elizabeth Stern and Finley Peter Dunne to promote the nation in popular written form With the swell and shift in immigration he realized that a more encompassing national literature was needed to express and guide the soul of the nation Rough Writing examines the surprising place and implications of the immigrant and of ethnic writing in Roosevelt s America and American literature **Building an American Identity** Linda E. Smeins,1999 This work follows the evolution of the pattern book houses and how they represented the notion of home and community in American historical memory The book also includes illustrations of such communities *Building America* ,1945 **Department of Defense Appropriations for ...** United States. Congress. House. Committee on Appropriations,1972 **American Home Life, 1880-1930** Jessica H. Foy,2024-07-31 In the pivotal decades around the turn of the century American domestic life underwent dramatic alteration From backstairs to front stairs spaces and the activities within them were radically affected by shifts in the larger social and material environments This volume while taking account of architecture and decoration moves us beyond the study of buildings to the study of behaviors particularly the behaviors of those who peopled the middle class single family detached American home between 1880 and 1930 The book s contributors study transformations in services such as home utilities of power heat light water and waste removal in servicing for example the impact of home appliances such as gas and electric ranges washing machines and refrigerators and in serving changes in domestic servants duties hours of work racial and ethnic backgrounds In blending intellectual and home history these essays both examine and exemplify the perennial American enthusiasm for as well as anxiety about the meaning of modernity **American Lumberman** ,1894 **Lost Decades: The Making of America's Debt Crisis and the Long Recovery** Menzie D. Chinn,Jeffrey A. Frieden,2011-09-19 A clear authoritative guide to the crisis of 2008 its continuing repercussions and the needed reforms ahead The U S economy lost the first decade of the twenty first century to an ill conceived boom and subsequent bust It is in danger of losing another decade to the stagnation of an incomplete recovery How did this happen Read this lucid explanation of the origins and long term effects of the recent financial crisis drawn in historical and comparative perspective by two leading political economists By 2008 the United States had become the biggest international borrower in world history with more than two thirds of its 6 trillion federal debt in foreign hands The proportion of foreign loans to the size of the economy put the United States in league with Mexico Indonesia and other third world debtor nations The massive inflow of foreign funds financed the booms in housing prices and consumer spending that fueled the economy until the collapse of late 2008 This was the most serious international economic crisis since the Great Depression of the 1930s Menzie Chinn and Jeffrey Frieden explain the political and economic roots of this crisis as well as its long term effects They explore the political strategies behind the Bush administration s policy of funding massive deficits with foreign borrowing They show that the crisis was foreseen by many and was avoidable through appropriate policy measures They examine the continuing impact of our huge debt on the continuing slow recovery from the

recession Lost Decades will long be regarded as the standard account of the crisis and its aftermath American Bulletin, 1910 **The Irish and the Making of American Sport, 1835-1920** Patrick R. Redmond, 2014-02-10 Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly s rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman s close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA s initial international sporting ventures and in the making and breaking of amateurism within sport Popular Science, 1968-09 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **House & Garden**, 1913 **Energy and Water Development Appropriations for 2008** United States.
